*Hearings* United States. Congress. House. Committee on Interstate and Foreign Commerce,1934      *Placemaker* Christie Purifoy,2019-03-12 Placemaker is a call to tend our souls our land and our homes to cultivate comfort beauty and peace in the places God has us Images of comfortable kitchens and flower filled gardens stir something deep within us we instinctively long for home In a world of chaos and conflict we want a place of comfort and peace In Placemaker Christie Purifoy invites us to notice our soul s desire for beauty our need to create and to be created again and again As she reflects on the joys and sorrows of two decades as a placemaker and her recent years living in and restoring a Pennsylvania farmhouse Christie shows us that we are all gardeners No matter our vocation we spend much of our lives tending keeping and caring In each act of creation we reflect the image of God In each moment of making beauty we realize that beauty is a mystery to receive Weaving together her family s journey with stories of botanical marvels and the histories of the flawed yet inspiring placemakers who shaped the land generations ago Christie calls us to cultivate orchards and communities to clap our hands along with the trees of the fields to step into our calling to create to make a place in the place God made for us Placemaker is a timely yet timeless reminder that the cultivation of good and beautiful places is not a retreat from the real world but a holy pursuit of a world that is more real than we know      **Primary Care Programs Directory, 1994** ,1994      *America's God and Country* William J. *Arguing until Doomsday* Michael E. Woods,2020-02-19 As the sectional crisis gripped the United States the rancor increasingly spread to the halls of Congress Preston Brooks s frenzied assault on Charles Sumner was perhaps the most notorious evidence of the dangerous divide between proslavery Democrats and the new antislavery Republican Party But as disunion loomed rifts within the majority Democratic Party were every bit as consequential And nowhere was the fracture more apparent than in the raging debates between Illinois s Stephen Douglas and Mississippi s Jefferson Davis As leaders of the Democrats northern and southern factions before the Civil War their passionate conflict of words and ideas has been overshadowed by their opposition to Abraham Lincoln But here weaving together biography and political history Michael E Woods restores Davis and Douglas s fatefully entwined lives and careers to the center of the Civil War era Operating on personal partisan and national levels Woods traces the deep roots of Democrats internal strife with fault lines drawn around fundamental questions of property rights and majority rule Neither belief in white supremacy nor expansionist zeal could reconcile Douglas and Davis s factions as their constituents formed their own lines in the proverbial soil of westward

expansion The first major reinterpretation of the Democratic Party's internal schism in more than a generation Arguing until Doomsday shows how two leading antebellum politicians ultimately shattered their party and hastened the coming of the Civil War
