Our Family'S Faith Judy Francis,2015-08-17 Our family celebrates God every day from the time we wake up until the time we go to bed In the morning we read the Bible and praise God for all our blessings During the day we enjoy the beauty of nature given to us by God In the evening we think about every good moment where we did the right thing and then we think about the things that went wrong and ask Gods forgiveness Our familys faith carries us through each day Aiming at an elementary level of daily examinations of conscience this illustrated childrens story seeks to support parents in the efforts to build strong Christian values in the families from their childrens earliest years Through these words and illustrations children may learn the importance of cheerfully striving to live out the greatest prayer in the Bible the Lords Prayer Matthew 6 913

Manufacturers Record ,1927 ***The Bible in American Life*** Philip Goff,Arthur Emery Farnsley,Peter Johannes Thuesen,2017 There is a paradox in American Christianity According to Gallup nearly eight in ten Americans regard the Bible as either the literal word of God or inspired by God At the same time surveys have revealed gaps in these same Americans biblical literacy These discrepancies reveal the complex relationship between American Christians and Holy Writ a subject

that is widely acknowledged but rarely investigated The Bible in American Life is a sustained collaborative reflection on the ways Americans use the Bible in their personal lives It also considers how other influences including religious communities and the Internet shape individuals comprehension of scripture Employing both quantitative methods the General Social Survey and the National Congregations Study and qualitative research historical studies for context The Bible in American Life provides an unprecedented perspective on the Bible s role outside of worship in the lived religion of a broad cross section of Americans both now and in the past The Bible has been central to Christian practice and has functioned as a cultural touchstone From the broadest scale imaginable national survey data about all Americans down to the smallest details such as the portrayal of Noah and his ark in children s Bibles this book offers insight and illumination from scholars across the intellectual spectrum It will be useful and informative for scholars seeking to understand changes in American Christianity as well as clergy seeking more effective ways to preach and teach about scripture in a changing environment
