Falling Into to Glory Robert Westall,1995 The Danger of Falling Into the Hands of the Living God Matthew Mead,C. Matthew McMahon,2016-06-13 In this convicting work directed to increase a healthy fear of the Living God to Christians Mead works from Hebrews 10:31 It is a fearful thing to fall into the hands of the Living God Mead teaches in what sense God is the living God and what it means to fall into the hands of this God who lives Every sinner redeemed or remaining in unbelief will ultimately stand in judgment before the Living God and will have to deal with God both necessarily and everlastingly Necessarily as God requires an account of their life and everlastingly where the final state of the sinner will be determined Mead demonstrates that having such a healthy fear of falling into God's hands is evidenced from that terror which sinners themselves many times feel under the sense of God's wrath in this world Men must be saved by Christ to escape the dreadful judgment that accompanies unbelief when they fall into the hands of the Living God This union with Christ God's only Redeemer is such a union as that by it a man's state is fundamentally changed so that he is no longer a child of wrath It is a union fixed in the blessed state of justification and the forgiveness of sins By virtue of this union he has a right to all the blessings of the covenant This is what gives Christians great boldness in the day of judgment to stand before the Living God in whom hands they are judged This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions *The Ministry, Vol. 02, No. 08* Various Authors,1998-08-01 In this issue of *The Ministry* we include a collection of short messages spoken by Brother Lee at different times and in different places throughout the United States between 1969 and 1972 concerning migration These messages emphasize the twofold need in the Lord's recovery in this country to build up a strong large and adequate testimony in a

metropolitan city as a center and from such a center to spread the church life to the strategic cities throughout the whole country Following this are six messages from the Crystallization study of the Epistle to the Hebrews which were given in the Living Stream Ministry's Summer Training of 1998 The major crystals presented during this time of training can be expressed in the following statements The believers in Christ should be river crossers following the Lord Jesus the Pioneer and Forerunner into the glorious expression of the Divine Being Christ as the Captain of salvation is leading God's many sons into glory the corporate expression of God by saving them organically through sanctification Christ our High Priest ministers to us whatever we need dispensing Himself into us as our supply for the fulfillment of God's eternal purpose and we need to be brought on to maturity pursuing toward the fullest enjoyment and gaining of Christ for the uttermost enjoyment of Christ in the millennial kingdom Lastly we include a number of letters of appreciation concerning The Stream magazine in the Spanish language El Manantial Due to necessary adjustments in the schedule for producing this magazine we are combining the August and September issues

Vainglory Rebecca Konyndyk DeYoung, 2014-12-03 *Vainglory* a keen desire for attention and approval Although contemporary culture has largely forgotten about vainglory it was on the original list of seven capital vices and is perhaps more dangerous than ever today DeYoung tells the story of this vice moving from its ancient origins to its modern expressions She defines vainglory gives examples from popular culture and discusses other vices associated with it such as hypocrisy and boasting She then explores personal spiritual practices that can help us resist it and community practices that can help us handle glory well

The

Ministry, Vol. 03, No. 02 Various Authors, 2017-05-03 In this issue of The Ministry we continue the speaking by Brother Lee concerning the God ordained way as the present practice in God's economy In this message we see some practical steps to carry out the home meetings so that the church life becomes a part of the saints daily life The churches should make a census of all the dormant members and be burdened to recover them house by house until they are firmly established and rooted in the church This requires our diligent thorough and practical labor together with God In addition Brother Lee speaks a word on how the churches should care for the full time serving ones among us The next three messages are a continuation of messages given in the full time training in Anaheim in the fall of 1997 concerning the grafted life These messages begin to unveil the relationship between the grafted life and God's organic salvation Message Seven unfolds the matters of regeneration and sanctification Regeneration is to bring God into man to have God as life in addition to our original human life Sanctification is to be saturated with God organically sanctification is for God's sonizing that is sanctification is for sonship Message Eight presents the matters of renewing and transformation As believers we must be thoroughly and absolutely renewed so that we may be the new creation of God and for God To be renewed is to have God's element added into our being to replace and discharge our old element Transformation as the issue of renewing is not an outward change or correction but it is a spiritual metabolism it is the metabolic function of the life of God in the believers Message Nine shows us that conformation denotes the shaping of life as the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God Glorification however is the step in God's complete salvation in which God will completely saturate our body with the glory of His life and nature Lastly we include letters concerning the Lord's move in the Pacific Islands and Romania
