## **Falling For The Boss:**

*Falling for the Boss's Son* Sherri Hayes, 2024-04-23 Jesse Masters is used to getting what he wants and he wants Cassie. There's something about her that captivates him. The chemistry between them is undeniable. He knows she wants him too. He can see it in her eyes, feel it every time her body is near his. But their budding romance faces a major obstacle. Cassie works for his father. Cassie Ross has sworn off relationships. She caught her last boyfriend in a compromising position with another woman and she has no interest in going down that path again. Then she meets Jesse. He's charming and his kisses leave her breathless. He seems perfect except that his father is her boss and Jesse has just accepted a position at the same company. Is she willing to put her heart on the line and submit to Jesse's desires? Or will she let fear and her past stop her from finding love? *Falling for the Boss's Son* is the first book in Sherri Hayes's sizzling *Head Over Heels* series. If you like workplace

romances, he falls first and dominance and submission, then you'll love this smoking hot love story. **Falling for the Boss**

Laura Martin, 1997 **Falling for the Boss** J. Sterling, 2022-09-01 Joseph has been my best friend's boss for years. So when she comes to me with this half-baked idea of me posing as his girlfriend to help him out, I'm tempted to tell her to take a hike. But then she begs and pleads and says that he'll pay off my med school bills and you guessed it, I cave. Even though I hate him. Even though we apparently hate each other, I'm not the one who didn't do anything wrong, mind you. But things aren't always how they seem, and the guy I thought I couldn't stand, I suddenly find myself falling for. It was supposed to be fake. An arrangement with no strings attached. So why can't I stop wanting more? **Falling for the Boss** Alie Garnett, 2021-03 He

shouldn't have asked. She shouldn't have said yes. It's only a month, what could go wrong? As the oldest, lovely sister, Harper is the boss. At home and at her catering business, she calls the shots. But that all ends when she walks into Hawthorn Enterprises and becomes just another personal assistant to the one and only Kaine Hawthorn. She chafes at the bit to tell him exactly where to go, but she needs the money the job provides to take her catering business to the next level. When she is offered extra money to be a different kind of assistant from the boss himself, she snatches it up without a second thought. Even if she knows her family wouldn't understand. All she has to do is give up a month of her time and her body without falling for the guy and she would have a sparkling new kitchen. What she didn't count on was Kaine's demanding ways in the boardroom would turn into demanding ways in the bedroom or how much Harper enjoys putting him in his place. She is settling into a life that isn't her own when everything starts to unravel around her. Author Alie Garnett delivers another scorching office romance in *Falling for the Boss*. The only question that remains is who is the boss of who. **Falling for the Boss** Susan
