Economic Policy In Socialist Yugoslavia:

Economic Policy in Socialist Yugoslavia Rudolf Bicanic, 2010-06-10 This book provides a lucid survey of the economic development of Yugoslavia from 1918 to the 1970s **Economic Policy in Socialist Yugoslavia** Rudolf Bićanić, 1973

Beyond Yugoslavia Sabrina Petra Ramet, 2019-02-22 The fruit of a landmark international collaboration this book focuses on the final years of socialist Yugoslavia and on the beginning of the country's breakup With chapters devoted to each of erstwhile Yugoslavia's six republics the book also offers a unique blend of thematic essays on political cultural economic environmental religious and foreign policy issues Bringing together renowned scholars from the United States Great Britain Serbia and Croatia the book shows how disintegrative tendencies penetrated and affected all spheres of life in Yugoslavia The resultant war has therefore been fought not only on military and diplomatic fronts but also at the level of economics through literature and film and in the spheres of religion and gender relations **The Functioning of the Yugoslav**

Economy Radmila Stojanovic, 2017-07-05 In this volume Stojanovic draws together several essays by Yugoslav economists to an English audience Originally published in 1982 these works present and analyse the issues that faced Yugoslavia's economic development and the functioning of their economic system at the time of writing through a wide selection of views Not only does this work provide an insight into Yugoslavia's economic policies the reader is also granted an insight into the social climate under which these essays were written This title will be of interest to students of Economics and History

Socialist Unemployment Susan L. Woodward, 2020-10-06 In the first political analysis of unemployment in a socialist country Susan Woodward argues that the bloody conflicts that are destroying Yugoslavia stem not so much from ancient ethnic hatreds as from the political and social divisions created by a failed socialist program to prevent capitalist joblessness Under Communism the concept of socialist unemployment was considered an oxymoron when it appeared in postwar Yugoslavia it was dismissed as illusory or as a transitory consequence of Yugoslavia's unorthodox experiments with worker managed firms In Woodward's view however it was only a matter of time before countries in the former Soviet bloc caught up with Yugoslavia confronting the same unintended consequences of economic reforms required to bring socialist states into the world economy By 1985 Yugoslavia's unemployment rate had risen to 15 percent How was it that a labor oriented government managed to tolerate so clear a violation of the socialist commitment to full employment Proposing a politically based model to explain this paradox Woodward analyzes the ideology of economic growth and shows that international constraints rather than organized political pressures defined government policy She argues that unemployment became politically invisible owing to its redefinition in terms of guaranteed subsistence and political exclusion with the result that it corrupted and ultimately dissolved the authority of all political institutions Forced to balance domestic policies aimed at sustaining minimum standards of living and achieving productivity growth against the conflicting demands of the world economy and national security the leadership inadvertently recreated the social relations of agrarian communities within a

postindustrial society **Yugoslav Economy Under Self-management** Ljubo Sirc,1979-06-17 The Economy of Yugoslavia Fred Singleton,Bernard Carter,2025-05-01 The creation of the Yugoslav state at the end of the First World War brought together the half assimilated remains of several societies in various stages of development each with centuries of rule by foreign powers It was not until the Second World War when a fresh start was made under a new revolutionary regime that Yugoslavia made substantial economic headway and progressed from an underdeveloped country to a medium rank level of development First published in 1982 The Economy of Yugoslavia charts the progress of the Yugoslav economy over sixty years and demonstrates how it achieved rapid quantitative progress in the post war period The book also shows how Yugoslavia s own brand of modified socialist planning succeeded in some areas but did not obviate many of the problems such as inflation and unemployment which have been so familiar to western societies The great strength of the book is that it does not discuss the economy in isolation from the many non economic factors which did so much to shape Yugoslavia s society This book will be of interest to students and researchers of history and economics **The Economic Struggle for Power in Tito's Yugoslavia** Vladimir Unkovski-Korica,2016-08-24 Here Vladimir Unkovski Korica re assesses the key episodes of Tito s rule from the joint Stalin Tito offensive of 1944 through to the Tito Stalin split of 1948 the market reforms of the 1950s and the turn to the West which led to Yugoslavia s non alignment policy For the first time Unkovski Korica also outlines Tito s internal battle with the Workers Councils empowered union bodies which emerged with the withering away of the party in the early 1950s The Economic Struggle for Power in Tito s Yugoslavia draws out the impact of the period economically and politically and its long term effects A comprehensive history based on new archival research this book will appeal to scholars and students of European Studies International Relations and Politics as well as to historians of the Balkans *Debt Problems of Eastern Europe* Iliana Zloch-Christy,1987-11-27 This 1998 book analyzes the causes and consequences of the massive Eastern European debt to the West accumulated in the 1970s East Germany and Detente A. James McAdams,1985-12-19 This study demonstrates the changing historical significance of the idea of detente and how non superpower states can create opportunity out of initially adverse circumstances **Balkan Worlds** Traian Stoianovich,1994-09 Encompassing the period from the Neolithic era to the present this book studies the peoples societies and cultures of the area situated between the Adriatic Sea in the west and the Black Sea in the east between the Alpine region and Danube basin in the north and the Aegean Sea in the south This is not a conventional history of the Balkans rather drawing upon archaeology anthropology economics psychology and linguistics as well as history the author has attempted a total history that integrates many areas of the Balkan experience Russian Azerbaijan, 1905-1920 Tadeusz Swietochowski,2004-06-07 This book describes the rise of national identity among the Azerbaijanis following the 1905 Russian Revolution **The History of Poland Since 1863** Roy Francis Leslie,R. F. Leslie,1983-05-19 This is an account of the evolution of Poland from conditions of subjection to its reconstruction in 1918 development in the years between the two

World Wars and reorganisation after 1945 It begins at a time when Poland was still suffering from the legacy of the eighteenth century Partitions and burdened with problems of sizeable ethnic minorities inadequate agrarian reforms and sluggish industrial development sustained by foreign capital It traces the history through to independence and then to the transformation of the country in the last thirty years Although many of the problems of the past have now disappeared industrialisation the structure of peasant agriculture and political association with the Soviet Union present the Polish People's Republic with difficulties that have yet to be resolved Substantial achievements in an ethnically homogeneous state must be set against substantial discontents This history provides the English speaking reader with a scholarly synthesis based mainly on literature in Polish and other East European languages It will be essential reading for historians of Eastern Europe and for those interested in modern Polish society

A History of Modern Political Thought in East Central Europe Balázs Trencsenyi, Michal Kopeček, Luka Lisjak Gabrijelčić, Maria Falina, Mónika Baár, 2018-11-10 A History of Modern Political Thought in East Central Europe is a synthetic work authored by an international team of researchers covering twenty national cultures and 250 years It goes beyond the conventional nation centered narratives and presents a novel vision especially sensitive to the cross cultural entanglement of political ideas and discourses Its principal aim is to make these cultures available for the global market of ideas and revisit some of the basic assumptions about the history of modern political thought and modernity as such The present volume is the final part of the project following Volume I Negotiating Modernity in the Long Nineteenth Century and Volume II Part I Negotiating Modernity in the Short Twentieth Century 1918-1968 OUP 2018 Its starting point is the defeat of the vision of socialism with a human face in 1968 and the political discourses produced by the various consolidation or normalization regimes It continues with mapping the exile communities and domestic dissidents critical engagement with the local democratic and anti democratic traditions as well as with global trends Rather than achieving the coveted end of history however the liberal democratic order created in East Central Europe after 1989 became increasingly contested from left and right alike Thus instead of a comfortable conclusion pointing to the European integration of most of these countries the book closes with a reflection on the fragility of democracy in this part of the world and beyond

Welcome to the Desert of Post-Socialism Srećko Horvat, Igor Stiks, 2015-01-06 This volume offers a profound analysis of post socialist economic and political transformation in the Balkans involving deeply unequal societies and oligarchical democracies The contributions deconstruct the persistent imaginary of the Balkans pervasive among outsiders to the region who see it as no more than a repository of ethnic conflict corruption and violence Providing a much needed critical examination of the Yugoslav socialist experience the volume sheds light on the recent rebirth of radical politics in the Balkans where new groups and movements struggle for a radically democratic vision of society

Conflict and Cohesion in Socialist Yugoslavia Steven L. Burg, 2014-07-14 Steven L Burg views Yugoslav politics since 1966 in terms of the communist leadership's efforts to preserve political cohesion in the face of powerfully divisive domestic conflicts

He examines the bases of those conflicts their suppression with the establishment of communist power and their reemergence and escalation into crisis during the late 1960s and early 1970s a period when the conflict between hostile nationalisms reinforced by regional economic differences directly challenged communist power Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Yugoslavia as History John R. Lampe, 2000-03-28 An authoritative history of Yugoslavia published in 2000 with a new chapter on the ethnic wars in Croatia and Bosnia and Kosovo

Soviet Trade Unions Blair A. Ruble, 1981-09-30 Monograph on the evolution of trade unions in the USSR discusses historical and contemporary development focusing on union labour policy and political participation labour relations freedom of association workers participation international relations activities connected with international trade unions and the ILO etc Bibliography pp 167 to 180 and diagram

From Embargo to Ostpolitik Angela E. Stent, 2003-10-30 Examines the development of Soviet West German relations from both the Russian and German sides

Origins of the Great Purges John Arch Getty, 1987-01-30 This is a study of the structure of the Soviet Communist Party in the 1930s Based upon archival and published sources the work describes the events in the Bolshevik Party leading up to the Great Purges of 1937 1938 Professor Getty concludes that the party bureaucracy was chaotic rather than totalitarian and that local officials had relative autonomy within a considerably fragmented political system The Moscow leadership of which Stalin was the most authoritarian actor reacted to social and political processes as much as instigating them Because of disputes confusion and inefficiency they often promoted contradictory policies Avoiding the usual concentration on Stalin s personality the author puts forward the controversial hypothesis that the Great Purges occurred not as the end product of a careful Stalin plan but rather as the bloody but ad hoc result of Moscow s incremental attempts to centralise political power

This is likewise one of the factors by obtaining the soft documents of this **Economic Policy In Socialist Yugoslavia** by online. You might not require more epoch to spend to go to the books start as well as search for them. In some cases, you likewise complete not discover the pronouncement Economic Policy In Socialist Yugoslavia that you are looking for. It will definitely squander the time.

However below, with you visit this web page, it will be suitably extremely simple to acquire as well as download lead Economic Policy In Socialist Yugoslavia

It will not assume many get older as we run by before. You can reach it while perform something else at home and even in your workplace. so easy! So, are you question? Just exercise just what we find the money for below as without difficulty as evaluation **Economic Policy In Socialist Yugoslavia** what you with to read!
