

THE FAMILY

Moskat

A NOVEL BY

Isaac Bashevis Singer

Family Moskat

**Stiliana Milkova Rousseva, Saskia
Elizabeth Ziolkowski**

Family Moskat:

The Family Moskat Isaac Bashevis Singer, 1988 The Family Moskat Isaac Bashevis Singer, 1950 **The Family Moskat** Singer, M.V., Isaac Bashevis Singer, 1975-01-01 **Beyond Sarah and Sam** Linda Rosenkrantz, Pamela Redmond Satran, 1992-01-15 By breaking down names into clever funny but especially accurate categories it tells us among other things what we're aiming for when we choose a name for our kid **The Family Moskat, by Isaac Bashevis Singer** Isaac Bashevis Singer, 1950 *The Facts on File Companion to the World Novel* Michael Sollars, Arbolina Llamas Jennings, 2008

Recovering the Canon David Neal Miller, Isaac Bashevis Singer, 1986 **Isaac Bashevis Singer: His Work and his World** Hugh Denman, 2021-12-28 A quarter of a century after Isaac Bashevis Singer was awarded the Nobel Prize for Literature it is time to take stock of his achievement Penetrating studies of his fictional and autobiographical works by leading scholars in the field reveal that for all the acclaim he has received on the basis of the English versions of his works no adequate evaluation of Bashevis's significance can be made without careful examination of the original Yiddish texts Critical readings assess inter alia his themes and motifs the impact of Kabbalah on his work reflections of society in his original Polish homeland as well as his place within the context of contemporary Jewish American letters and the canon of modern Yiddish and Hebrew writing *Encyclopedia of Jewish-American Literature* Gloria L. Cronin, Alan L. Berger, 2015-04-22 Presents a reference on Jewish American literature providing profiles of Jewish American writers and their works *The Brothers Ashkenazi* I.J. Singer, 2010-10-19 In the Polish city of Lodz the brothers Ashkenazi grew up very differently in talent and in temperament Max the firstborn is fiercely intelligent and conniving determined to succeed financially by any means necessary Slower witted Jacob is strong handsome and charming but without great purpose in life While Max is driven by ambition and greed to be more successful than his brother Jacob is drawn to easy living and decadence As waves of industrialism and capitalism flood the city the brothers and their families are torn apart by the clashing impulses of old piety and new skepticism traditional ways and burgeoning appetites and the hatred that grows between faiths citizens and classes Despite all attempts to control their destinies the brothers are caught up by forces of history love and fate which shape and ultimately break them First published in 1936 *The Brothers Ashkenazi* quickly became a best seller as a sprawling family saga Breaking away from the introspective shtetl tales of classic nineteenth century writers I J Singer brought to Yiddish literature the multilayered plots large casts of characters and narrative sweep of the traditional European novel Walking alongside such masters as Zola Flaubert and Tolstoy I J Singer's premodernist social novel stands as a masterpiece of storytelling **The Hidden Isaac Bashevis Singer** Seth L. Wolitz, 2013-12-06 Nobel Prize winning author Isaac Bashevis Singer stands virtually alone among prominent writers for being more widely known through translations of his work than through the original texts Yet readers and critics of the Yiddish originals have long pointed out that the English versions are generally shortened often shorn of much description and religious matter and their perspectives and denouements are

significantly altered. In short, they turn the Yiddish author into a Jewish American English writer detached from his Eastern European Jewish literary and cultural roots. By contrast, this collection of essays by leading Yiddish scholars seeks to recover the authentic voice and vision of the writer known to his Yiddish readers as Yitskhok Bashevis. The essays are grouped around four themes: The Yiddish language and the Yiddish cultural experience in Bashevis's writings; Thematic approaches to the study of Bashevis's literature; Bashevis's interface with other times and cultures; Interpretations of Bashevis's autobiographical writings. A special feature of this volume is the inclusion of Joseph Sherman's new faithful translation of a chapter from Bashevis's Yiddish underworld novel *Yarme and Keyle*. *The First Modern Jew* Daniel B. Schwartz, 2013-12-01

Pioneering biblical critic, theorist of democracy and legendary conflator of God and nature, Jewish philosopher Baruch Spinoza (1632-1677) was excommunicated by the Sephardic Jews of Amsterdam in 1656 for his horrible heresies and monstrous deeds. Yet over the past three centuries, Spinoza's rupture with traditional Jewish beliefs and practices has elevated him to a prominent place in genealogies of Jewish modernity. *The First Modern Jew* provides a riveting look at how Spinoza went from being one of Judaism's most notorious outcasts to one of its most celebrated, if still highly controversial, cultural icons and a powerful and protean symbol of the first modern secular Jew. Ranging from Amsterdam to Palestine and back again to Europe, the book chronicles Spinoza's posthumous odyssey from marginalized heretic to hero, the exemplar of a whole host of Jewish identities including cosmopolitan, nationalist, reformist and rejectionist. Daniel Schwartz shows that in fashioning Spinoza into the first modern Jew, generations of Jewish intellectuals, German liberals, East European maskilim, secular Zionists and Yiddishists have projected their own dilemmas of identity onto him, reshaping the Amsterdam thinker in their own image. The many afterlives of Spinoza are a kind of looking glass into the struggles of Jewish writers over where to draw the boundaries of Jewishness and whether a secular Jewish identity is indeed possible. Cumulatively, these afterlives offer a kaleidoscopic view of modern Jewish culture and a vivid history of an obsession with Spinoza that continues to this day.

Isaac Bashevis Singer Janet Hadda, 2003-03-24 Isaac Bashevis Singer brought the vibrant milieu of pre-Holocaust Polish Jewry to the English-speaking world through his subtle psychological insight, deep sympathy for the eccentricities of Jewish folk custom and unerring feel for the heroism of everyday life. His novels, including *The Family Moskat* and *Enemies: A Love Story*, and his short stories, such as *Yentl* and *Gimpel the Fool*, prove him a consummate storyteller and probably the greatest Yiddish writer of the twentieth century. Natalia Ginzburg's Global Legacies Stilian Milkova Rousseva, Saskia Elizabeth Ziolkowski, 2024-06-18 Offering comparative and interdisciplinary approaches to Natalia Ginzburg, this volume situates Ginzburg's works within major critical discourses to articulate innovative readings and mobilize further lines of inquiry. The first section, *World Literature and World Making*, uses translation practices, world literature and transnational studies to theorize the growing popularity of Ginzburg. The second section, *Female Bodies, Voices and Gazes*, draws on gender and queer studies, speech act theory, intersectional feminism and media studies to begin to address gaps in Ginzburg scholarship. The

last section Identity Topography and Forms approaches Ginzburg through the lenses of trauma studies topography novel and essay studies and Jewish identity Natalia Ginzburg's *Global Legacies* both makes available in English important Italian research and builds on significant international discourses In bridging Italian and Anglophone scholarship the volume engages students and scholars of Comparative and Italian literature world literature and women's writing as well as general readers of Ginzburg

Holocaust Literature: Lerner to Zychlinsky, index S. Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004

Jewish American Writing and World Literature Saul Noam Zaritt, 2020-10-13 *Jewish American Writing and World Literature* Maybe to Millions Maybe to Nobody studies Jewish American writers relationships with the idea of world literature Writers such as Sholem Asch Jacob Glatstein Isaac Bashevis Singer Anna Margolin Saul Bellow and Grace Paley all responded to a demand to write beyond local Jewish and American audiences and toward the world as a global market and as a transnational ideal Beyond fame and global circulation world literature holds up the promise of legibility in which a threatened origin becomes the site for redemptive literary creativity But this promise inevitably remains unfulfilled as writers struggle to balance potential universal achievements with untranslatable realities rendering impossible any complete arrival in the US and in the world The work examined in this study was deeply informed by an intimate connection to Yiddish a Jewish vernacular with its own global network and institutional ambitions *Jewish American Writing and World Literature* tracks the attempts and failures through translation to find a home for Jewish vernacularity in the institution of world literature The exploration of the translational uncertainty of Jewish American writing joins postcolonial critiques of US and world literature and challenges Eurocentric and Anglo American paradigms of literary study In bringing into conversation the fields of Yiddish studies American Studies and world literature theory *Jewish American Writing and World Literature* Maybe to Millions Maybe to Nobody proposes a new approach to the study of modern Jewish literatures and their implication within global empires of culture

Isaac Bashevis Singer Ben Siegel, 1991 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible to scholars students researchers and general readers Rich with historical and cultural value these works are published unaltered from the original University of Minnesota Press editions The books offered through Minnesota Archive Editions are produced in limited quantities according to customer demand and are available through select distribution partners

City Codes Hana Wirth-Nesher, 1996-01-26 *City Codes* is a study of the representation of the city in the modern novel that takes difference as its point of departure so that cities are read according

to the cultural and social position of the urbanite These urban narratives are analysed in the context of a cultural repertoire of city codes from the architectural features of window and street to the social and historical signs of the landmark and the passer by with the emphasis on the subject s construction of his or her place as shaped by history politics nationality gender class and race The study moves from boundaries inscribed onto the cityscape to distances experienced by the city dwellers its real and textual cities are Warsaw Jerusalem New York Chicago Paris London and Dublin The novels discussed are by Isaac Bashevis Singer Amos Oz Theodore Dreiser Ralph Ellison Henry James Henry Roth James Joyce and Virginia Woolf

The Routledge Encyclopedia of Jewish Writers of the Twentieth Century Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading

Handbook of Urban Studies Ronan Paddison, 2001 The Handbook of Urban Studies provides the first comprehensive up to date account of the urban condition relevant to a wide readership from academics to researchers and policymakers It provides a theoretically and empirically informed account embracing all the different disciplines contributing to urban studies Leading authors identify key issues and questions and future trends for further research and present their findings so that where appropriate they are relevant to the needs of policymakers Using the city as a unifying structure the Handbook provides an holistic appreciation of urban structure and change and of the theories by which we understand the structure development and changing character of cities
