## Fall Out The Officers:

**Fatal Fallout** Kaylea Cross,2023-05-30 When the past isn't really dead and buried After a lifetime of constant danger as an assassin Ivy is finally safe to step out of the shadows She's even considering allowing a man into her life a sexy former intelligence agent who makes her want more than she's ever dared hope for Except he doesn't know the truth about her past or what she's done She owes him and wants to wipe her slate clean once and for all But when a past threat suddenly resurfaces it puts countless lives at stake and threatens to destroy everything she's built No one is safe Walker has zero regrets about leaving his intelligence career years ago to take care of his family but a recent terrorist attack at home thrusts him back into the action Now recent bombings in the UK all point to one of his former assets who was supposed to be long dead Once again he finds himself teamed up with Ivy the unforgettable and mysterious operative he's undeniably attracted to She awakens something inside him he thought was gone forever But as hot as the unexpected fire burns between them he knows she's holding something back Something big Even so he has no choice except to trust her because they're running out of time to stop a madman bent on exacting vengeance And this time it's personal For fans of small town romance international romance romantic thrillers opposites attract romance military hero strong heroines *Fallout* Catherine Collins,Douglas Frantz,2011-01-04 More than a high stakes espionage thriller *Fallout* painstakingly examines the huge costs of the CIA's errors and the lost opportunities to halt the spread of nuclear weapons technology long before it was made available to some of the most dangerous and reckless adversaries of the United States and its allies For more than a quarter of a century while the Central Intelligence Agency turned a dismissive eye a globe straddling network run by Pakistani scientist A Q Khan sold the equipment and expertise to make nuclear weapons to a rogues gallery of nations Among its known customers were Iran Libya and North Korea When the United States finally took action to stop the network in late 2003 President George W Bush declared the end of the global enterprise to be a major intelligence victory that had made the world safer But as investigative journalists Catherine Collins and Douglas Frantz document masterfully the claim that Khan's operation had been dismantled was a classic case of too little too late Khan's ring had by then sold Iran the technology to bring Tehran to the brink of building a nuclear weapon It had also set loose on the world the most dangerous nuclear secrets imaginable sophisticated weapons designs blueprints for uranium enrichment plants plans for warheads all for sale to the highest bidder Relying on explosive new information gathered in exclusive interviews with key participants and previously undisclosed highly confidential documents the authors expose the truth behind the elaborate efforts by the CIA to conceal the full extent of the damage done by Khan's network and to cover up how the profound failure to stop the atomic bazaar much earlier jeopardizes our national security today *The Army Officer's Examiner* William Henry Powell,1899 *Fallout Shelters* United States. Office of Civil Defense,1969 Political Fallout Toshihiro Higuchi,2020-05-05 Political Fallout is the story of one of the first human driven truly global environmental crises radioactive fallout from nuclear weapons testing during the Cold War and the international response Beginning in 1945 the United States Britain and the Soviet Union detonated hundreds of nuclear weapons in the atmosphere scattering a massive amount of radioactivity across the globe The scale of contamination was so vast and radioactive decay so slow that the cumulative effect on humans and the environment is still difficult to fully comprehend The international debate over nuclear fallout turned global radioactive contamination into an environmental issue eventually leading the nuclear superpowers to sign the landmark Partial Test Ban Treaty PTBT in 1963 Bringing together environmental history and Cold War history Toshihiro Higuchi argues that the PTBT originally proposed as an arms control measure transformed into a dual purpose initiative to check the nuclear arms race and radioactive pollution simultaneously Higuchi draws on sources in English Russian and Japanese considering both the epistemic differences that emerged in different scientific communities in the 1950s and the way that public consciousness around the risks of radioactive fallout influenced policy in turn Political Fallout addresses the implications of science and policymaking in the Anthropocene an era in which humans are confronting environmental changes of their own making *Civil Defense -- Fallout Shelter Program* United States.
