Family And The Nation Gender And Citizenship In Revolutionary Franc

David Andress

Family And The Nation Gender And Citizenship In Revolutionary France:

The Family and the Nation Jennifer Ngaiire Heuer, 2005 The French Revolution transformed the nation's and eventually the world's thinking about citizenship, nationality and gender roles. At the same time it created fundamental contradictions between citizenship and family as women acquired new rights and duties but remained dependents within the household. In *The Family and the Nation* Jennifer Ngaiire Heuer examines the meaning of citizenship during and after the revolution and the relationship between citizenship and gender as these ideas and practices were reworked in the late 1790s and early nineteenth century. Heuer argues that tensions between family and nation shaped men's and women's legal and social identities from the Revolution and Terror through the Restoration. She shows the critical importance of relating nationality to political citizenship and of examining the application not just the creation of new categories of membership in the nation. Heuer draws on diverse historical sources from political treatises to police records, immigration reports to court cases to demonstrate the extent of revolutionary concern over national citizenship. This book casts into relief France's evolving attitudes toward patriotism, immigration and emigration and the frequently opposing demands of family ties and citizenship.

The Family and the Nation Jennifer Ngaiire Heuer, 2018-09-05 The French Revolution transformed the nation's and eventually the world's thinking about citizenship, nationality and gender roles. At the same time it created fundamental contradictions between citizenship and family as women acquired new rights and duties but remained dependents within the household. In *The Family and the Nation* Jennifer Ngaiire Heuer examines the meaning of citizenship during and after the revolution and the relationship between citizenship and gender as these ideas and practices were reworked in the late 1790s and early nineteenth century. Heuer argues that tensions between family and nation shaped men's and women's legal and social identities from the Revolution and Terror through the Restoration. She shows the critical importance of relating nationality to political citizenship and of examining the application not just the creation of new categories of membership in the nation. Heuer draws on diverse historical sources from political treatises to police records, immigration reports to court cases to demonstrate the extent of revolutionary concern over national citizenship. This book casts into relief France's evolving attitudes toward patriotism, immigration and emigration and the frequently opposing demands of family ties and citizenship.

Gender and Citizenship in Historical and Transnational Perspective Anne Epstein, Rachel Fuchs, 2017-09-16 With gender as its central focus, this book offers a transnational, multi-faceted understanding of citizenship as legislated, imagined and exercised since the late eighteenth century. Framed around three crosscutting themes: agency, space and borders, leading scholars demonstrate what historians can bring to the study of citizenship and its evolving relationship with the theory and practice of democracy and how we can make the concept of citizenship operational for studying past societies and cultures. The essays examine the past interactions of women and men with public authorities, their participation in civic life within various kinds of polities and the meanings they attached to their actions. In analyzing the way

gender operated both to promote and to inhibit civic consciousness action and practice this book advances our knowledge about the history of citizenship and the evolution of the modern state

The Oxford Handbook of the French

Revolution David Andress, 2015-01-22 The Oxford Handbook of the French Revolution brings together a sweeping range of expert and innovative contributions to offer engaging and thought provoking insights into the history and historiography of this epochal event Each chapter presents the foremost summations of academic thinking on key topics along with stimulating and provocative interpretations and suggestions for future research directions Placing core dimensions of the history of the French Revolution in their transnational and global contexts the contributors demonstrate that revolutionary times demand close analysis of sometimes tiny groups of key political actors whether the king and his ministers or the besieged leaders of the Jacobin republic and attention to the deeply local politics of both rural and urban populations Identities of class gender and ethnicity are interrogated but so too are conceptions and practices linked to citizenship community order security and freedom each in their way just as central to revolutionary experiences and equally amenable to critical analysis and reflection This Handbook covers the structural and political contexts that build up to give new views on the classic question of the origins of revolution the different dimensions of personal and social experience that illuminate the political moment of 1789 itself the goals and dilemmas of the period of constitutional monarchy the processes of destabilisation and ongoing conflict that ended that experiment the key issues surrounding the emergence and experience of terror and the short and long term legacies for both good and ill of the revolutionary trauma for France and for global politics

The French Revolution in Global Perspective Suzanne Desan, Lynn Hunt, William Max Nelson, 2013-04-15 The French Revolution in Global Perspective illuminates the dense connections among the cultural social and economic aspects of the French Revolution revealing how new political forms at once democratic and imperial anticolonial and centralizing were generated in and through continual transnational exchanges and dialogues Believe i Situating the French Revolution in the context of early modern globalization for the first time this book offers a new approach to understanding its international origins and worldwide effects A distinguished group of contributors shows that the political culture of the Revolution emerged out of a long history of global commerce imperial competition and the movement of people and ideas in places as far flung as India Egypt Guiana and the Caribbean This international approach helps to explain how the Revolution fused immense idealism with territorial ambition and combined the drive for human rights with various forms of exclusion The essays examine topics including the role of smuggling and free trade in the origins of the French Revolution the entwined nature of feminism and abolitionism and the influence of the French revolutionary wars on the shape of American empire

Forging Napoleon's Grande Armée Michael J Hughes, 2023-11-21 A fascinating study exploring the motivation of French soldiers during the Napoleonic Era and the process through which they became Napoleon's men Frederick C Schneid author of Napoleon's Conquest of Europe The men who fought in Napoleon's Grande Armée built a new empire that changed the world Remarkably the same men raised arms

during the French Revolution for liberty and fraternity. In just over a decade these freedom fighters who had once struggled to overthrow tyrants rallied to the side of a man who wanted to dominate Europe. What was behind this drastic change of heart? In this ground-breaking study Michael J. Hughes shows how Napoleonic military culture shaped the motivation of Napoleon's soldiers. Relying on extensive archival research and blending cultural and military history, Hughes demonstrates that the Napoleonic regime incorporated elements from both the Old Regime and French Revolutionary military culture to craft a new military culture characterized by loyalty to both Napoleon and the preservation of French hegemony in Europe. Underscoring this new hybrid military culture were five sources of motivation: honor, patriotism, a martial and virile masculinity, devotion to Napoleon, and coercion. Forging Napoleon's Grande Armée vividly illustrates how this many-pronged culture gave Napoleon's soldiers reasons to fight. Hughes offers a tight and well-grounded exposition and analysis of French military culture in the Napoleonic period in which military honour is presented as a dynamic element. *Journal of European Studies*. Hughes's book not only contributes to our understanding of the military success of Napoleon's army but also elegantly employs cultural history methods to better understand army operations and sustained troop motivations. Julia Osman, *History Reviews of New Books*.

Global Gender Constitutionalism and Women's Citizenship
Ruth Rubio-Marin, 2022-10-06. Constitutions around the world have overwhelmingly been the creation of men, but this book asks how far constitutions have affirmed the equal citizenship status of women or failed to do so. Using a wealth of examples from around the world, Ruth Rubio-Marin considers constitutionalism from its inception to the present day and places current debates in their vital historical context. Rubio-Marin adopts an inclusive concept of gender and sexuality and discusses the constitutional gender order as it has been shaped by debates such as those around same-sex marriage and the rights of trans persons. Covering a wide range of themes from reproductive rights to political gender quotas and violence against women, this book offers a comprehensive feminist account of constitutional law. Truly international in scope and ambitious in subject matter, this is an invaluable resource for students and scholars working on gender within multiple disciplines. **The Oxford Handbook of Gender, War, and the Western World since 1600** Karen Hagemann, Stefan Dudink, Sonya O.

Rose, 2020-10-30. To date, the history of military and war has focused predominantly on men as historical agents, disregarding gender and its complex interrelationships with war and the military. *The Oxford Handbook of Gender, War, and the Western World since 1600* investigates how conceptions of gender have contributed to the shaping of war and the military and were transformed by them. Covering the major periods in warfare since the seventeenth century, the Handbook focuses on Europe and the long-term processes of colonization and empire building in the Americas, Asia, Africa, and Australia. Thirty-two essays written by leading international scholars explore the cultural representations of war and the military, war mobilization, and war experiences at home and on the battle front. Essays address the gendered aftermath and memories of war as well as gendered war violence. Essays also examine movements to regulate and prevent warfare, the consequences of participation in

the military for citizenship and challenges to ideals of Western military masculinity posed by female gay and lesbian soldiers and colonial soldiers of color The Oxford Handbook of Gender War and the Western World since 1600 offers an authoritative account of the intricate relationships between gender warfare and military culture across time and space *Revolutionary Europe* Gavin Murray-Miller,2020-02-06 CHOICE Outstanding Academic Title 2021 Revolutionary Europe is an original examination of radical political movements during Europe's long 19th century It employs both national and transnational contexts incorporating new debates in Atlantic history empire studies and cultural history to give a comprehensive narrative of the period from 1775 to 1922 Rather than assessing revolution as a purely theoretical socially driven force or a structural phenomenon the book presents revolution as a process of community building and cultural identification born from instances of acute social and political crisis Taking into account various moments of political upheaval during the 19th century including the French Russian and 1848 revolutions it explores the ways in which political actors attempted to construct new definitions of sovereignty and social unity in a period characterized by vast social economic and governmental change In a wide ranging text that covers Britain and much of continental Europe in detail as well as reaching out to the Americas and Atlantic and Mediterranean Worlds Gavin Murray Miller provides an authoritative transnational study of revolution in the 19th century age of high nationalism **The French Revolution** Laura Mason,Tracey Rizzo,2023-01-20 This new edition of Mason and Rizzo's anthology is a welcome addition to the study of the revolutionary and Napoleonic French Atlantic It includes a wealth of documents related to life in metropolitan and colonial France from the middle of the eighteenth century through the Napoleonic Consulate as well as concise section overviews that detail experiences on the continent and in Saint Domingue France's wealthiest Caribbean colony during this tumultuous era These features along with images maps and a detailed timeline provide an invaluable resource for scholars and students alike Rebecca Hartkopf Schloss Texas A M University **Families in War and Peace** Sarah C. Chambers,2015-05-29 In Families in War and Peace Sarah C Chambers places gender analysis and family politics at the center of Chile's struggle for independence and its subsequent state building Linking the experiences of both prominent and more humble families to Chile's political and legal history Chambers argues that matters such as marriage custody bloodlines and inheritance were crucial to Chile's transition from colony to nation She shows how men and women extended their familial roles to mobilize kin networks for political ends both during and after the Chilean revolution From the conflict's end in 1823 until the 1850s the state adopted the rhetoric of paternal responsibility along with patriarchal authority which became central to the state building process Chilean authorities Chambers argues garnered legitimacy by enacting or enforcing paternalist laws on property restitution military pensions and family maintenance allowances all of which provided for diverse groups of Chileans By acting as the fathers of the nation they aimed to reconcile the greater Chilean family and form a stable government and society **Human Rights, the Family, and Internationalism Since the Nineteenth Century** Julia Moses,2025-07-17 This book examines one of the key issues

shaping global considerations of human rights today the idea of the family as a protected category Bringing together historians political scientists legal scholars and historical sociologists the book investigates how ideas about the family and sexuality intersected with thinking about human rights for example through new international law and international institutions social movements targeting issues related to religion gender and sexuality historical developments such as war and the collapse of empires and developments in the social sciences It features case studies on regions around the globe as well as on relevant international organisations and individuals who have been influential in this area In doing so the contributors to this collection interrogate the relationship between human rights related to the family and broader debates about rights related to gender and sexuality *Citizenship, Alienage, and the Modern Constitutional State* Helen

Irving, 2016-04 This book tells the long neglected story of women's marital denaturalization in the nineteenth and twentieth centuries **Writing the Revolution** Lindsay A. H. Parker, 2013-07-04 Writing the Revolution challenges the thesis that

exclusion defined women's experiences of the French Revolution by exploring the life of a middle class wife and mother of revolutionary elites Rosalie Jullien **Gender, Sex and the Shaping of Modern Europe** Annette F. Timm, Joshua A. Sanborn, 2016-03-10 Through a blend of history and historiography Gender Sex and the Shaping of Modern Europe provides a clear and concise introduction to gender history in the region The detailed examples and engaging language make this a useful overview for students not only of gender history but also of European history more widely as considerations of gender illuminate our understanding of historical change and individual experience In six thematic chapters that cover democracy and capitalism imperialism and war the authors explain how gender roles were socially constructed and how they influenced political and economic developments during the period This new edition has been thoroughly re edited and expanded to take account of ongoing methodological innovation and recent scholarship in the field The book also includes a brand new chapter on sexuality in the 21st century and extended material on Scandinavia The Mediterranean Alternative Sexualities Women's history and femininity Gender Sex and the Shaping of Modern Europe is a key text for all students of gender history and the history of modern Europe in general **Sexing the Citizen** Judith Surkis, 2018-07-05 How did marriage come to be seen as

the foundation and guarantee of social stability in Third Republic France In Sexing the Citizen Judith Surkis shows how masculine sexuality became central to the making of a republican social order Marriage Surkis argues affirmed the citizen's masculinity while also containing and controlling his desires This ideal offered a specific response to the problems individualism democratization and rapid technological and social change associated with France's modernity This rich wide ranging cultural and intellectual history provides important new insights into how concerns about sexuality shaped the Third Republic's pedagogical projects Educators political reformers novelists academics and medical professionals enshrined marriage as the key to eliminating the risks of social and sexual deviance posed by men especially adolescents bachelors bureaucrats soldiers and colonial subjects Debates on education reform and venereal disease reveal how seriously the social

policies of the Third Republic took the need to control the unstable aspects of male sexuality Surkis's compelling analyses of republican moral philosophy and Emile Durkheim's sociology illustrate the cultural weight of these concerns and provide an original account of modern French thinking about society More broadly *Sexing the Citizen* illuminates how sexual norms continue to shape the meaning of citizenship Women Who Changed the World Candice Goucher, 2022-01-24 This indispensable reference work provides readers with the tools to reimagine world history through the lens of women's lived experiences Learning how women changed the world will change the ways the world looks at the past *Women Who Changed the World: Their Lives, Challenges, and Accomplishments through History* features 200 biographies of notable women and offers readers an opportunity to explore the global past from a gendered perspective The women featured in this four volume set cover the full sweep of history from our ancestral forbearer Lucy to today's tennis phenoms Venus and Serena Williams Every walk of life is represented in these pages from powerful monarchs and politicians to talented artists and writers from inquisitive scientists to outspoken activists Each biography follows a standardized format recounting the woman's life and accomplishments discussing the challenges she faced within her particular time and place in history and exploring the lasting legacy she left A chronological listing of biographies makes it easy for readers to zero in on particular time periods while a further reading list at the end of each essay serves as a gateway to further exploration and study High interest sidebars accompany many of the biographies offering more nuanced glimpses into the lives of these fascinating women

Revolutionary Europe 1780-1850 Jonathan Sperber, 2017-04-21 Jonathan Sperber's *Revolutionary Europe 1780-1850* is a history of Europe in the age of the French Revolution from the end of the old regime to the outcome of the revolutions of 1848 Fully revised and updated this second edition provides a continent wide history of the key political events and social transformation that took place within this turbulent period extending as far as their effects within the European colonial society of the Caribbean Key features include analyses of the movement from society's old regime of orders to a civil society of property owners the varied consequences of rapid population increase and the spread of market relations in the economy and the upshot of these changes for political life from violent revolutions and warfare to dramatic reforms and peaceful mass movements a lively account of the events of the period and a thorough analysis of the political cultural and socioeconomic transformations that shaped them a look into the lives of ordinary people amidst the social and economic developments of the time a range of maps depicting the developments in Europe's geographic scope between 1789 and 1848 including for the 1820 1830 and 1848 revolutions *Revolutionary Europe 1780-1850* is the perfect introduction for students of the history of the French Revolution and the history of Europe more broadly **Women and Achievement in Nineteenth-Century Europe** Linda L. Clark, 2008-04-17 A history of European women's professional activities and organizational roles between 1789 and 1914 *What is Gender History?* Sonya O. Rose, 2013-04-22 This book provides a short and accessible introduction to the field of gender history one that has vastly expanded in scope and substance since the mid 1970s Paying close attention to

both classic texts in the field and the latest literature the author examines the origins and development of the field and elucidates current debates and controversies She highlights the significance of race class and ethnicity for how gender affects society culture and politics as well as delving into histories of masculinity The author discusses in a clear and straightforward manner the various methods and approaches used by gender historians Consideration is given to how the study of gender illuminates the histories of revolution war and nationalism industrialization and labor relations politics and citizenship colonialism and imperialism using as examples research dealing with the histories of a number of areas across the globe Written by one of the leading scholars in this vibrant field What is Gender History will be the ideal introduction for students of all levels

Family And The Nation Gender And Citizenship In Revolutionary Franc Introduction

In today's digital age, the availability of Family And The Nation Gender And Citizenship In Revolutionary Franc books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Family And The Nation Gender And Citizenship In Revolutionary Franc books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Family And The Nation Gender And Citizenship In Revolutionary Franc books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Family And The Nation Gender And Citizenship In Revolutionary Franc versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Family And The Nation Gender And Citizenship In Revolutionary Franc books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Family And The Nation Gender And Citizenship In Revolutionary Franc books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded.

Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Family And The Nation Gender And Citizenship In Revolutionary Franc books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Family And The Nation Gender And Citizenship In Revolutionary Franc books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Family And The Nation Gender And Citizenship In Revolutionary Franc books and manuals for download and embark on your journey of knowledge?

FAQs About Family And The Nation Gender And Citizenship In Revolutionary Franc Books

1. Where can I buy Family And The Nation Gender And Citizenship In Revolutionary Franc books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
