In richly limned scenes, Carolyn MacCullough debuts as a strong new voice in young adult literature.

Finch Jeff VanderMeer, 2022-01-11 From Jeff VanderMeer, the author of *Borne* and *Annihilation*, comes the paperback reissue of his cult classic *Finch*. In a deserted tenement in an occupied city, two dead bodies lie on a dusty floor as if they have fallen out of the air. One corpse is cut in half; the other is utterly unmarked. One is human; the other isn't. The city of Ambergris is half ruined, rotten, its population controlled by narcotics, internment camps, and acts of terror. But its new masters want this case closed urgently. Detective John Finch has just one week to solve it or be sent to the camps. With no ID for the victims, no clues, no leads, and precious little hope, Finch's fate hangs in the balance. But there is more to this case than meets the eye. Enough to put Finch in the crosshairs of every spy, rebel, informer, and traitor in town. Under the shadow of the eldritch tower, the occupiers are raising above the city. Finch is about to come face to face with a series of mysteries that will change him and Ambergris forever. Why does one of the victims most resemble a man thought to have been dead for a hundred years? What is the murders' connection to an attempted genocide nearly six hundred years ago? And just what is the secret purpose of the occupiers' tower?

Seeker Veronica Rossi, 2017-05-16 New

York Times and USA Today bestselling author Veronica Rossi's new fantasy adventure in the Rider series *Seeker*. When Daryn claimed she was seeing visions during her sophomore year of high school, no one believed the truth. She wasn't losing her mind; she was gaining the Sight, the ability to see the future. If she just paid attention to the visions, they'd provide her with clues and show her how she could help people. Really help them. Daryn embraced her role as a Seeker. The work she did was important. She saved lives. Until Sebastian. Sebastian was her first and worst mistake. Since the moment she inadvertently sealed him in a dark dimension with Samrael, the last surviving demon in the Kindred, guilt has plagued her. Daryn knows Sebastian is alive and waiting for help. It's up to her to rescue him. But now that she needs the Sight more than ever to guide her, the visions have stopped. Daryn must rely on her instincts, her intelligence, and on blind faith to lead the riders who are counting on her in search of Sebastian. As they delve into a shadowy realm where nothing is as it seems and where Samrael is steadily amassing power, Daryn faces the ultimate test: Will she have to become evil to destroy evil? The very fate of humankind rests in the answer. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

There Is a Place Where We Meet Purcell Mark Purcell, Mark Purcell, 2009-10. After over 25 years of working with people and attempting to help them as a psychotherapist, trainer, and teacher, I have not only walked through the joys and struggles of my own life experiences and those of family and friends, but I have had the benefits and privilege of learning and living vicariously while listening to untold hours with literally thousands of clients during their own struggling and searching. I have been encouraged by and privileged to watch the healing, growth, and transcendence from life's struggles of thousands of people, and I have felt pain and sadness in witnessing the deterioration, resistance, and self-destruction of countless others. I have come to believe that the primary determining factor of whether one experiences transcendence or deterioration is a determined willingness to go through the struggles and to develop an attitude that looks courageously into the eye of the storm and says assuredly, "You will not break me." These poems are captured moments of my own experiences and reflections on the journeys of others as we have separately and together enjoyed the sunrises and sunsets while sometimes weathering the storms in between. May these poems help you better understand yourself and your fellow travelers, and no matter how difficult or deep your own abyss of darkness may be, you always find Hope. THE RHYTHM OF LIFE. Today could not have been. Without yesterday's haunting wind blowing by and changing my life, stirring up realities and other sundry strife. The happenings of this hour would rightfully have no power without the joys and pains of past shaping and creating me at last. Had even one conversation been altered, or one person or event faltered, this moment in which I now breathe would not now be as is conceived. There is a Great Choreographer somewhere, someplace, who orchestrates my moves and your every pace, matching our steps in infinite perfect time. Then this dance, once confusing, starts to rhyme.
