[Bruce's History Lessons](#) Bruce G. Kauffmann,2008-11-24 This collection of columns by historian Bruce G Kauffmann is must reading whether you are a history buff or not Unlike most historians Kauffmann writes in a style that is entertaining as well as educational and because his columns are short just 450 words they arent a huge commitment in time Read one each day or as many as you

like A recurring theme in the correspondence Kauffmann gets from readers is how much they wish history had been taught in school the way he writes it in his column As reader Cynthia Scarlett wrote Mr Kauffmann I truly enjoy your columns How I wish someone with your flair could have been around when I was in high school I would have been a lot smarter than I am now I think you are a real asset to learning and I hope someone in the academic arena understands that and helps spread your fascinating columns throughout the country or world Even teachers are fans and countless numbers of them use his column in their classroom Regardless of your age or past interest in history you will enjoy this book *Prologue*, 2014

From the American System to Mass Production, 1800-1932 David Hounshell, 1984 David A Hounshell s widely acclaimed history explores the American genius for mass production and traces its origins in the nineteenth century American system of manufacture Previous writers on the American system have argued that the technical problems of mass production had been solved by armsmakers before the Civil War Drawing upon the extensive business and manufacturing records of leading American firms Hounshell demonstrates that the diffusion of arms production technology was neither as fast now as smooth as had been assumed Exploring the manufacture of sewing machines and furniture bicycles and reapers he shows that both the expression mass production and the technology that lay behind it were developments of the twentieth century

attributable in large part to the Ford Motor Company Hounshell examines the importance of individuals in the diffusion and development of production technology and the central place of marketing strategy in the success of selected American manufacturers Whereas Ford was the seedbed of the assembly line revolution it was General Motors that initiated a new era with its introduction of the annual model change With the new marketing strategy the technology of the changeover became of paramount importance Hounshell chronicles how painfully Ford learned this lesson and recounts how the successful mass production of automobiles led to the establishment of an ethos of mass production to an era in which proponents of Fordism argued that mass production would solve all of America's social problems
