Family American And Christian:

Family Michael G. Lawler, 1998 Michael G Lawler director of the Center for Marriage and Family at Creighton University examines in depth the links between what Americans are crying out for and what the Christian tradition teaches in regard to the family Drawing from years of original research and supplemented by up to date surveys and statistics Lawler invites Christians to rediscover the fundamental vision for family living embedded in Christianity By better understanding how Christian values and teachings apply to modern family situations and relationships we can transform and improve our unions

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **American Religions and the Family** Don S. Browning, David A. Clairmont, 2007 Religions respond to capitalism democracy industrialization feminism individualism and the phenomenon of globalization in a variety of ways Some religions conform to these challenges if not capitulate to them some critique or resist them and some work to transform the modern societies they inhabit In this unique collection of critical essays scholars of Judaism Christianity Islam Hinduism Buddhism Confucianism and Native American thought explore the tension between modernization and the family sexuality and marriage traditions of major religions in America Contributors examine how various belief systems have confronted changing attitudes regarding the meaning and purpose of sex the definition of marriage the responsibility of fathers and the status of children They also discuss how family law in America is beginning to acknowledge certain religious traditions and how comparative religious ethics can explain and evaluate diverse family customs Studies concerning the impact of religious thought and behavior on American society have never been more timely or important Recent global events cannot be fully understood without comprehending how belief systems function and the many ways they can be employed to the benefit and detriment of societies Responding to this critical need *American Religions and the Family* presents a comprehensive portrait of religious cultures in America and offers secular society a pathway for appreciating religious tradition *The Christian Educator's Handbook on Family Life Education* Kenneth O. Gangel, James C. Wilhoit, 2001-02-01 As a start or an addition to your library few books would make a better choice than The Christian Educator's Handbook series offered by Baker Books Noted Christian education authorities such as Kenneth Gangel James Wilhoit Howard Hendricks and Robert Choun have edited or written these books Their scope ranges from adult to children's education and covers spiritual formation teaching and family life ministries Christian Education Counselor *A Christian Theology of Marriage and Family* Julie Hanlon Rubio, 2003 What are Christian families called to be and do in contemporary society Weaving together theology social science and her experience as a wife and mother Julie Hanlon Rubio answers this provocative and timely question She explores the marriage liturgy the New Testament and Christian tradition and then reflects on the ways Christian husbands and wives fathers and mothers and children can live out their vocations in changing times She concludes with chapters on divorce and the mission of the family Relevant academically oriented yet popularly written and filling a need by its attention to family issues this book

will make an ideal text for courses in marriage family ethics social justice Christian ethics **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2007 Library of Congress Subject Headings Library of Congress,1996 **A-E** Library of Congress. Office for Subject Cataloging Policy,1990 *Library of Congress Subject Headings* Library of Congress. Office for Subject Cataloging Policy,1990 **Family Sacrifices** Russell M. Jeung,Sean S. Fong,Helen Jin Kim,2019-05-06 Fifty two percent of Chinese Americans report having no religious affiliation making them the least religiously identified ethnic group in the United States But that statistic obscures a much more complex reality Family Sacrifices reveals that Chinese Americans employ familism not religion as the primary narrative by which they find meaning identity and belonging *American Religious History* Gary Scott Smith,2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion s interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three **Transition and Change in Collectivist Family Life** Karen Mui-Teng Quek,Shi-Ruei Sherry Fang,2017-03-23 This research to practice volume grounds clinicians in a robust culturally informed framework for conducting effective therapy with Asian American couples families and individuals Family cultural social and spiritual dynamics are explored across ethnicities generations relationships and immigrant citizen experience to reflect a diverse growing population Discussion and case examples focus on contrasts conflicts and balances involved in acculturation and change notably the shift from collectivist cultural tradition to a more independent view of the self gender choices and relationships The contributors finely shaded guidance and accessible approach will help therapists provide appropriate services for Asian American clients without minimizing or pathologizing their experiences Included in the coverage How Asian American couples negotiate relational harmony collectivism and gender equality Through religion working class Korean immigrant women negotiate patriarchy The role of Chinese grandparents in their adult children s parenting practices in the United States Balancing the old and the new the

case of second generation Filipino American women Bicultural identity as a protective factor among Southeast Asian American youth who have witnessed domestic violence Transition and Change in Collectivist Family Life is a cogent clinical resource for practitioners and mental health professionals with interests in Asian American family therapy psychotherapy collectivism and faith based community and counseling *The Race-Wise Family* Helen Lee,Michelle Ami Reyes,2022-05-17 A timely resource to equip Christian parents to better understand the roots of racism and provide practical guidance on addressing issues of race within their families This is a landmark work for our generation Dorena Williamson bestselling author If you wonder how to help your children understand today s racial dynamics and respond in God honoring ways you re not alone Practical and engaging The Race Wise Family offers immediately applicable action steps to help you raise kingdom minded kids who will stand against racial injustice as an outpouring of their relationship with God Deeply rooted in Scripture The Race Wise Family includes key biblical insights for understanding a theology of race discussion questions prayers and conversation starters for your whole family age appropriate ideas for discussing current events with your kids and teens guidance for addressing the roots of racial bias in the world and your own heart activities and resources you can use with kids of all ages to be part of hope and healing in your community The Race Wise Family helps you and your kids celebrate the diversity of God s kingdom as you take small steps at home today that can make a difference in the world for generations

Encyclopedia of Christianity in the United States George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation *American Religious History* Amanda Porterfield,2008-04-15 In this outstanding historical reader the editor has gathered nine essays and over thirty primary documents to present a coherent picture of the history of American religion **Jimmy Carter, the Politics of Family, and the Rise of the Religious Right** J. Brooks Flippen,2011-03-15 As Jimmy Carter ascended to the presidency the heir apparent to Democratic liberalism he touted his background as a born again evangelical Once in office his faith indeed

helped form policy on a number of controversial moral issues By acknowledging certain behaviors as sinful while insisting that they were private matters beyond government interference J Brooks Flippen argues Carter unintentionally alienated both social liberals and conservative Christians thus ensuring that the debate over these moral family issues acquired a new prominence in public and political life The Carter era according to Flippen stood at a fault line in American culture religion and politics In the wake of the 1960s some Americans worried that the traditional family faced a grave crisis This newly politicized constituency viewed secular humanism in education the recognition of reproductive rights established by Roe v Wade feminism and the struggle for homosexual rights as evidence of cultural decay and as a challenge to religious orthodoxy Social liberals viewed Carter s faith with skepticism and took issue with his seeming unwillingness to build on recent progressive victories Ultimately Flippen argues conservative Christians emerged as the Religious Right and were adopted into the Republican fold Examining Carter s struggle to placate competing interests against the backdrop of difficult foreign and domestic issues a struggling economy the stalled Strategic Arms Limitation Talks disputes in the Middle East handover of the Panama Canal and the Iranian hostage crisis Flippen shows how a political dynamic was formed that continues to this day *Christian Register and Boston Observer* ,1928 **Silent Exodus--Parents' Silent Suffering**

Matthew Richard Sheldon Todd,2025-05-08 The broad cultural phenomenon of youth dechurching is often accompanied by stories of broken hearted parents The objective of this book is to consider ways immigrant parents are impacted by generational assimilation and dechurching from ethno religious communities The original contribution of the book is in substantiating parents experience from a spectrum of impacts The author explores ways impact is intensified or minimized Are you looking to improve your understanding of the risks and opportunities of handing on the faith Have you been wrestling with the cultural assimilation of your children Have you wondered how a biblical and interdisciplinary framework might help parents understand and even avert dechurching Are you looking for supportive approaches for parents experiencing generational disconnect and difficult parenting transitions The author discloses cultural myths that circulate on parenting and advocates improving support for parents struggling to spiritually launch their children This book provides strategies for encountering transitional family complications if a youth leaves the faith and church *Pro-Family Politics and Fringe Parties in Canada* Chris MacKenzie,2014-05-14 Pro Family Politics and Fringe Parties in Canada explores the organizational and ideological nature of political parties that are initially formed to do the work of social movements Specifically it examines the development of the Family Coalition Party of British Columbia FCP from its origins as a group of alienated Social Credit Party members to its rebirth as the Unity Party of British Columbia and through its struggles as a marginal political entity along the way While addressing the FCP s relationship to the larger North American pro family movement Chris MacKenzie also deftly demonstrates how the party can be seen as organizationally congruent with its ideological antithesis the Green Party Basing his findings on seven years of field research he identifies the obstacles that

political parties involved in social movement work must overcome in order for them to achieve their goals He concludes that despite their invaluable contribution to democracy such party movements have limited political institutionalization Consequently their only realistic goal may be to merge their ideals with those of another larger political body This book makes a substantial contribution to our understanding of the genesis development and impact of political party movements in Canada Moreover it provides useful insight into the dynamics and issues that make up the current pro family movements in Canada and the United States World Regional Geography (with Subregions) Lydia Mihelic Pulsipher,Alex Pulsipher,2007-09-14 Shows how individuals are affected by and respond to economic social and political forces at all levels of scale global regional and local It offers an inclusive picture of people in a globalizing world men women children both mainstream and marginalized citizens not as seen from a western perspective but as they see themselves Core topics of physical economic cultural and political geography are examined from a contemporary perspective based on authoritative insights from recent geographic theory and examples from countries from around the world *Genealogical and Family History of the State of Maine* George Thomas Little,1909

Yeah, reviewing a book **Family American And Christian** could amass your close associates listings. This is just one of the solutions for you to be successful. As understood, capability does not recommend that you have fantastic points.

Comprehending as without difficulty as settlement even more than additional will pay for each success. next to, the notice as well as keenness of this Family American And Christian can be taken as without difficulty as picked to act.
