Gilbert Parker

Fallen Idols:

Fallen Idols (lacrimae rerum) Leonard Schulman, 2012-01-26 Fallen Idols is a memoir that begins in the radical sixties in Greenwich Village The author the young Leonard Schulman is living on West Fourth street just two blocks away from the young emigre from Duluth Minn Bob Dylan The author of this charming and engaging memoir already knows of the young genius Mr Dylan having been exposed to early Dylan by his first love at Brooklyn College The songs and life of Dylan are to affect our hero in curious ways In the course of this book he comes to know two photographers David Gahr and Barry Feinstein who were close to Mr Dylan They tell him stories unheard of before the the great bard Schulman comes to know other important people too mostly through his work at Time magazine How a Brooklyn street kid got the job and his work at the magazine for nearly 30 years is a big part of the book In the course of his life he meets many people whom he comes to see as fallen idols One of the most important is James Wilde Time magazine s most intrepid war correspondent Mr Wilde becomes a friend and mentor In the nineties he travels to work for Wilde in Time s Nairobi office as a stringer Here many adventures occur worthy of a movie There are other fallen idols Too numerous to enumerate But let me mention at least one Vittorio Fiorucci the monstre sacre and great Montreal artist The creator of Juste Pour Rire's little green man The book follows in the great literary tradition of Kerouac and Cormac McCarthy as he Schulman traverses over a lifetime wide areas of the globe seeking and finding moments of joy and passion and nirvana It is a journey that will excite you with the tears of things as he seeks to find along with all of us permanence and love Another of his fallen idols is Norman Mailer and oh you ll just have to read the book But reader beware Mr Schulman's book is not for the faint of heart So be careful this book may knock you out Like Hamlet advised t were as if a mirror were held up to nature Human nature that is And it ain t always A Fallen Idol F. Nyamnjoh, 2025-01-30 Francis Nyamnjoh s Beyond the Boeing is a poignant and evocative poem that transports readers to a celestial courtroom where 64 souls from all walks of life await their final reckoning Imagine a black baby a South African white supremacist Shakespeare a female victim of exploitation Pope John Paul I Bob Marley a Fon Mandela and Martin Luther King Jr standing together in this dreamlike space each with a story to tell Their voices etched with experiences of oppression resistance love loss and the relentless pursuit of justice form a chorus that speaks to the complexities of the human condition From the marginalised to the mighty their testimonies weave a tapestry of existence capturing both the triumphs and the struggles that define us Nyamnjoh invites us to witness these souls baring their lives seeking redemption or facing damnation Through their diverse experiences we are drawn into a profound exploration of our shared humanity grappling with social injustice abuse of power and the clash between modernity and tradition Beyond the Boeing ultimately challenges us to contemplate the complexities of life the search for meaning and the pursuit of justice in a world often fractured by conflict and division In Beyond the Boeing Francis Nyamnjoh enters into a poetics of mischief conviviality and

curiosity in satirical and dramaturgical production curating his use of AI as a dialogue partner Read this text as a thick description and anthropological entreprise in what it means to post human cyborg made of human histories which escape evaporate and then reform as a strong cloud of unknowing Nothing is what it seems in these dialogues Alison Phipps University of Glasgow Nyamnjoh s Beyond the Boeing is an intricately woven poetic art form in which imagery and themes imbricate in an exploration of humanity s moral journey social dualities and existential purpose Bill F Ndi University of Tuskegee Beyond the Boeing transcends its textual bounds to invite us the readers into the courtroom alongside its 64 souls to be interrogated too on our beliefs our complicity our understanding of justice We are asked to witness to listen and to accept the impossibility of absolutes We are brought into a philosophical and poetic masterpiece where morality responsibility and redemption are not endpoints but questions to be carried and contemplated endlessly and collectively Moshumee T Dewoo University of Helsinki Stumbling Blocks Gavin Calver, Anne Calver, 2012-10-10 It can be your own pain or a friend s that leaves you wondering where God really is It can be the loss of someone close the sudden disappearance of that big chance or a deep spiritual ache that no one understands And sometimes everything you ve learnt in church is no help at all prayers seem to fall flat and you feel mocked by your own faith Stumbling Blocks is born out of real life pain and a realisation of just how fragile faith can be So many issues can cause you to walk away from God as so many have So how do you hold on to God through the deep questions the pain broken dreams and disappointment times when God should be at his most real Authors Gavin and Anne know the kind of personal suffering that tests faith to the limit Every day their work brings them into contact with hurting young people They don't have all the answers but they show how to meet the questions head on That's because they we been through it all themsleves Gavin and Anne Calver were never likely to ever have a family Struggling to conceive they lost a baby and endured one of the most challenging pregnancies imaginable Even after thirteen blood transfusions nine of them in utero with brain damage and cardiac arrest a real possibility their second baby had only a five per cent chance of survival Stumbling Blocks is for when you like Gavin and Anne need to know that whatever challenge is in your way walking through it with God will lead you out so much the stronger **Herald of Gospel Liberty** Elias Smith, 1912 Baily's Magazine of Sports and Pastimes ,1891 Baily's Magazine of Sports & Pastimes Baily's Magazine of Sports and Pastimes Tresham Gilbey, 1891 The Church Review ,1886 ,1891 Coptic Christology in Practice Stephen J.
