slavery novel by American author Harriet Beecher Stowe published in 1852 After the publication of Uncle Tom's Cabin Southerners accused Stowe of misrepresenting slavery In order to show that she had neither lied about slavery nor exaggerated the plight of enslaved people she compiled The Key to Uncle Tom's Cabin The Key to Uncle Tom's Cabin was published to document the veracity of the depiction of slavery in Stowe's anti slavery novel Uncle Tom's Cabin First published in 1853 the book also provides insights into Stowe's own views on slavery The book was subtitled Presenting the Original Facts and Documents upon Which the Story Is Founded Together with Corroborative Statements Verifying the Truth of the Work Harriet Beecher Stowe 1811-1896 was an American abolitionist and author Her novel Uncle Tom's Cabin was a depiction of life for African Americans under slavery It energized anti slavery forces in the American North while provoking widespread anger in the South She wrote more than 20 books including novels three travel memoirs and collections of articles and letters She was influential both for her writings and her public stands on social issues of the day *Dred, a Tale of the Great Dismal Swamp (1856)*, by Harriet Beecher Stowe Harriet Beecher Stowe, 2016-05-20 *Dred A Tale of the Great Dismal Swamp* is the second popular novel from American author Harriet Beecher Stowe It was first published in two volumes by Phillips Sampson and Company in 1856 Although it enjoyed better initial sales than her previous and more famous novel Uncle Tom's Cabin it was ultimately less popular *Dred* was of a more documentary nature than Uncle Tom's Cabin and thus lacked a character like Uncle Tom to evoke strong emotion from readers *Dred* is the story of Nina Gordon an impetuous young heiress to a large southern plantation whose land is rapidly becoming worthless It is run competently by one of Nina's slaves Harry who endures a murderous rivalry with Nina's brother Tom Gordon a drunken cruel slaveowner Nina is a flighty young girl and maintains several suitors before finally settling down with a man named Clayton Clayton is socially and religiously liberal and very idealistic and has a down to earth perpetual virgin sister Anne In addition to Harry who as well as being the administrator of Nina's estate is secretly also her and Tom's half brother the slave characters include the devoutly Christian Milly actually the property of Nina's Aunt Nesbit and Tomtit a joker type character There is also a family of poor whites who have but a single devoted slave Old Tiff *Dred* the titular character is one of the Great Dismal Swamp maroons escaped slaves living in the Great Dismal Swamp preaching angry and violent retribution for the evils of slavery and rescuing escapees from the dog of the slavecatchers The response to Stowe's first work greatly impacted her second anti slavery novel Uncle Tom's Cabin drew criticism from abolitionists and African American authors for the passive martyrdom of Uncle Tom and endorsement of colonization as the solution to slavery *Dred* by contrast introduces a black revolutionary character who is presented as an heir to the American revolution rather than a problem to be expatriated *Dred* can thus be placed within an African American literary tradition as well as a political revision of the sentimental novel see David Walker's Appeal 1829 and Frederick Douglass's The Heroic Slave 1852 One often overlooked subplot involves Judge Clayton who issues a proslavery opinion that absolves the man who attacked Cora's slave Milly of liability This judge was

constrained by the law from providing relief this fit with Stowe's belief that law and judges and religious leaders too could not be expected to help end slavery. It was humane sentiments rather than the rule of law that would be the lever for antislavery action. The novel is also interesting in the historical context of runaway slave communities surviving for a long time in swamp areas. Swamps were places where runaway slaves could hide and therefore became a taboo subject particularly in the south. The best hiding places were found on high ground in swampy areas. The novel also contains detailed descriptions of the wetlands in the Dismal Swamp and is therefore also interesting in the context of the way in which African Americans relate to the natural environment.

Dred Harriet Beecher Stowe, 2006

Written partly in response to the criticisms of *Uncle Tom's Cabin* by both white Southerners and black abolitionists, Stowe's second novel *Dred* attempts to explore the issue of slavery from an African American perspective. Through the compelling stories of Nina Gordon, the mistress of a slave plantation, and Dred, a black revolutionary, Stowe brings to life conflicting beliefs about race, the institution of slavery, and the possibilities of violent resistance.

Portraits of Famous American Women Robert Henkes, 1997-01-01

The portrait is one of the most pure collaborative efforts in the art world. The artist is the creator, but she or he is wholly dependent on the sitter for inspiration and stimulus. When the subject is famous, the artist must often compromise true expression for the vanity of the person being painted. Though that would seemingly make the portrait less appealing artistically, in truth, the collaborative nature of the portrait often makes it artistically unique: a blending of the artist's style with the desires of the sitter. This work takes a fresh look at the portraits of 13 American women: Marian Anderson, Clara Barton, Mary McLeod Bethune, Pearl Buck, Mary Cassatt, Isadora Duncan, Marianne Moore, Georgia O'Keeffe, Eleanor Roosevelt, Gertrude Stein, Harriet Beecher Stowe, Harriet Tubman, and Martha Washington, and the artists who created them. In examining the work of such artists as Abraham Walkowitz, John Graham, Betsy Graves Reyneau, Michael Alexander Werboff, and Brenda Putnam, one comes to see the unique combination of the personality of the sitter and the style of the artist.
