Includes beginning Sept 15 1954 and on the 15th of each month Sept-May a special section. School library journal ISSN 0000-0035 called *Junior Libraries* 1954-May 1961. Also issued separately **Augustine's Confessions** Annemaré Kotzé, 2004-08-01. This book is about the communicative purpose and the audience of the *Confessions*. It illuminates the degree to which the communicative purpose of the work is to convert its readers, i.e., a protreptic purpose, and the degree to which the target audience may be identified as Augustine's potential Manichaean readers. A brief survey of possible literary antecedents points to the existence of other works that consist of the same combination of an autobiographical section, a conversion story with a polemical and exegetical section, an argument that aims to convince the reader of the merits of a specific point of view that characterizes the *Confessions*. The book provides a new perspective on the meaning and structure of Augustine's often misunderstood masterpiece.
