God called them to be *As for Me and My House* Daryl J. Potts,2020-07-10 The verse Joshua 24 15 as for me and my house we will serve the Lord has been the desire and declaration of ministry couples for centuries Yet the heartache of many ministers and their spouses is the realization that even though they have ministered to many and have been instruments to strengthen people s spiritual lives the spiritual well being of their own immediate family is not always where they would like it to be Many sadly observe members of their own family who no longer attend church having turned away from the faith For many ministers and spouses both those presently in ministry and those starting out there is a great desire to find keys to prevent their family members from falling away from the faith The heart of every pastoral couple is to function in their ministry and at the same time see their family flourish In the light of the dearth of research regarding the ministry family journey this book investigates how ministers and their spouses perceive that their involvement in ministry affects their family lives It further reveals the components that contribute toward the spiritual well being of their family while fulfilling their unique ministry responsibilities *The Family-Powered Church* Pamela J. Beginning from Man and Woman Bernard K. Wong, 2017-04-30 Engaging with contemporary thought on love and the family Bernard Wong argues that our notion of love has been deeply influenced by modern technological culture and political ideologies leading to the detriment of familial relationships Dr Wong demonstrates how Christian doctrines can be used to critique and resist these ideologies Through a careful analysis of Christ's love expressed in his life death and resurrection the author presents a notion of Christ's love bearing the characteristics of fraternal incarnational and unfolding love These aspects of Christ's love are pertinent to the relationships between husbands and wives parents and children and families and their neighbours It is through practicing Christ's love that Christians strengthen their familial relationships and bear witness to

Christ in the world Family in Mission Johannes Reimer, 2020-06-30 Innumerable books have been written about successful outreach and evangelism yet almost none address the centrality of the family as God's intended vehicle for experiencing life, community and growth. In this timely and powerful book Johannes Reimer urges us to rediscover the family as a primary agent for mission in the world. Offering both a theological and practical foundation for understanding the role and significance of families in the vocation of the church, this book also provides creative ideas for implementing a family-centered praxis that offers preparation and support to families living out their calling to make Christ known. To ignore the family, Reimer warns, is to ignore the church's greatest resource for transmitting truth, communicating love and embodying the gospel. If we are to be effective in making disciples of all nations, we must start in our own homes. **Karl Barth's**

Theology of Relations, Volume 2 Gary Deddo, 2015-08-04 This work originally published as one volume in the Peter Lang series *Issues in Systematic Theology* is now available in two volumes. In the first volume Gary Deddo shows how Barth grasped the nature of relations as intrinsic to the being and act of the Triune God and to God's relations to us and our relationship to God in Christ. Deddo then completes his comprehensive survey showing how Barth saw the reality of the divine relationships analogically pertains by grace to humanity and its creaturely relationships. Barth's doctrine of God, Christology and theological anthropology are all intrinsically onto-relational to borrow a term coined by Thomas F. Torrance. In the second volume Deddo shows how Barth's relational theology is intrinsically ethical. As a case study Deddo explicates Barth's ethical teaching on the relationship between parents and children found in section 54 of his chapter on Freedom in Fellowship in CD III/4. He further demonstrates the relevance and fruitfulness of Barth's theology of relations for critically engaging other theological and non-theological views of the family and for shedding ethical light on a wide range of contemporary issues facing families especially in the North American context. Karl Barth is known for his insight into the inseparability of act and being in God. What is less recognized is that Barth's theological understanding of dynamic covenantal relationship is also essential to his doctrine of the Triune God, his Christology and theological anthropology. God is revealed in Jesus Christ to be one in act, being and relation. Humanity is revealed in Jesus Christ to be essentially a unity of act, being and relation. The failure to see the ethical implications of Barth's theology can be traced in large part to the failure to grasp how Barth's understanding of God's being and act is also essentially relational. Deddo's work corrects this oversight and opens up the door to better comprehension of Barth's trinitarian doctrine of God, his Christology, anthropology and ethics.

The New Covenant as a Paradigm for Optimal Relations Pablo Polischuk, 2016-10-07 The New Covenant as a Paradigm for Optimal Relations regards the New Covenant primarily as a gracious and merciful redemptive deal springing from God's unilateral unconditional and proactive initiative. The New Covenant is adopted as representing both a salvific and an exemplary paradigm that displays God's gracious and merciful ways toward his children. Ten discrete yet interwoven principles are extracted from, interpreted and abstracted from Scriptures pertaining to the promised New Covenant. These

principles apply to those who as dearly beloved children are invited to imitate God's loving ways. God's manner of love defines the foundational basis from which the author derives and elaborates the propositions that guide the considerations pertaining to thoughts, feelings, motivations, and behaviors that enter into play in relational transactions. In terms of style, an architectural design permeates the content of this book, offering and encompassing a metacognitive view of God's covenantal ways, a top-down perspective that applies to bottom-up endeavors of relational nature. The challenges posed by our cultural postmodern trends, devoid of absolute principles and lacking a moral compass, are countered and addressed by the author in insightful fashion, offering theologically based guidelines integrated to sound psychological principles applicable to psychotherapeutic and counseling endeavors as well as to pastoral care.

The Layperson's Library Robert A. Yost, 2020-12-30. In the spirit of Cyril Barber's classic work from the 1970s, *The Minister's Library*, and the author's 2017 book *The Pastor's Library*, Robert Yost provides the same expert guidance now for a lay audience. Finally, laypersons who desire to study the Bible have an invaluable resource for the acquisition of research tools as well as general Christian reading. From general reference works such as Bible atlases and concordances, commentaries, devotional works, and theological studies to Christian biography and fiction, this book is a trustworthy guide through the multiplicity of books that just seem to keep rolling off the presses. Overwhelmed by the proliferation of Christian books on the shelves, this handy guide is the book for you.

[Keep It Real](#) Prof. Anne E. Streaty Wimberly, 2010-12-01. Offers the village of hope as a framework where pastors and leaders offer the church as a place of support, guidance, and accountability for youth, parents, and other adults who are raising today's black youth. The first edition of *Working with Black Youth*, edited by Charles R. Foster and Grant S. Shockley, was published in 1989. Since that time, the challenges for black youth have only intensified and grown in complexity. A burning question of Black churches continues to be: How can we effectively minister to our youth? Their world is fast-paced, media-centered, techno-savvy, hip-hop violent, and plagued with HIV/AIDS. The Church wants to guide youth toward a Christian identity with values for wise decision-making. Youth want their questions heard. They want to see hope modeled. They need leadership opportunities. While there are no quick, easy, or singular approaches to working with black youth, there can be a framework to offer vital and relevant youth ministry. This book proposes a comprehensive framework that has evolved over ten years of annual youth and family convocations of the Interdenominational Theological Center, as well as youth and family forums and activities related to the

Youth Hope Builders Academy of ITC The framework builds on the image of the congregation as a village of hope where pastors and leaders get real to offer the church as a place of support guidance and accountability for youth parents and other adults who are raising today s black youth Contributors Daniel O Black Philip Dunston Maisha I Handy Michael T McQueen Tapiwa Mucherera Elizabeth J Walker Herbert R Marbury Annette R Marbury and Anne E Streaty Wimberly
