

**FRANCES E. W. HARPER (1825–1911)**

A prolific author in almost every literary genre, Frances Harper used her writing as a vehicle for advocating racial equality (she was herself the daughter of freed slaves) and women's rights.

### **Songs for the People**

Let me make the songs for the people,  
Songs for the old and young;  
Songs to stir like a battle-cry  
Wherever they are sung.

Not for the clashing of sabres,  
For carnage nor for strife;  
But songs to thrill the hearts of men  
With more abundant life.

Let me make the songs for the weary,  
Amid life's fever and fret,  
Till hearts shall relax their tension,  
And careworn brows forget.

Let me sing for little children,  
Before their footsteps stray,  
Sweet anthems of love and duty,  
To float o'er life's highway.

I would sing for the poor and aged,  
When shadows dim their sight;  
Of the bright and restful mansions,  
Where there shall be no night.

Our world, so worn and weary,  
Needs music, pure and strong,  
To hush the jangle and discords  
Of sorrow, pain, and wrong.

Music to soothe all its sorrow,  
Till war and crime shall cease;  
And the hearts of men grown tender  
Girdle the world with peace.

*Famous American Poems. Selected by Gene Baro* Gene Baro, 1962

One Hundred Famous Americans Helen Ainslie Smith, 1886

Encyclopedia of American Poetry: The Nineteenth Century Eric L. Haralson, 2014-01-21 With contributions from over 100 scholars the Encyclopedia of American Poetry The Nineteenth Century provides essays on the careers works and backgrounds of more than 100 nineteenth century poets It also provides entries on specialized categories of twentieth century verse such as hymns folk ballads spirituals Civil War songs and Native American poetry Besides presenting essential factual information each entry amounts to an in depth critical essay and includes a bibliography that directs readers to other works by and about a particular poet

**A History of American Poetry** Richard Gray, 2015-03-02 A History of American Poetry presents a comprehensive exploration of the development of American poetic traditions from their pre Columbian origins to the present day Offers a detailed and accessible account of the entire range of American poetry Situates the story of American poetry within crucial social and historical contexts and places individual poets and poems in the relevant intertextual contexts Explores and interprets American poetry in terms of the international positioning and multicultural character of the United States Provides readers with a means to understand the individual works and personalities that helped to shape one of the most significant bodies of literature of the past few centuries

**Famous Americans** Loren Goodman, 2008-10-01 This year's winner of the Yale Series of Younger Poets competition is Loren Goodman's Famous Americans Hilarious eclectic and bizarre this collection takes the reader on a rollercoaster of a ride through the absurdities of American pop culture Employing a variety of forms from epistolary to script to interview and beyond this work proves to be as much about exploring frameworks as it is about examining the lives of famous and not so famous Americans Goodman questions our concept of what it means to be an icon he disrupts our assumptions creating an alternate universe in which nothing remains sacred

**The Poem Is You** Stephen Burt, 2016 Contemporary American poetry has plenty to offer new readers and plenty more for those who already follow it Yet its difficulty and sheer variety leaves many readers puzzled or overwhelmed The critic scholar and poet Stephen Burt sets out to help Beginning in the early 1980s where critical consensus ends Burt canvasses American poetry of the past four decades from the headline making urgency of Claudia Rankine's Citizen to the stark pathos of Louise Glück the limitless energy of Juan Felipe Herrera and the erotic provocations of D A Powell The Poem Is You Sixty Contemporary American Poems and How to Read Them is a guide to the diverse magnificences of American poetry today It presents a wide range of poems selected by Burt for this volume each accompanied by an original essay explaining how a given poem works why it matters

and how the poem speaks to other parts of art and culture Included here are some classroom classics by Ashbery Komunyakaa Hass less famous poems by very famous poets Gl ck Kay Ryan and poems by prizewinning poets near the start of their careers such as Brandon Som and by others who are not or not yet well known The Poem Is You will appeal to poets teachers and students but it is intended especially for readers who want to learn more about contemporary American poetry but who have not known where or how to start It describes what American poets have fashioned for one another and what they can give us today *International Who's Who in Poetry 2004* Europa Publications,2003 Provides up to date profiles on the careers of leading and emerging poets **Emily Dickinson** Charles River Charles River Editors,2018-07-23 Includes pictures Includes quotes Includes online resources and a bibliography for further reading Saying nothing sometimes says the most Emily Dickinson Like many writers of her day Emily Dickinson was a virtual unknown during her lifetime After her death however when people discovered the incredible amount of poetry that she had written Dickinson became celebrated as one of America s greatest poets Dickinson was notoriously introverted and mostly lived as a recluse carrying out her friendships almost entirely by written letters Her work was just as unique her poetry is written with short lines occasionally lacked titles and often used slant rhyme and unconventional capitalization and punctuation Only a few of her poems were published in her lifetime but American schoolchildren across the country read her work today As a result Dickinson is even to those who have studied her the most an enigma and even more to the point a contradiction Born in an era when women rarely received more than a rudimentary education she attended college but left before graduating Considered by many evangelical Christians to be a pioneer of religious poetry she struggled during her entire life to fully embrace the Calvinist doctrines taught in her New England home She embraced the friendship of women sometimes to a level that bordered on the obsessive but then easily removed herself from physical contact with all but a few of her closest family members She seemed to be in every way the quintessential Victorian spinster but her poetry and letters reveal shocking passions often shared with married men Not surprisingly her poetry was just as diverse as her personal life as she praised romantic love but criticized marriage She wrote stanza after stanza of verse based on religious themes but never quite presented a clear cut view of the Christian faith She produced in the same year passionate even sexually charged verses and also stilted observations of natural science But in the midst of all this she created a new genre of poetry one that allowed her to speak her mind but in such a way that she could still move about to the extent she wanted to in polite society As one writer has observed To make the abstract tangible to define meaning without confining it to inhabit a house that never became a prison Dickinson created in her writing a distinctively elliptical language for expressing what was possible but not yet realized Like the Concord Transcendentalists whose works she knew well she saw poetry as a double edged sword While it liberated the individual it as readily left him ungrounded This then proved to be both her blessing and her burden for left adrift she eventually lost at least some of her grip on reality and finished her life as a mysterious recluse not unlike a character in her own poetry Emily

Dickinson The Life and Legacy of the Famous American Poet looks at the reclusive life and remarkable work of the poet Along with pictures depicting important people places and events you will learn about Emily Dickinson like never before

The Columbia Granger's Guide to Poetry Anthologies William A. Katz,Linda Sternberg Katz,Esther Crain,1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology Favorite Poems Henry Wadsworth Longfellow,2012-10-08 Choice collection includes the long narrative poem The Courtship of Miles Standish plus such famous works as The Village Blacksmith The Wreck of the Hesperus Paul Revere s Ride many more **Apocalyptic Messianism and Contemporary Jewish-American Poetry** R. Barbara Gitenstein,2012-02-01 Focusing on the rich context of esoteric Jewish literature this collection presents in depth analyses of Jewish American poetry Gitenstein defines Jewish messianism and the literary genre of the apocalyptic describes historical movements and kabbalistic theories and analyzes their influence as part of the post Holocaust consciousness Represented are works by such poets as Irving Feldman Jack Hirschman John Hollander David Meltzer and Jerome Rothenberg Gitenstein recounts the lives of such spectacular eccentrics and holy men as the Abraham Abulafia thirteenth century Isaac Luria sixteenth century Shabbatai Zevi seventeenth century and Jacob Frank eighteenth century and identifies their theories as part of the history of the literary apocalyptic genre the literature of exile the literature of catastrophe *Multicultural American History* Kay Chick,Deborah A.
