## **False Idols:**

**False Idols: How Diversion is Destroying Democracy** Kurt Warner, 2025-01-07 The ancient Roman poet and satirist Juvenal stated that people were distracted by bread and circuses rather than engaged in their civic duty Juvenal argued these bread and circuses or basic needs and entertainment consumed the thoughts and lives of the average Roman no matter what was happening in the Republic around them The powerful political forces in society used many different forms of distraction to enable them to do what they wanted unimpeded by the masses False Idols How Diversion Is Destroying Democracy picks up where Juvenal left off The book is a journey through contemporary America and it illustrates how the concept of bread and circuses is as powerful and as relevant now as it was in the days of ancient Rome It examines the deliberate distractions that are created by the cultivation of false idols The distractions include the adoration of celebrities and parasocial interactions the economic culture and the implicit belief systems contained within it sports and the adoration of athletes the political system and structure the art music and literature we spend our time listening to and watching the internet and social media that occupies so much of our time and the video games that occupy the minds and much of the lives of so many people As long as everybody is chasing and distracted by these bread and circuses they are willfully negligent to the goings on in the very fabric of the social network that is of our society government and country The more negligent they become the more the democracy continues withering and dying This book systemically deconstructs a modern society that seems designed to consistently pull us away from rather than draw us toward the creation of a better existence for all Overcome Modern Idols Bruce Leiter, 2020-10-17 Do you struggle because of situations or people that weigh you down How can you get help This book can help you gain victory over the stressful circumstances in your life God wants to make you into his victor instead of being a victim Using easy to read language with a generous dose of humor the author explains and applies the Bible to everyone's daily life As a result God can enable you overcome the many false gods that creep into your life from your culture The study has discussion questions for groups and practical steps you can follow to help you run on your journey with Jesus toward every believer's goal final perfection after death Notice the following review by Rev Jack Stulp retired pastor and home missions administrator Having read Overcome Modern Idols I appreciate that it's not merely a collection of the author's opinions It is full of Scripture that is quoted and is expounded Author Leiter is impressed with our Lord's wisdom and seeks to share it This book does not take the common approach of naming things that people accept as idols like money Reflecting much thinking and meditation this book gets us to think of ways that people come up with distorted and wrong ideas of what God is like and then worship these distorted concepts which are false gods I found it helpful and am pleased to recommend this book to others The following review is from Judy Dunnagan a Moody Publishers editor We can tell that this message is very near and dear to your heart Your study is very compelling and is needed for such a time as this The Bible study's chapter outline follows Part One An important pattern 1 The desperate need to overcome the false gods and the evil

**The Middle East and North Africa** Florian Zemmin,Nequin Yavari,Markus Dressler,Nurit Stadler,2024-12-16 This volume collects reflections on secularity from the Middle East and North Africa To highlight proximate connections as well as resonances with debates elsewhere it includes premodern

contributions from the region as well as Jewish thought from Europe that have provided significant references for modern appropriations of secularity. The texts for the most part previously untranslated reflect commonalities within the region as well as its great diversity. Thus while Islam is a common reference for most of our authors the selections point to its varied invocations in the interest of differing political ends. Others write from a Christian or Jewish perspective or subscribe to non religious intellectual traditions. They range from premodern Muslim jurists and philosophers to Ottoman statesmen Arab socialist and nationalist intellectuals of the interwar period Iranian revolutionaries Israeli novelists and finally post secular intellectuals lay and religious predominantly from the former Islamic heartland modern Arab states and Iran. Several introductions weave together the swathe of topics raised in the discussions beginning with a schematic presentation of the concerns that undergird the volume's organization.

40 Days in the Desert John Paul Thomas, 2024-01-10 Lent is a sacred time of the year. On the surface many cringe at the thought of Lent approaching but deep down faithful Christians anticipate this holy time with hopefulness that it will produce good fruit in their lives. Recall Jesus saying Enter through the narrow gate for the gate is wide and the road broad that leads to destruction and those who enter through it are many. How narrow the gate and constricted the road that leads to life. And those who find it are few. Matthew 7:13-14. Entering through that narrow gate is a path that requires resolve and sacrificial love. In order to take that constricted and challenging road we must face difficult aspects of our lives including our sins. The purpose of this book is to offer meditations for the Lenten season that are based on Jesus' forty days in the desert. The reflections for the traditional forty days of Lent begin with Jesus' forty days in the desert and include the seven capital sins and events of Holy Week. In addition separate reflections for every Sunday of Lent are included.

*ASAP Recovery* Chuck Chapman, 2024-10-28 The Bible says freedom is the birthright of every child of God who has been born again into His Kingdom Therefore whether you are here for sin addiction loss brokenness burnout needing a fresh move of God in your life or to find healing for the pains of the past or for your damaged emotions the Word of God promises that this freedom is available to all of His children And yet how many people do you know who are truly walking in this promised freedom ASAP Recovery Building on the Right Foundation addresses this disconnect between promise and experience by firmly reestablishing three foundational truths that the church has always believed but forgotten somewhere along the way All of the Bible is Inspired or written by God 2 Timothy 3:16-17 All of the Bible is Inerrant or without errors Psalm 18:30 All of the Bible is Infallible or incapable of failing to deliver on any of the things it says it will Isaiah 55:11 The reason these three foundational truth claims should matter to those in the church and especially to those of us in the recovery community is If you don't believe the first claim that God wrote the Book then you will never believe the second claim that it is without errors And if you never believe this second claim then you will never trust in nor experience for yourself the victory that the Word of God offers you over any and all addictions and willful sin in its third claim to be infallible By the end of this book you will know beyond a reasonable doubt that the Bible is the very words of God Himself and therefore above reproach thus establishing it as the only foundation to build our life and recovery on Furthermore you will also find that no matter who you are where you've been what you've done or how far gone you may be this book was written to take both the addicted and defeated Christian alike down the same path of Scripture until they arrive at their destination and heart's desire freedom

Curtin,2020-04-16 This book intends to edify and encourage the reader to look for and recognize monuments they have established as they walk through life It begins with the world s ancient monuments progresses through to American s monuments God s monuments and Israel s preservation monuments and then contrasts them against monuments to sin and conflict and winds down to personal victory monuments and finally finishes up with recognizing your monuments The objective is to cause the reader to say Yes my life is important and I have monuments to prove it Then the reader should take a second look at God s monuments and recognize where they are in God s plan of redemption I believe it will provoke them to aspire to achieve God s memorials in their life      **RENEWAL** Mario Quezada,2023-09-07 This is the devotional I wish I had when I was a young Christian boy growing in the faith As a young teenager I was unsure what this new life was supposed to be I struggled between the two worlds of wanting to be accepted by my peers and this new idea of being a Christian At only 13 I desperately wanted to know Jesus the real Jesus of the Bible I read feverishly through the Word Memorizing and highlighting But with no mentor and no older Christian brothers I lost my zeal I still wanted to know Jesus but I was easily pulled into the world because of my desire to have others accept me The world left me empty and disillusioned every time And every time I would limp back to the loving arms of my Father All I wanted was for someone to take an interest in me to love me to mentor me to show me what manhood was all about and to know the Biblical view of who God created me to be This devotional was born out of years of mentoring youth teenagers and young adults I believe this is what God has called me to do To help the next generation of men live the supernatural lives God intended them to live Many of the entries end with a prayer These prayers are designed to encourage exhort and or activate your faith Please feel free to take the spirit of each prayer to inform a prayer of your own Are you ready      **The Gospel According to Lilith** Lonnie Hicks,2009-12-21 An
