Donaldson, 2011-04-14

From the first episode to the latest feature film two main symbols provide the driving force for the iconic television series *The X-Files* Fox Mulder's I Want to Believe poster and Dana Scully's cross necklace Mulder's poster may feature a flying saucer but the phrase I want to believe refers to more than simply the quest for the truth about aliens The search for extraterrestrial life the truth that is out there is a metaphor for the search for God The desire to believe in something greater than ourselves is part of human nature we want to believe Scully's cross represents this desire to believe as well as the internal struggle between faith and what we can see and prove *The X-Files* depicts this struggle by posing questions and exploring possible answers both natural and supernatural Why would God let the innocent suffer Can God forgive even the most heinous criminal What if God is giving us signs to point the way to the truth but we're not paying attention These are some of the questions raised by *The X-Files* In the spirit of the show this book uses the symbols and images presented throughout the series to pose such questions and explore some of the answers particularly in the Christian tradition With a focus on key themes of the series faith hope love and truth along the way this book journeys from the desire to believe to the message of the cross **Families of Western New York** William Richard Cutter, 2009-06 A stronghold of Scotch Irish settlement
