Family In Sri Lanka:

Woman, Marriage and Family Man Singh Das, Vijay Kumar Gupta, 1995 The book discusses about various issues related to women's adjustment, role, commitment, satisfaction, decision making etc in marital relations. In general, the book is a good source material for those who are doing research in the related field. *The International Survey of Family Law* Andrew Bainham, 1998-02-05 The International Survey of Family Law published on behalf of the International Society of Family Law is the successor to the Annual Survey of Family Law. It provides information, analysis and comment on recent developments in Family Law across the world on a country-by-country basis. The Survey is published annually and its subtitle reflects the calendar year surveyed. Where a country has been regularly surveyed each year, the developments discussed correspond to the year in question. If certain countries have not been surveyed for some years, the contributions will usually attempt to cover the intervening period. This applies for example in the present volume to the contributions relating to China and Turkey. If countries are being covered for the first time, then more background information will be provided about the state of family law in the country in question. The Survey also contains an article dealing with the more significant developments in international law affecting the family. *Family Demography in Asia* Stuart Gietel-Basten, John Casterline, Minja Kim Choe, 2018-11-30 The demographic future of Asia is a global issue. As the biggest driver of population growth, an understanding of patterns and trends in fertility throughout Asia is critical to understand our shared demographic future. This is the first book to comprehensively and systematically analyse fertility across the continent through the perspective of individuals themselves rather than as a consequence of top-down government policies. *Library of Congress Subject Headings* Library of Congress, 2007 **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office, 2009 *Choice of Law and Recognition in Asian Family Law* Anselmo Reyes, Wilson Lui, Kazuaki Nishioka, 2023-10-05 This thematic volume in the series Studies in Private International Law Asia outlines the general choice of law and recognition rules relating to family matters of 15 Asian jurisdictions: Mainland China, Hong Kong, Taiwan, Japan, South Korea, Singapore, Malaysia, Vietnam, Cambodia, Myanmar, the Philippines, Indonesia, Thailand, Sri Lanka, and India. The book examines pressing questions and proposes ways in which their systems may be reformed. A concluding chapter considers the extent to which Asian cross-border family law systems can and should be harmonised. The book provides a comprehensive analysis of cross-border family law challenges, including child surrogacy, child abduction, the recognition of same-sex unions, the recovery of maintenance, and the regulation of intercountry adoption. These are among the matters now testing Asian institutions of private international law and acting as forces for their modernisation. With contributions by leading Asian private international law experts, the book proposes necessary reforms for each of the jurisdictions analysed as well as for Asia as a whole. **Library of Congress Subject Headings: F-O** Library of Congress.
