Famous Authors Dh Lawrence:

The Complete Works of D. H. Lawrence D. H. Lawrence, 2023-11-09 D H Lawrence's *The Complete Works of D H Lawrence* serves as a monumental testament to his literary prowess and philosophical depth. This comprehensive collection encompasses a rich tapestry of novels, poems, essays, and plays reflecting Lawrence's fervent examination of the human condition, sexuality, and the intricate relationships between individuals and nature. His modernist style, characterized by vivid imagery and psychological insight, immerses the reader in a world where emotional intensity and existential dilemmas abound, revealing the struggles inherent in society's conventions. Contextually, Lawrence emerges from the tumultuous early 20th century, a period marked by rapid societal changes and burgeoning existential thought that profoundly influenced his writing. D H Lawrence (1885-1930) was a prominent English writer and controversial figure known for his avant-garde ideas and exploration of taboo themes. Growing up in the coal-mining district of Eastwood, Nottinghamshire, his experiences shaped his profound insight into class struggle, gender dynamics, and the conflicts between industrialization and nature. Lawrence's contentious views on morality and his quest for authenticity in human relationships often put him at odds with the prevailing norms of his time, thus coloring his literary output with a sense of urgency and risk. Readers seeking an exploration of the complexities of existence and the rawness of human emotions will find *The Complete Works of D H Lawrence* indispensable. This collection invites readers to delve into Lawrence's multifaceted world, where every page presents a challenge to conventional thought and encourages a deeper understanding of the self and society. As a seminal figure in modern literature, Lawrence's works remain relevant today, offering fresh insights into the timeless nature of human experience. **Aaron's Rod** D.H. Lawrence, 2021-03-11 Trapped in a loveless and unhappy marriage, Aaron Sisson, a union official in the depressing coal mines of the English Midlands, will walk out on his wife and children to follow his passion for music. From London to Italy, Sisson moves in intellectual and artistic circles, arguing politics, leadership, and submission to authority while dallying with the dizzying heights of the aristocracy. Threaded with stunning characters, daring romance, and an explosive conclusion, this fascinating and engaging novel tracks many of Lawrence's own beliefs and ponderings on the state of a post-war society. It is a brilliant psychological analysis of a society upturned by the devastation of World War One and its desperate search for meaning in the wake of such great losses. This novel is perfect for anyone who loved *The Great Gatsby*. David Herbert Lawrence (1885-1930) was one of the 20th century's most influential writers. Born in England, he became famous for his novels, short stories, poems, and literary criticism, though many of his contemporaries viewed him as a pornographer. He faced severe criticism and censorship after the publication of one of his most famous and explicit novels, *Lady Chatterley's Lover*. Despite his persecution, Lawrence's works continued to explore central themes of human emotion, identity, and sexuality. His other prominent works include *Women in Love*, *The Rainbow*, *Sons and Lovers*, and *The Plumed Serpent*. **DH Lawrence: A BBC Radio Collection** D.H. Lawrence, 2019-10-29 *Lady Chatterley's Lover* Lawrence's frank portrayal of an extramarital affair and

the explicit sexual explorations of its central characters caused this controversial book now considered a masterpiece to be banned as pornography until 1960

Lawrence,2013-01-01 D H Lawrence was an English writer who unfortunately only truly became accepted as a literary genius after his death in 1930 While he was best known for his novels and short stories like Lady Chatterly s Lover Sons and Lovers and The Captain s Doll Lawrence was also an adept poet who wrote over 800 poems during his lifetime At the beginning of his career his poems were infused with pathetic fallacy and continual personification of flora and fauna Like many of the Georgian poets Lawrence s style was overly verbose and archaic meant as a tribute to the previous Georgian period However the tragedy of World War I changed Lawrence s style dramatically He wanted to break free from the overused stereotypes of the time and instead focus on finding new and more eloquent ways of expressing poetry The author began experimenting with free verse and often revised past works in order to strip away the dated tropes he used as a less experienced writer While Lawrence wrote during the Modernist period his poems do not exhibit the same style as the famous Modern poets He celebrated impulses and felt that each poem had to be deeply personal to its author The collection of Selected Poems collects together the poems from the following volumes Love and Other Poems Amores Look We Have Come Through New Poems Bay and Tortoises **Best of D.H. Lawrence.**
