**Lady Friends** Karen L. Ito, 2018-08-06 Many indigenous Hawaiians who have moved to the islands cities languish at the bottom of the socioeconomic scale and are thought to have lost their cultural roots Initially apolitical urban Hawaiians were often skeptical of activists who sought to revitalize traditional ways yet as Karen L Ito shows Hawaiian women in particular continue to maintain and express crucial aspects of their cultural heritage in their lifestyle and interactions with others Ito conducted intensive fieldwork with six Honolulu families all of which shared the distinguishing characteristics of Hawaii's matrifocal society In her close examination of the friendships and family relations among the women in these households she focuses on the significance of a traditional manner of speech known as talk story which they use when conversing together She describes how her subjects employ metaphoric language to address issues concerning responsibility retribution understandings of self and personhood and methods for conflict resolution For these lady friends Ito finds the emotional quality and quantity of their social relationships help define personal identity while their common concepts of morality bind them together By applying ethnopsychological strategies to the exploration of culture Ito demonstrates cultural continuity at a level where most observers would not expect to find it Lady Friends brings a new dimension to Hawaiian research

**Workplace Violence** Mittie D. Southerland, 1997 **Out of Control** Jaber F. Gubrium, 1992-03-30 In a unique comparative ethnography of two family therapy programs Gubrium deftly shows how differing organizational perceptions make visible the social construction of domestic disorder Contrasting images of home life one viewing domestic order as a system of authority the other as a configuration of emotional bonds serve to highlight different senses of the family as being out of control and to recommend alternate forms of intervention The idea that the reality of home life and domestic troubles are embedded in organizational activities and institutional images is an important commentary on the understanding of domestic life and the postmodern family Out of Control provides stimulating reading for professionals and students in clinical psychology family therapy family studies sociology and qualitative methods **Research Into Violent Behavior** United

States. Congress. House. Committee on Science and Technology. Subcommittee on Domestic and International Scientific Planning, Analysis, and Cooperation, 1978

**Intimate Violence against Women** Paula K. Lundberg-Love, Shelly Marmion, 2006-09-30 Every year at least 1.8 million women in the United States are beaten by their intimate partners. And that is only the number reported physically abused. It does not include those who remain silent or those for whom the abuse is psychological. In this concise work, a team of writers examines the emotional, physical, and sexual abuse of women, the risk factors for becoming a target, medical and psychological consequences, legal issues, and effective treatments for recovery. The book dispels myths about intimate violence, including the notion that one can identify a potential perpetrator. The most current research, theory, and advocacy on this topic are presented so the reader will have the knowledge to help herself or others who are being abused. Every year at least 1.8 million women in the United States are beaten by their intimate partners. And that is only the number reported physically abused. It does not include those who remain silent or those for whom the abuse is psychological. In this concise work, a team of writers examines the emotional, physical, and sexual abuse of women. They explain the risk factors for becoming a target of intimate abuse, including the effects of class and culture on this type of violence. They look at the potential legal issues and explore effective treatments for recovery. Equally important, they dispel many myths about intimate violence, including the notion that one can identify a potential perpetrator. Most crucially, *Intimate Violence against Women* offers current research, theory, and advocacy on this topic, arming the reader with the knowledge to help herself or others who are being abused. The book presents specific safety recommendations for victims, as well as recommendations for teenagers regarding dating violence. Legal and advocacy resources are included as well.

*Preventing Crime and Violence* Brent Teasdale, Mindy S. Bradley, 2016-11-29 This insightful volume integrates criminological theories, prevention science, and empirical findings to create an up-to-date survey of crime prevention research and strategies. Its interdisciplinary perspective expands on our knowledge of risk factors to isolate the malleable mechanisms that produce criminal outcomes and can therefore be targeted for intervention. In addition, the text identifies developmental lifespan and social areas for effective intervention. Reviews of family, community, and criminal justice-based crime prevention approaches not only detail a wide gamut of successful techniques but also provide evidence for why they succeed. And as an extra research dimension, the book's chapters on methodological issues and challenges uncover rich possibilities for the next generation of crime prevention studies. Included in the coverage: Integrating criminology and prevention research; Social disorganization theory: its history and relevance to crime prevention; Research designs in crime and violence prevention; Macro and micro approaches to crime prevention and intervention programs; Implications of life course approaches for prevention science; Promising avenues for prevention, including confronting sexual victimization on college campuses; Spotlights on current progress and continuing evolution of the field. *Preventing Crime and Violence* will enhance the work of researchers, practitioners, academicians, and policymakers in public health, prevention science,

criminology and criminal justice as well as students interested in criminology and criminal justice
