Family Romance John Rickard, 2015-09-08 A Family Romance is the story of the family of Alfred Deakin Australia s first elected Prime Minister In this intriguing book John Rickard explores the complex web of relationships between Alfred his wife Pattie and his sister Catherine The Deakin family romance is permeated by the influence of spiritualism which in extraordinary circumstances brought Alfred and Pattie together and which was to haunt their marriage It is a tale which with its Gothic overtones has the character of a novel but which in its telling poses guestions about the nature of biography How can we bring to life the emotional world inhabited by such a family or must that territory be conceded to the novelist John Rickard beautifully evokes the life of a middle class Australian family at the turn of the century and gives us the untold story behind the public achievements of great man Clio's Lives Doug Munro, John G. Reid, 2017-10-09 Including contributions from leading scholars in the field from both Australia and North America this collection explores diverse approaches to writing the lives of historians and ways of assessing the importance of doing so Beginning with the writing of autobiographies by historians the volume then turns to biographical studies both of historians whose writings were in some sense nation defining and those who may be regarded as having had a major influence on defining the discipline of history The final section explores elements of collective biography linking these to the formation of historical networks A concluding essay by Barbara Caine offers a critical appraisal of the study of historians biographies and autobiographies to date and maps out likely new directions for future work Clio's Lives is a very good scholarly collection that advances the study of autobiography and biography within the writing of history itself taking theoretical questions in significant new directions The contributors are well known and highly respected in the history profession and write with an insight and intellectual energy that will ensure the book has considerable impact They examine cutting edge issues about the writing of history at the personal level through autobiography and biography in diverse and innovative ways Together the writers have provided reflective chapters that will be widely read for their impressive theoretical advances as well as being inspirational for new entrants to the disciplinary area Patricia Grimshaw University of Melbourne Clio's Lives brings together a most interesting and varied cast of contributors Its chapters contain sophisticated and well penned ruminations on the uses of biography and autobiography among historians These are clearly connected with the general themes of the volume This delightfully mixed bag makes very good reading and as well will serve as a substantial contribution to the study of the biography and autobiography Eric Richards Flinders University Australian Liberals and the Moral Middle Class Judith Brett, 2003-11-06 The Liberal Party of Australia was late to form in 1945 but the traditions and ideals upon which it is founded have been central to Australian politics since Federation This 2003 book by award winning author and leading Australian political scientist Judith Brett provides the very first complete history of the Australian liberal tradition and then of the Liberal Party from the second half of the twentieth century The book sparkles with insight particularly in its sustained analysis of the shifting relationships

between the experiences of the moral middle class and Australian liberals own self understandings It begins with Alfred Deakin facing the organised working class in parliament and ends with John Howard electorally triumphant but alienated from key sections of middle class opinion This book is destined to become the definitive account of Australian liberalism and Studies in Australian Political Rhetoric John Uhr, Ryan Walter, 2014-09-01 This edited of the Liberal Party of Australia collection includes eleven major case studies and one general review of rhetorical contest in Australian politics The volume showcases the variety of methods available for studying political speech including historical theoretical institutional and linguistic analyses and demonstrates the centrality of language use to democratic politics. The chapters reveal errors in rhetorical strategy the multiple and unstable standards for public speech in Australia and the links between rhetoric and action The length of Australian political speech is traversed from pre Federation to the Gillard minority government 2010 13 and the topics similarly range from Alfred Deakin's nation building to Kevin Rudd's Apology to the Stolen Generations This fresh collection is intended to stimulate and advance the study of political rhetoric in Australia Bazzani, 2020-04-17 Hector Crawford the name remains synonymous with Australian television The tag line This has been a Crawford Production still resonates with generations of Australians who grew up with his cops the Sullivan family or any of the long line of productions that flowed from his legendary company His public fa ade is part of our collective memory but the man behind it and how his passion and determination changed Australian culture forever is revealed in Hector In this compelling account of his life Rozzi Bazzani recounts vividly how as Crawford's influence grew the off screen politics employed by the TV networks and rivals to diminish his company s power became as exciting as any of his onscreen dramas ROZZI BAZZANI was a successful singer and studio artist for many years before she turned to writing full time In addition to spending years of her life researching Hector and Dorothy Crawford's lives she co wrote the musicals Gershwin The Musical and The King of Corn and hosted countless radio and TV programs Ms Bazzani is a graduate of Melbourne University and lives in the Macedon Ranges in Victoria Winner of the History Publication Award at the 2016 Victorian Community History Awards Shortlisted Ashurst Business Literature prize 2016 Formidable research Tells the rich story of Crawfords before as well as after television arrived Jock Given Media International Australia Sub plots indicate difficulties of Hector's sister and his wives forging careers and wanting to marry and have families in the 1940 s 50 s Susan Lever literary critic and general editor of the Cambria Australian Literature Series Detailed and thoroughly researched a keyhole into the times Steven Carroll Sydney Morning Herald and The Age Entertaining Tom Gilling The Australian Narrative style for a general readership Don Gibbs RHSV A quite incredible book about the life of radio the TV producer Hector Crawford Melbourne Observer

Adolf Ens, 1994 During the 1870s 7 000 Mennonites descendants of Dutch and German Anabaptists arrived in Canada to settle in the newly created province of Manitoba While in Europe they had steadily moved eastward under pressure of persecution and governmental restrictions until they settled in foreign colonies in New Russia Ukraine in 1789 Generations of living as non citizen settlers under special arrangements with the ruler had reinforced their separatist understanding of what it meant to live in nonconformity with the world Adolf Ens s volume traces the tensions of Mennonites becoming full citizens in the participatory democracy of Canada through the crucial steps of immigration settlement and naturalization implementing local municipal government and becoming part of the public school system This process was greatly complicated by the outbreak of the First World War and the intolerance it produced toward those who were pacifist German and different Almost 8 000 of the descendants of this immigrant group left for Latin America in the aftermath of the war becoming subjects once again The rest gradually accommodated themselves to being full Canadian citizens BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved From Subjects to Citizens Pierre Boyer, Linda Cardinal, David John Headon, 2004 Australia and Canada are both lively multicultural societies with British constitutional traditions Historically they have faced similar challenges in defining and sustaining citizenship that reach back into a common past They also have similar approaches to address contemporary issues and anticipate the challenges of a 21st century future New perspectives on the culture and politics of citizenship emerge in this timely text that is essential reading for those interested in the steadily expanding ties between Australia and Canada Published in English Mapping **Lives** Peter France, William St Clair, 2004-09-23 These essays on the problems and functions of biography particularly those of writers thinkers and artists investigate a subject of enduring importance for those interested in culture **History on** the Couch Joy Damousi, Robert Reynolds, 2003 Highlights the ways in which the emotional life identity formation and the relationship between self and society can inform histories both of individuals and of nations Melbourne Historical Journal ,1996 **God in the Landscape** Kerrie Handasyde, 2021-07-15 This book shows how creative writing gives voice to the drama and nuance of religious experience in a way that is rarely captured by sermons reports and the minutes of church meetings The author explores the history of religious Dissent and Evangelicalism in Australia through a variety of literary responses to landscape from both men and women lay and ordained The book explores transnational themes along with themes of migration and travel across the Australian continent The author gives insight into the literature of Protestant Dissent concerned as it is with travel belonging and the intersection of national and religious identity Much of the writing is situated on the road a soldier returning from the Great War a child on a lone adventure a night time journey through urban slums all of these are in some way dependent on the theme of walking with Jesus as the Holy Land travelogues make explicit God in the Landscape draws the links between landscape literature and spirituality with imagination and insight and is an important contribution to the historical study of religion and the environment Colonial Voices Joy Damousi, 2010-06-17

Innovative study of the role of language in the civilising project of the British Empire in colonial Australia Messages **From Beyond** Al Gabay, 2016-06-03 The Spiritualist movement had its beginnings in the United States in the late 1840s and within a few years had spread to Australia With its s ances mediums trances magnetisers table tilting and other mysterious psychic phenomena it attracted media frenzy and public furore but also many deeply serious converts often highly intelligent and talented people who rejected orthodox religion in favour of scientific rationalism but were still vitally concerned with moral debates One of them was the young Alfred Deakin later to become Prime Minister Spiritualists sought rational discoverable answers to life s mysteries. They sought to prove empirically the continued existence of the human personality after death while maintaining somewhat paradoxically that the movement was a genuine religion In Messages from Beyond however Al Gabay shows that for most believers the sance was not a scientific enterprise but a religious and highly ritualised event In this fascinating history Gabay explores the origins of the Spiritualist movement and relates its rise and fall to the wider intellectual and religious currents in colonial Australian society He argues that the atmosphere of Freethought and Secularism in colonial Melbourne as well as the passionate debates of the time on the authority of the Bible and Evolution were fundamental to the success of the movement and that it was a cultural product of its time From the Hustings to **Harbour Views** Marian Simms, 2006 Easy to enrol easy to vot was the solgan devised by the New South Wales electoral office in the 1980s How did this system evolve from a British based model to a distinctively Australian one Enigmatic Mr Deakin Judith Brett, 2017-08-14 Alfred Deakin scholar spiritualist prime minister was instrumental in creating modern Australia In the first biography of Deakin in more than half a century the acclaimed political historian Judith Brett deftly weaves together his public private and family lives She brings out from behind the image of a worthy bearded father of federation the principled and passionate gifted and eccentric figure whose legacy continues to shape the contours of the nation's politics Judith Brett is the award winning author of Robert Menzies Forgotten People emeritus professor of politics at La Trobe University and one of Australia's leading political thinkers She contributes regularly to the Monthly and has written three Quarterly Essays This is the first book to bring together the spiritual political and personal life of one of Australia s most significant politicians Alfred Deakin As Brett deftly explores and weaves these strands together we begin to understand Alfred Deakin his motivations and indeed his enigmatic qualities This is a psychological study of Australia s former Prime Minister Beginning with his Melburnian upbringing Brett shows how his social and familial context shaped him The city of Melbourne of the period is revealed as crucial to how we are to comprehend and understand Deakin Brett is a fine writer and the text displays her curiosity and her depth of knowledge This is a comprehensive work which will stand as a definitive source on Alfred Deakin Prime Minister's Literary Awards 2018 Judges comments Truly one of the great political biographies of our time a delicately nuanced warm and insight account of my personal misgiving aside one of the most noteworthy political figures in Australian history Inside Story The Enigmatic Mr Deakin stands as the culmination of her work on the history politics and philosophy of Australian liberals and it is the one biography of Deakin to which we will repeatedly return Brett's writing is capable of extraordinary clarity insight and compassion Monthly Judith Brett has proven the perfect biographer Jason Steger on National Biography Award win Sydney Morning Herald A significant contribution to biography and political history that is beautifully written and full of interest Royal Victorian Historical Society Accessible and informative this style of biography layers facts over questions that draw in readers curious about what makes human beings do the things we do This is biography for our times Daily Review The Enigmatic Mr Deakin explores our second prime minister's career with full attention to his intense inner life and family relationships. Her title points to the puzzles but Brett doesn't simplify she ponders suggests dramatises Closely observed and psychologically persuasive this is more than a life and times it is a life Australian Book Review This excellent biography will appeal to general readers students and anyone interested in historical biography Books Publishing A woman's eye on a powerful man has never felt so penetrating perceptive and surprisingly loving Clare Wright Sydney Morning Herald's Year in Reading Alfred Deakin long my favourite Victorian was truly the full package polymath progressive idealist spiritualist man of action And he had a fantastic beard All he lacked was a good biography but not anymore Saturday Paper Best Books of 2017 In this engrossing and guietly profound biography Judith Brett brings Deakin back into Australia's contemporary political imagination so we can better understand how he shaped the country we live in today In this age of increasingly polarised politics Brett's book is at once a warm portrait of a great politician and a sharp provocation to today s leaders to forge a better way John Daley CEO Grattan Institute Prime Minister's Summer Reading List 2017 A richly rewarding excursion into the private mind and emotions but also into the public life and times of a remarkable individual full of surprising detail and profound observations about the Australian polity Among the very best political biographies written in Australia Judges Comments National Biography Award Mr Felton's Bequests John Poynter, 2008-01-01 Alfred Felton a bachelor of definite opinions and benignly 2018 eccentric habits was one of the remarkable group of Melbourne merchants who dominated the economy of the Australian colonies in the decades after the gold rush In 1904 he left his substantial fortune in trust the income to be spent by a committee of his friends half on charities especially for women and children and half on works of art for the National Gallery of Victoria works calculated to raise and improve public taste The Gallery suddenly gained acquisition funds greater than those of London's National and Tate galleries combined and between 1904 and 2004 more than 15 000 items were purchased for it by the Felton Bequest Although the last quarter of the twentieth century saw a dramatic and exciting expansion of Australian art museums Patrick McCaughey writes in the foreword of this book no institution could hope to replicate the collection of the National Gallery of Victoria assembled under the aegis of the Felton Bequest How the Felton Bequests Committee carried out its tasks in cooperation and sometimes in conflict with the Trustees of the Gallery is a human story of many triumphs and occasional follies of decisions made and unmade amid changing notions of art philanthropy and public

taste John Poynter's account of Felton's life and the story of his Bequests covers most of Melbourne's history from the unusual view point of three themes business art and charity Australian Political Lives John Nethercote, Tracey Arklay, John Wanna, 2006-10-01 This monograph brings together some of the best practitioners of the art and craft of political biography in Australia They are simultaneously some of our best scholars who at least in part have turned their attention to writing Australian political lives They are not merely chroniclers of our times but multidisciplinary analysts constructing layers of explanation and theoretical insight They include academic professional and amateur biographers scholars from a range of disciplines politics history sociology public administration gender studies and politicians who for a time strutted the political stage The assembled papers explore the strengths and weaknesses of the biographical approach the enjoyment it can deliver the problems and frustrations of writing biographies and the various ways the project can be approached by those constructing these lives They probe the art and craft of the political biographer **Is History Fiction?** Ann Curthoys, 2010-10 The relationship between history and fiction has always been a controversial one Can we ever know that a historical narrative is giving us a true account of what actually happened Provocative and fascinating this book is an original and insightful examination of the ways in which history is and might be written It traces History s double The Centenary Companion to Australian Federation Helen Irving, 1999-12-06 Published to mark the centenary of Federation this important book explores Australia s national origins in a comprehensive and accessible way A high calibre team of writers has been gathered to write the first ever comprehensive general history of Federation Starting from the perspective of the individual colonies as they made their way towards membership of the Australian Commonwealth in 1901 the book also provides cross referenced short alphabetical entries covering key events people and concepts It approaches Federation not simply as a formal political story but as a social and cultural process maintaining the relevance of nation making by highlighting ongoing debates about democracy sovereignty and progressive citizenry A major contribution to the Centenary of Federation this book should become a standard reference for scholars students and general readers in the continuing discussions of Australia s future as a nation
