Rikendell - Fall and Rise Henri T. De Souza,2023-01-12 Rikendell Fall and Rise is the gripping tale of the owner of a strange gemstone and his unexpected journey into self improvement Rikendell Galt buys a strange stone the Amethyst and is convinced it will bring him peace and protection The following night he dreams of a hoarse voice from the stone that commands him to return it to where it once was A week later the Galt family and a few friends set off to visit a new bridge built over a gorge in which a voice strangely similar to the Amethyst s hums through the mist On the way Rikendell grows anxious as he is now convinced that the stone is a threat to his life **The Fall of My Beginning** Carolyn Gill

Davis,2001-08-20 The series of memoirs recalled and compiled by Carolyn Gill Davis Baird Jackson spans seventy years And although much of her character was formed by the people places things and images of childhood other stumbling blocks also helped to fortify her beliefs Her book The Fall of My Beginning falls naturally into three parts While I Learned to Know When I Thought I Knew and Then I Learned I Didn't Know This is not a prescribed autobiography Instead her book incorporates her feelings impressions reactions at many varied times in many varied places Emotions are succinctly expressed as poetry and letters to her deceased mother the guiding force in her life The poems range from the awesome wonder and compelling beauty she experienced in her first formative years in Indiana her bold and daring years in California and finally back home again in Indiana The reader will find no one major tragedy but a series that is familiar enough to provide reader identification and empathy Well preserved and cherished family photographs a few blurred by age have a mission to make the reader sense the family pride and loyalty In the end she feels gratitude for her life as varied and as up and down as could be Even her mother in Heaven knows now that all is well Ms Davis has her mother's letter as a testimony How fitting a closing to a special book Carolyn Gill Davis Baird Jackson Author *Angels Fall* Mary Beth Holliday,2010-09-29 This is the true story of a young girl who grew up in unfair circumstances as a child throughout her early adulthood She had to go through billions of heartbreaks to find out who she really was and where she belonged in life She s dealt with more than most would ever have to deal with in a life time She learned to love and to live again and again Her story is filled with hope and heartache with dreams and desires and with love and loss *I Won't Fall for This Ravenous Beast!* Ringo Komori,Marie Yoshida,101-01-01 I

Wanting to prevent this the archangels orchestrated a plan to annihilate all Hell. But the Holy Army isn't the only ones after their lives. Driven by thoughts that they've stumbled upon something they weren't supposed to and that they plan to commit high treason. Leaders of Hell and ultimately their master the Morningstar want their blood. There's only one who holds the whole key for their survival only a small problem he's known to be dead. From another world to the depth of the abyss it's a race to survive the Great War between heaven and hell and overcome the destiny with humans as the victim.
