Unconditional Eternal Security David Cassady,2008-07 Perhaps as never before in The Church s history is there a need to return to the message of repentance of sin obedience to the Word of God and separation from the world Sadly these things are seldom mentioned in today s churches In my other book entitled Spiritual Warfare I exposed some of Satan s counterfeits of the Holy Spirit as well as a discussion on demonology and deliverance In this book however I want to deal with the Doctrine of Unconditional Eternal Security a doctrine that has lulled countless thousands into a false sense of security The Doctrine of Unconditional Eternal Security or Once Saved Always Saved teaches that there is nothing in our conduct and behavior that can cause us to lose our salvation once we have accepted Christ as our Lord and Saviour One

Bible teacher went so far as to say during his teaching series on Eternal Security That our obedience to God s Word has nothing to do with our eternal destiny But does the Bible really teach that This book is an examination of the Scripture to answer that very question David Cassady is not a Bible scholar pastor or teacher Nor has he been to seminary He is simply a lay person who is deeply concerned about what he sees happening in and to the body of Christ and wants to help by shedding some light on this very misleading doctrine He is also the author of a book entitled Spiritual Warfare which deals with religious deception counterfeits of the Holy Spirit demonology and deliverance
