Ford, 2014-10-08 For fans of contemporary society professional football who thought they had read everything about the history of the game Mark L Ford breaks new ground with this account of the NFL preseason Described as test labs by Ford preseason games are a time for trying out new strategies considering future rule changes and implementing television coverage innovations For thousands of players who vie for a spot in the league every summer the preseason is also the defining moment where careers can be made or broken A History of NFL Preseason and Exhibition Games 1986 to 2013 is one of two books by Ford on professional football s preseason Along with its companion volume which covers 1960 to 1985 these resources provide information on every NFL and AFL preseason game played since the AFL was launched in 1960 All the interesting events and people that were part of these summer battles are detailed as well as the first outings for new teams new rules and new stars Ford also includes

amusing anecdotes and mishaps such as a last minute defeat in 2000 when a player tackled his own teammate Along the way Ford recounts key off season developments that would transform professional football from a modest enterprise into a global monopoly with annual revenues and assets worth billions A History of NFL Preseason and Exhibition Games is a unique and important reference for pro football fans and cultural historians alike **Big Game** Mark Leibovich, 2018-09-04 A raucous smash mouth first person takedown of the National Football League Wall Street Journal The New York Times bestseller From the 1 New York Times bestselling author of This Town an equally merciless probing of America's biggest cultural force pro football at a moment of peak success and high anxiety Like millions of Americans Mark Leibovich has spent more of his life tuned into pro football than he d care to admit Being a lifelong New England Patriots fan meant growing up on a steady diet of lovable loserdom That is until the Tom Brady Bill Belichick era made the Pats the most ruthlessly efficient and polarizing sports dynasty of the modern NFL and its fans the most irritating in all of Pigskin America Leibovich kept his obsession quiet making a nice career for himself covering that other playground for rich and overgrown children American politics Still every now and then Leibovich would reach out to Tom Brady to gauge his willingness to subject himself to a profile He figured that the chances of Brady agreeing were a Hail Mary at best but Brady returned Mark's call in summer 2014 and kept on returning his calls through epic Patriots Super Bowl victory and defeat and a scandal involving Brady Deflategate whose grip on sports media was as profound as its true significance was ridiculous So began a four year odyssey that took Mark Leibovich deeper inside the NFL than anyone has gone before From the owners meeting to the draft to the sidelines of crucial games he takes in the show at the elbow of everyone from Brady to big name owners to the cordially despised NFL Commissioner Roger Goodell Ultimately BIG GAME is a chronicle of peak football the high point of the sport s economic success and cultural dominance but also the time when the dark side began to show It is an era of explosive revenue growth but also one of creeping existential fear Players have long joked that NFL stands for not for long but as the true impact of concussions becomes inescapable background noise it s increasingly difficult to enjoy the simple glory of football without the buzz kill of its obvious consequences And that was before Donald Trump In 2016 Mark s day job caught up with him and the NFL slammed headlong into America's culture wars Big Game is a journey through an epic storm Through it all Leibovich always keeps one eye on Tom Brady and his beloved Patriots through to the 2018 Super Bowl Pro football this hilarious and enthralling book proves may not be the sport America needs but it is most definitely the sport we deserve The Baseball Fan's Bucket List Robert Santelli, Jenna Santelli, 2010-03-09 No sports fans are more in touch with the history and ephemera of their game than baseball fans Hitting the sweet spot of our national pastime The Baseball Fans Bucket List presents a list of 162 absolute must things to do see get and experience before you kick the bucket Entries range from visiting Elysian Fields in Hoboken NJ site of the first pro baseball game to starting a baseball card collection experiencing Opening Day attending your favorite teams Fantasy Camp reading classic books like Ball Four and much more Each entry includes
