Falls In Older People Prevention And Management:

Falls in Older Persons Rein Tideiksaar,1998 In both hospitals and long term care facilities it s the older patients and residents who are most prone to falling and most vulnerable to serious injury from a fall Staff must constantly be on the alert for hazardous situations and know how to deal with falls This easy to read guide provides just the right amount of information needed by health care staff to prevent and manage this common problem among older adults This book presents a wealth of practical recommendations modifications equipment and resources that will improve the health and safety of older adult patients and long term care residents BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Falls in Older People Rein Tideiksaar,2002 This book provides the practical recommendations modifications types of equipment and resources that will improve the safety health and quality of life of older patients and residents of long term care facilities It also includes photocopiable forms and discharge checklists BOOK JACKET Falls in Older People Rein Tideiksaar,2010 Falls in older people is a comprehensive guide to preventing and managing falls in hospitals and long term care settings Jam packed with practical strategies assessment tools and management practices Falls in Older People includes all the medical rehabilitative and environmental strategies needed in any care setting to protect the safety and health of at risk older adults

Medication-Related Falls in Older People Allen R. Huang,Louise Mallet,2016-07-25 Comprising a single repository of knowledge and scientific evidence in the field this book provides strategies to mitigate fall risk by providing information on the complex interactions between aging processes co morbid conditions and prescribed medications in older patients Geriatric health is becoming a more prominent issue as the population ages and balancing the beneficial effects of medication against the potential and real side effects in these patients involves a deliberate and thoughtful task physiologic aging the accumulation of co morbidities and the use of drugs to manage various conditions and symptoms generates a unique set of problems for each patient Falls are a dreaded event in older people The event can affect a person in a physical and psychological manner resulting in soft tissue and bony injury fear of falling and depression The identification of and reduction in fall risks in older people is a worldwide concern and reducing the incidence of falls is a ubiquitous quality measure of health care delivery Heterogeneity amongst older people precludes a single solution However physicians and others involved in the care of geriatric patients will benefit from the presented insights into how medication use can be modified to limit its impact as a contributing factor *WHO Global Report on Falls Prevention in Older Age* ,2008 The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country territory city or area or of its authorities or concerning the delimitation of its frontiers or boundaries ALC would like to thank three institutions for their financial and technical support the Division of Aging and Seniors Public Health Agency of Canada the Department of Healthy Children Women and Seniors British Columbia Ministry of Health and the British Columbia injury

Prevention and Research Unit For example older people tend to for people at the age of 60 and older in describe a fall as a loss of balance whereas Australia Canada and the United Kingdom health care professionals generally refer to of Great Britain and Northern Ireland UK events leading to injuries and ill health 1 For example Environmental factors encapsulate the the loss of muscle strength leads to a loss interplay of individuals physical conditions of function and to a higher level of frailty and the surrounding environment includ which intensifies the risk of falling due to ing home hazards and hazardous features some environmental hazards see Chapter 3 in public environment Health economic status of individuals as well as care impacts and costs of falls in older age the capacity of the community to challenge are significantly increasing all over the them Evidence-Based Practices to Reduce Falls and Fall-Related Injuries Among Older Adults Cassandra W. Frieson,Maw Pin Tan,Marcia G. Ory,Matthew Lee Smith,2018-09-20 Falls and fall related injuries among older adults have emerged as serious global health concerns which place a burden on individuals their families and greater society As fall incidence rates increase alongside our globally aging population fall related mortality hospitalizations and costs are reaching never seen before heights Because falls occur in clinical and community settings additional efforts are needed to understand the intrinsic and extrinsic factors that cause falls among older adults effective strategies to reduce fall related risk and the role of various professionals in interventions and efforts to prevent falls e g nurses physicians physical therapists occupational therapists health educators social workers economists policy makers As such this Research Topic sought articles that described interventions at the clinical community and or policy level to prevent falls and related risk factors Preference was given to articles related to multi factorial evidence based interventions in clinical e g hospitals long term care facilities skilled nursing facilities residential facilities and community e g senior centers recreation facilities faith based organizations settings However articles related to public health indicators and social determinants related to falls were also included based on their direct implications for evidence based interventions and best practices Nursing Care of Older People Andrew Hindle,Alison Coates,2011-02-10 Nursing care of older people provides a new contemporary evidence based and practical guide to meeting the holistic health needs of older patients With a clear and engaging style the authors outline a rigorous and robust account of underlying principles and evidence with tools and tips for best nursing practice This comprehensive textbook examines the changes brought about by the ageing process to both physical and mental health as well as learning disabilities Providing essential insights necessary to deliver high quality nursing in primary and hospital care this text covers a wide range of issues and clinical topics Learning is aided by case studies nursing insights activities and reflection enabling readers to apply theory to practice This text is particularly useful for pre and post registration student nurses qualified nursing staff and other healthcare professionals working alongside nurses to deliver care to older people The online resource centre to accompany Nursing care of older people features For students and lecturers Additional interactive case studies National policy links Website links to national older people organizations charities and support groups and links

to journals on older patients in health care Audio podcasts on the nursing care of older people **A Comprehensive Guide to Safety and Aging** Barry S. Eckert, Robert Wolf, Amy R. Ehrlich, 2023-06-16 This book is a comprehensive survey on safety for older adults It contains contributions by experts from over a dozen disciplines including physicians audiologists optometrists mental health professionals lawyers occupational therapists and policy makers This multi disciplinary approach provides a new and expansive conceptual framework for health care professionals students policymakers and others who care for older adults and promotes an understanding of the many challenges that adults face as they age This book describes the complex range of issues that need to be considered when safeguarding older adults We hope that this book will be of benefit to anyone currently working or training to work with older adults helping them to fully appreciate the many safety issues that can arise The book will be also be useful for both older adults and their caregivers helping them to identify and address areas of concern Our goal is to mitigate injury or other harm through an increased understanding of the risks encountered by older adults This text will also appeal to professionals and graduate students in the fields of human factors and ergonomics occupational health and safety Nursing for Wellness in Older Adults Carol A. Miller, 2009 Now in its Fifth Edition this text provides a comprehensive and wellness oriented approach to the theory and practice of gerontologic nursing Organized around the author s unique functional consequences theory of gerontologic nursing the book explores normal age related changes and risk factors that often interfere with optimal health and functioning to effectively identify and teach health promotion interventions The author provides research based background information and a variety of practical assessment and intervention strategies for use in every clinical setting Highlights of this edition include expanded coverage of evidence based practice more first person stories new chapters and clinical tools such as assessment tools recommended by the Hartford Institute of Geriatric Nursing Physical Management for Neurological Conditions E-Book Maria Stokes, Emma Stack, 2011-04-19 The third edition of this popular textbook formerly Physical Management in Neurological Rehabilitation and now renamed Physical Management for Neurological Conditions maintains its scientific and research base with extensive use of references and case studies It is the only book for physiotherapists that offers a comprehensive overview of the basic principles of neurological rehabilitation specific neurological neuromuscular conditions and the related physiotherapy treatment approaches used Important areas which feature throughout are discussed in relation to the different neurological conditions and include a non prescriptive multidisciplinary problem solving approach to patient management involvement of the patient and carer in goal setting and decision making client centred practice use of outcome measures to evaluate the effects of treatment in everyday practice use of case studies to illustrate clinical practice scientific evidence of treatment effectiveness Additional specialist editor Dr Emma Stack Refined content but with the inclusion of 4 brand new chapters an introductory chapter on rehabilitation in practice one on respiratory management and two covering self management and falls under the section entitled Skill Acquisition and Learning 11 new expert contributors join the reduced

contributor team of 31 *Handbook of Geriatric Care Management* Cathy Cress, 2011-03-30 A comprehensive guide for Geriatric Care Managers GCMs to help define duties and procedures while providing guidelines for setting up a geriatric care practice from publisher description

Falls In Older People Prevention And Management Introduction

In today's digital age, the availability of Falls In Older People Prevention And Management books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Falls In Older People Prevention And Management books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Falls In Older People Prevention And Management books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Falls In Older People Prevention And Management versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Falls In Older People Prevention And Management books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Falls In Older People Prevention And Management books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Falls In Older People Prevention And Management books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Falls In Older People Prevention And Management books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Falls In Older People Prevention And Management books and manuals for download and embark on your journey of knowledge?
