**Library List for the Public Schools of Louisiana** Louisiana. Dept. of Education, 1923      *Elizabeth Gaskell's Smaller Stories* Carolyn Lambert, 2021-08-26 This book re locates Elizabeth Gaskell's smaller stories in the literary and cultural context of the nineteenth century While Gaskell is recognised as one of the major novelists of her time the short stories that make up a large proportion of her published work have not yet received the critical attention they deserve This study re claims them as an indispensable part of her literary output that enables us to better contextualize and assess her achievement holistically as a highly skilled woman of letters The periodicals in which Gaskell's shorter pieces were published

offer a microcosm of nineteenth century society and Gaskell took full advantage of the medium to apply a consistent and barbed challenge to cultural and gendered constructs of roles and social behaviour Although her eminently readable prose still flows easily in her short stories it is less likely to elide the sharp corners of domestic violence the disabling experiences of women the pain of death and loss and the complications of family life     *Notable shipwrecks, retold by uncle Hardy.*

revised William Senior,1898     *The Dial* ,1909     Reference Catalogue of Current Literature ,1909     The American Bookseller ,1876
