

Family

The first PEOPLE to know you
The ones who gave you a name

They give you Love
And a PLACE to belong;

The root from which you came.

Cherish them while you have them.....
When they're gone, it's never the same.

Simple Family Poems Bob Cowboy Russell,2020-12-10 I have always enjoyed writing poetry but what prompted me to share this composition with you, the reader, is that each poem has had such a positive influence on others as well as on me. Poetry can and has changed lives in my family and people around the world. I love my family. Sure, there have been some ups and downs. That is part of life. That is what inspired this writer. For yet another title I learned early in life to share so here I share with you, my fellow readers. May you enjoy this book as much as I have enjoyed the journey in the composing of each poem.

A Book of Poems for My Family and Friends Fannie G Williams,2018-04-27 The book is a poetry of me, my family, my friends, my life, and whoever I may know of. It is about my connection to them and the world at large, and my wonderful connection and love for them, and for our Lord Jesus and God. And it is also about how I am in sync with everything and everybody, and how my everyday dealings and connections have me in a beautiful place of thought, and I just want to share with you, and the world, how good God has been in my life, and our right, though my poetry and writings. It is about how my faith in God has brought and taught me through the years. You will get what I hope is a good picture of me and my love for everyone. And we thank you for loving us too. I hope you will enjoy reading my book, and that it will enlighten you. May you have a wonderful life of love for you, us, and our Holy Father.

Family Poems Jennifer Curry,2015 This Family-themed anthology of poems is written by various authors. The anthologies in this series are updated and revised versions of previously published titles, each with several brand-new poems in them. There's an anthology for every place and topic. Make sure you've always got a verse rehearsed. Roaring dinosaur rhymes, silly school rhymes, even some revolting rhymes to get you groaning. You can rap or rhyme them, mime them out, or tackle fiendish tongue twisters. Heaps of rib-tickling rhymes to send you poetry potty, and it all supports the school curriculum.
