

INFORMAL SOCIAL CONTROL

DEFINITION

"Informal social control is the sanctioning of an individual by a peer...or a group member, someone with the same or with a different social status...whose specific social role or social function is not to sanction the transgression of social norms" (Chekroun, 2008, p. 214).

EXAMPLES

- **Shaming:** Shaming is an informal type of social control which is often applied by someone's peers, social group or society to discourage their behaviors or attitudes that are seen as socially unacceptable.
- **Praising:** Praise is an informal social control strategy which often takes place in interpersonal contexts to encourage the continuity of a behavior or a trend.

Family Life And Social Control

John J. Rodger

Family Life And Social Control:

Family Life and Social Control John J. Rodger, 1996-05-01 State intervention in family life is an important and problematic political and social issue and one which is surrounded by debates of a highly ideological nature The central theme of this valuable book is that of family life as an object of both social policy interest and welfare intervention The author applies a sociological perspective on social control to a range of issues exciting public and political debate amongst them marriage conciliation community care lone parenthood and underclass status and child abuse

Social Control and Self-Control Theories of Crime and Deviance L. Edward Wells, 2017-07-05 Control theories have dominated criminological theory and research since the 1969 publication of Hirschi's seminal work on the social bond Social control and self control theorists are unique in suggesting that patterns in criminal behaviors are better explained by variations in social constraints rather than by individual motivational impulses thus indicating that their main concerns are the explication and clarification of the techniques processes and institutions of informal social control The four major sections of this volume focus on the similarities and differences among the major contributors to the early developmental stage of social control theory the central importance of parents peers and schools in the creation of informal control mechanisms and their link to crime and delinquency the theoretical underpinnings of self control theory including empirical tests and criticisms and theoretical integrations of social control and self control theories with various motivational theories of crime and delinquency

Juvenile Delinquency: An Integrated Approach James Burfeind, Dawn Jeglum Bartusch, 2010-02-26 Juvenile Delinquency An Integrated Approach Second Edition offers a comprehensive introduction to juvenile delinquency Now in a more concise and accessible format this text cultivates an understanding of juvenile delinquency by examining and linking key sociological and criminological theories and research Biological and psychological approaches to delinquency are covered as well as responses to delinquent behavior including prevention early intervention and contemporary juvenile justice

Juvenile Delinquency James Burfeind, Dawn Jeglum Bartusch, 2015-12-14 This book offers a comprehensive introduction to juvenile delinquency by defining and describing juvenile delinquency examining explanations for delinquent behavior and considering contemporary efforts to control delinquency through prevention and juvenile justice The text cultivates an understanding of juvenile delinquency by examining and linking key criminological theories and research Coverage includes the historical origins and transformation of juvenile delinquency and juvenile justice the nature of delinquency addressing the extent of delinquent offenses the social correlates of offending and victimization age gender race and ethnicity and social class and the developmental patterns of offending theoretical explanations of delinquency with insights from biosocial criminology routine activities rational choice social control social learning social structure labeling and critical criminologies evidence based practice in delinquency prevention and contemporary juvenile justice Fully revised and updated the new edition incorporates the latest theory and research in the field of juvenile delinquency and provides expanded discussion of contemporary juvenile

justice reform evidence based practice in delinquency prevention and disproportionate minority contact throughout the juvenile justice process This book is essential reading for courses on juvenile delinquency and juvenile justice The book is supported by a range of compelling pedagogical features Each chapter includes key terms learning objectives an opening case study box inserts that provide practical application of theory and research critical thinking questions suggested reading useful websites and a glossary of key terms A companion website offers an array of resources for students and instructors For students this website provides chapter overviews flashcards of key terms and useful websites The instructor site is password protected and offers a complete set of PowerPoint slides and an extensive test bank for each chapter all prepared by the authors

Handbook of Religion and Social Institutions Helen Rose Ebaugh, 2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions

Criminal Justice George S. Bridges, Joseph G. Weis, Robert D. Crutchfield, 1996-02-22 This is a solid representation of criminological articles that are important to the discipline The important material from each article has been retained yet an undergraduate won't be overwhelmed The articles are germane and flow together a certain consistency in thought is presented to the student as opposed to interesting but often semi related articles This book is accessible and in several areas very enjoyable reading

A L Marsteller Drury College Also by the Editors Crime Vol 1 and Juvenile Delinquency Vol 2 Why are these edited collections THE anthologies to use for teaching Criminal Justice Criminology or Juvenile Delinquency All volumes present the field accurately and completely to students and in a way that is understandable to undergraduates and therefore teachable All include rich collections of classic and contemporary articles all of which have been carefully edited so that students can master the material All volumes contain essays written by the Editors which provide the coherence and structure to the collections that undergraduate students need Questions for Discussion and Writing and well prepared indexes help to make these anthologies even more teachable All are edited by scholars who have the credentials and the undergraduate teaching experience to make this three volume set a particularly rich resource

Women, the State, and Welfare Linda Gordon, 2012-11 A collection of essays about women and welfare in America this book discusses how welfare programmes affect women and how gender relations have influenced the structure of such programmes Issues such as race and class are also discussed

the United States National Industrial Conference Board,1923 Announcements for ... University of Pittsburgh. Graduate School,1927 **Gender** Linda L. Lindsey,2020-12-17 A landmark publication in the social sciences Linda Lindsey s Gender is the most comprehensive textbook to explore gender sociologically as a critical and fundamental dimension of a person s identity interactions development and role and status in society Ranging in scope from the everyday lived experiences of individuals to the complex patterns and structures of gender that are produced by institutions in our global society the book reveals how understandings of gender vary across time and place and shift along the intersecting lines of race ethnicity culture sexuality class and religion Arriving at a time of enormous social change the new seventh edition extends its rigorous theoretical approach to reflect on recent events and issues with insights that challenge conventional thought about the gender binary and the stereotypes that result Recent and emerging topics that are investigated include the MeToo and LGBTQ rights movements political misogyny in the Trump era norms of masculinity marriage and family formation resurgent feminist activism and praxis the gendered workplace and profound consequences of neoliberal globalization Enriching its sociological approach with interdisciplinary insight from feminist biological psychological historical and anthropological perspectives the new edition of Gender provides a balanced and broad approach with readable dynamic content that furthers student understanding both of the importance of gender and how it shapes individual trajectories and social processes in the U S and across the globe Families, History And Social Change Tamara K Hareven,Barbara Trepagnier,2018-03-05 One of the prevailing myths about the American family is that there once existed a harmonious family with three generations living together and that this ideal family broke down under the impact of urbanization and industrialization The essays in this volume challenge this myth and provide dramatic revisions of simplistic notions about change in the American family Based on detailed research in a variety of sources including extensive oral history interviews of ordinary people these essays examine major changes in family life dispel myths about the past and offer new directions in research and interpretation The essays cover a wide spectrum of issues and topics ranging from the organization of the family and household to the networks available to children as they grow up to the role of the family in the process of industrialization to the division of labor in the family along gender lines and to the relations between the generations in the later years of life While discussing family relations in the past and revising prevailing notions of social change these interdisciplinary essays also provide important perspectives on the present **Encyclopedia of Canadian Social Work** Francis J. Turner,2009-07-23 All of us as Canadians are touched throughout our lives by some aspect of social welfare either as recipients donors or taxpayers But despite the importance of the social network in our country there has been no single source of information about this critical component of our society Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure The Encyclopedia of Canadian Social Work fills this need Over five hundred topics important to Canadian social work are covered written by a highly diverse group of social

workers covering all aspects of the field and all areas of the country Practitioners policy makers academics social advocates researchers students and administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada The principal finding from this project underscores the long held perception that there is a Canadian model of social work that is unique and stands as a useful model to other countries The Encyclopedia of Canadian Social Work will be an important source of information both to Canadians and to interested groups around the world The Encyclopedia of Canadian Social Work is available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary

Biological-Psychosocial Interactions in Early Adolescence Richard M. Lerner, Terryl T. Foch, 2021-11-14 First published in 1987 Biological Psychosocial Interactions in Early Adolescence explores the mutually influential relations between biological and psychosocial variables as the basis for development in the early portions of the adolescent period and in fact across the entire life span The volume introduces key conceptual and methodological issues that are raised by the study of biological psychosocial interrelations It provides key foundations for the research conducted in major laboratories in USA back in 1980s It also provides the results from these laboratories and their progress at that time This book will be an essential read for scholars and researchers of psychology behavioural science and sociology

The Encyclopedia Americana, 1927

Urban Sociology Rajendra Kumar Sharma, 1997 The Book Covers Syllabi Of Various Universities In Urban Sociology With Analytical Method Of Presentation And Holistic Outlook Coupled With A Language Free From Technical Jargon Along With Statistical Data From Indian Urban Scene The Book Seeks To Serve The Needs Of Students As An Ideal Textbook And A Reference Book For Teachers Planners Politicians Researchers And Social Workers

Gender Violence Laura L. O'Toole, Jessica R. Schiffman, Margie L. Kiter Edwards, 2007-08 The approach of the year 2000 has made the study of apocalyptic movements trendy But groups anticipating the end of the world will continue to predict Armageddon even after the calendar clicks to triple 0s A Doomsday Reader brings together pronouncements edicts and scriptures written by prominent apocalyptic movements from a wide range of traditions and ideologies to offer an exceptional look into their belief systems Focused on attaining paradise millenarianism often anticipates great cosmic change While most think of religious belief as motivating such fervor Daniels comparative approach encompasses secular movements such as environmentalism and the Montana Freeman and argues that such groups are often more political than religious in nature The book includes documents from groups such as the Branch Davidians the Order of the Solar Temple Heaven s Gate and white supremacists Each document is preceded by a substantive introduction placing the movement and its beliefs in context This important overview of contemporary politics of the End will remain a valuable resource long after the year 2000 has come and gone

Social Structure and Personality Development Klaus Hurrelmann, 1988-08-26 Klaus Hurrelmann analyses the concepts of human development underlying the different sociological and psychological theories of personality development
