The Agni and the Ecstasy Steven Rosen,2012 The Agni and the Ecstasy compiles essays that the renowned scholar of Vaishnavism Steven J Rosen has published throughout his 25 year writing career Ranging from commentary on transcendental philosophy and scriptures such as the Bhagavad Gita to personal reminiscences of prominent spiritual figures and devotional music there is virtually no topic on which he does not shed illumination This book is an excellent introduction

to Rosen's work whether one is a newcomer or a long time reader. There is something in this book for everybody. If one leans toward academia and intellectual approaches to spirituality, one will appreciate the articles included here that are informative, well researched, and conveyed with an authoritative tone. On the other hand, if the reader prefers essays that entertain and arouse emotions that speak to one's internal spiritual quest and a personal search for answers, then there are also pieces that address those particular needs from the Introduction by Steven J. Rosen. Having imbibed the compassionate spirit of Srila Prabhupada, his beloved guru, and having dedicated his life to uplifting humanity through transcendental knowledge, Satyaraja is specially empowered to reach our hearts. We can rejoice upon the release of this volume of his collected articles from the Foreword by His Holiness Radhanath Swami. Steven J. Rosen, Satyaraja Dasa, is an initiated disciple of His Divine Grace A.C. Bhaktivedanta Swami Prabhupada. Knowledge, Love, and Ecstasy in the Theology of Thomas Gallus (Boyd Taylor Coolman, 2017-01-26). Knowledge, Love, and Ecstasy in the Theology of Thomas Gallus provides the first full study of Thomas Gallus (d. 1246) in English and represents a significant advance in his distinctive theology. Boyd Taylor Coolman argues that Gallus distinguishes but never separates and intimately relates two international modalities in human consciousness: the intellective and the affective, both of which are forms of cognition. Coolman shows that Gallus conceives these two cognitive modalities as co-existing in an interdependent manner and that this reciprocity is given a particular character by Gallus' anthropological appropriation of the Dionysian concept of hierarchy. Because Gallus conceives of the soul as hierarchized on the model of the angelic hierarchy, the intellect-affect relationship is fundamentally governed by the dynamism of a Dionysian hierarchy which has two simultaneous trajectories: ascending and descending. Two crucial features are noteworthy in this regard: in ascending, firstly, the lower is subsumed by the higher; in descending, secondly, the higher communicates with the lower according to the nature of the lower. When Gallus posits a higher affective cognition above an intellective cognition at the highest point in the ascent, accordingly, this higher affective form both builds upon and sublimates the lower intellective form. At the same time, this affective cognition descends back down into the soul, both enriching its properly intellective capacity and also renewing the ascending movement in love. For Gallus, then, in the hierarchized soul, a dynamic mutuality between intellect and affect emerges, which he construes as a spiralling motion by which the soul unceasingly stretches beyond itself ecstasically in knowing and loving God.

January's Thaw J. Conrad Guest, 2012-01-12 Many people obsess over their past but no one more than I Perchance it s because as a man out of time I left behind so much of it un-lived If that makes little sense consider that I m a time traveler Although the backdrop for my story is time travel and alternate realities the underlying theme is a more human one of love lost another love found only to be lost and of a decision the result of a single regret brought about by the realization that my self professed courage to never risk my heart to love was instead cowardice to rectify a wrong in a life filled with myriad regrets You may judge me as it is man s nature to judge others or discount my story as the ravings of a lunatic mind or simply the fiction of an overactive imagination but before you do I ask that you read on to the end and then ask yourself if you would have acted any differently
