Familiar Acts:

The Ethnic-Religious Identity of the Ethiopian in Acts 8:26-40 Jongmun Jung, 2024-05-30 This work examines the background of the Ethiopian eunuch in Acts 8:26-40. For a comprehensive study it utilizes echoic allusion, cultural background, and narrative criticism. It explores the textual tradition of Deut 23:1-8 in Jewish literature with a particular focus on Isaiah's inclusive presentation of eunuchs and foreigners in contrast to the Deuteronomy stipulation for the assembly of the Lord. This work also explores the ancient practice of castration, the Jewish exiles in Elephantine, and Jewish pilgrimage to reconstruct the cultural background of the Ethiopian eunuch. Additionally, it focuses on Luke's authorial role in presenting the gospel's geographic, ethnic, and religious expansion to identify the Ethiopian's ethnic and religious identity in the narrative development of the three trajectories. The conclusion drawn is that the Ethiopian eunuch cannot be identified as an uncircumcised gentile. Instead, he is more like an African man of Jewish descent included in the Abrahamic covenant but excluded from the cultic setting of worship in the temple.

America's Unpatriotic Acts Walter M. Brasch, 2005 Within six weeks of 9/11 in a nation gripped by fear and hatred, Congress overwhelmingly approved the USA PATRIOT Act drafted in secret by the Department of Justice. There was almost no debate and few in Congress were given more than a few hours to read the 342-page document. In *America's Unpatriotic Acts*, award-winning journalist and university professor Walter M. Brasch looks not just at the effects of the PATRIOT Act upon the nation but also at the innumerable civil rights violations conducted in the United States as well as by the United States in foreign countries during the three years following 9/11.

Acts Dean Pinter, 2019-04-09 A new commentary for today's world. *The Story of God Bible Commentary* explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts, guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Each volume employs three main, easy-to-use sections designed to help readers live out God's story: **LISTEN** to the Story (Includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story), **EXPLAIN** the Story (Explores and illuminates each text as embedded in its canonical and historical setting), **LIVE** the Story (Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students). **Acts** The question of Luke's purpose for writing this book has long been a topic of debate among Christians. Some see it as an apologetic defense against the misunderstandings of the Roman Empire. Others maintain that Luke's audience was primarily Christian and the story of Acts offers pastoral encouragement. Still others believe that Acts was written to address theological issues facing the early church. In the end, no single purpose may be able to account for all the rich complexity that exists in Acts. Edited by Scot McKnight and Tremper Longman III and written by a number of top-notch theologians, *The Story of God Bible Commentary* series will bring relevant, balanced, and clear-minded theological

insight to any biblical education or ministry

Luke's Characters in their Jewish World Jenny

Read-Heimerdinger, 2024-08-22 Jenny Read Heimerdinger explores the characters of Luke Acts in order to situate them in the Jewish world to which they belong Through a close reading of the Greek text she argues that Luke emerges as a person thoroughly steeped in a Jewish view of Scripture familiar with a range of associated oral traditions and that taking account of the Jewish features allows new insights into the way that the author situates events and characters firmly within the history of Israel before the Church was a separate institution or religion Read Heimerdinger proposes that such a view of his work implies an addressee capable of understanding what he received and that one eminently qualified candidate is Theophilus the high priest in Jerusalem 37 41 and brother in law of Caiaphas The Jewish perspective of Luke's two volumes is more visible in forms of the text not used for modern translations notably that of Codex Bezae and the early versions which are rejected by the editors of the Greek New Testament on which translations are based Read Heimerdinger draws on the analysis of the variants of the Greek text analysed in her previous *Luke in his Own Words* 2022 in a manner more accessible to readers unfamiliar with Greek The variant readings make use of a sophisticated knowledge of Jewish exegetical techniques that would generally be discarded by later generations of Christians but which are increasingly being recognized by NT scholars in line with Jewish historical studies of Second Temple and Rabbinic Judaism Seeing the characters of Luke Acts through Theophilus eyes brings exciting insights and a fresh understanding of the author's message *Cuzco* Michael J.

Schreffler, 2020-07-03 A story of change in the Inca capital told through its artefacts architecture and historical documents Through objects buildings and colonial texts this book tells the story of how Cuzco the capital of the Inca Empire was transformed into a Spanish colonial city When Spaniards invaded and conquered Peru in the 16th century they installed in Cuzco not only a government of their own but also a distinctly European architectural style Layered atop the characteristic stone walls plazas and trapezoidal portals of the former Inca town were columns arcades and even a cathedral This fascinating book charts the history of Cuzco through its architecture revealing traces of colonial encounters still visible in the modern city A remarkable collection of primary sources reconstructs this narrative writings by secretaries to colonial administrators histories conveyed to Spanish translators by native Andeans and legal documents and reports Cuzco's infrastructure reveals how the city wracked by devastating siege and insurrection was reborn as an ethnically and stylistically diverse community *Everyday Border Struggles* Thom Tyerman, 2021-07-29 This book examines everyday borders in the UK and Calais as sites of ethical political struggle between segregation and solidarity In an age of mobility borders appear to be everywhere Encountered more and more in our everyday lives borders locally enact global divisions and inequalities of power wealth and identity Critically examining everyday borders in the UK and Calais Tyerman shows them to be sites of ethical political struggle From the Calais jungle to the UK's hostile environment it shows how borders are carried out through practices of everyday segregation that make life for some but not others unliveable At the same time it reveals

the practices of everyday solidarity with which people on the move confront these segregating borders This book sheds light on the complex ways borders entrench themselves in our lives the complicity of ordinary people in their enactment and the seductive power they continue to assert over our political imaginations Of general interest to scholars and students working on issues of migration borders citizenship and security in international politics sociology and philosophy this book will also appeal to practitioners in areas of migrant rights asylum advocacy anti detention or deportation campaigning human rights direct democracy and community organising

Social Learning Thomas R. Zentall, B. G. Galef, Jr., 2013-12-16 First published in 1988 During the past decade there has been a marked increase in the number of North American and European laboratories engaged in the study of social learning As a consequence evidence is rapidly accumulating that in animals as in humans social interaction plays an important role in facilitating development of adaptive patterns of behavior Experimenters are isolated both by the phenomena they study and by the species with which they work The process of creating a coherent field out of the diversity of current social learning research is likely to be both long and difficult It the authors hope that the present volume may prove a useful first step in bringing order to a diverse field

Rights and Demands Margaret Gilbert, 2018 Margaret Gilbert presents the first full length treatment of a central class of rights demand rights To have such a right is to have the standing or authority to demand a particular action of another person Gilbert argues that joint commitment is a ground of demand rights and gives joint commitment accounts of both agreements and promises

Experiencing Etruscan Pots Lucy Shipley, 2015-02-28 What was it like to use and live with Etruscan pottery Characterising that experience of Etruscan pottery is the concern of this book More specifically this volume aims to unpick both the physical encounter between vessel and hand and the emotional interaction between the user of a pot and the images inscribed upon its surface

Family and Succession Law in Greece Ismene Androulidakis-Dimitriadis(+), Elisabeth Poulou, 2019-08-05 Derived from the renowned multi volume International Encyclopaedia of Laws this concise exposition and analysis of the essential elements of law with regard to family relations marital property and succession to estates in Greece covers the legal rules and customs pertaining to the intertwined civic status of persons the family and property After an informative general introduction the book proceeds to an in depth discussion of the sources and instruments of family and succession law the authorities that adjudicate and administer the laws and issues surrounding the person as a legal entity and the legal disposition of property among family members Such matters as nationality domicile and residence marriage divorce and cohabitation adoption and guardianship succession and inter vivos arrangements and the acquisition and administration of estates are all treated to a degree of depth that will prove useful in nearly any situation likely to arise in legal practice The book is primarily designed to assist lawyers who find themselves having to apply rules of international private law or otherwise handling cases connected with Greece It will also be of great value to students and practitioners as a quick guide and easy to use practical resource in the field and especially to academicians and researchers engaged in

comparative studies by providing the necessary basic material of family and succession law **Roots of American Economic Growth 1607-1861** Stuart Bruchey, 2013-11-05 First Published in 2005 In this book the author seeks to apply a self described broad approach to American economic growth and to place the process within the mainstream of American history This approach establishes that economic growth involves far more than economics most students of growth view that process as one which cuts across the boundaries of the disciplines within the social sciences After a brief introduction of the subject of the book Bruchey further discusses the need for such guidance and tries to make clear what it is that has directed his own path in this field *Education and Educators* David Kay, 2024-01-16 Reprint of the original first published in 1883

Auditors: Auditors under the companies acts, partnership act and acts relating to executors & trustees, & to private audits Francis William Pixley, 1910 *Witchcraft, the Devil, and Emotions in Early Modern England* Charlotte-Rose Millar, 2017-07-14 This book represents the first systematic study of the role of the Devil in English witchcraft pamphlets for the entire period of state sanctioned witchcraft prosecutions 1563 1735 It provides a rereading of English witchcraft one which moves away from an older historiography which underplays the role of the Devil in English witchcraft and instead highlights the crucial role that the Devil often in the form of a familiar spirit took in English witchcraft belief One of the key ways in which this book explores the role of the Devil is through emotions Stories of witches were made up of a complex web of emotionally implicated accusers victims witnesses and supposed perpetrators They reveal a range of emotional experiences that do not just stem from malefic witchcraft but also and primarily from a witch s links with the Devil This book then has two main objectives First to suggest that English witchcraft pamphlets challenge our understanding of English witchcraft as a predominantly non diabolical crime and second to highlight how witchcraft narratives emphasized emotions as the primary motivation for witchcraft acts and accusations *Text-book in Intellectual Philosophy* James Tift Champlin, 1874 *One Minute Meditations at Work* Tom Zender, 2011-10-31 About the Book An increasing number of working people at all levels are turning to spirituality to find answers comfort and meaning in their careers jobs and work Concerns about the economy job losses and job stress appear in the media and in private conversations at home and at work One Minute Meditations at Work brings a new spiritual awareness into the workplace while raising the consciousness and confidence of people at work their organizations and the economy The result is a more purposeful and fulfilling working life with less stress and more success for anyone In a convenient format One Minute Meditations at Work provides daily spiritual and inspirational messages for working people of all faiths Each one minute reading focuses on a motivating word for the day plus a supporting affirmation a meaningful meditation and a relevant quotation by someone from history the arts sports government business and others The book reflects the authors direct experience as a successful corporate executive a productive worker and the leader of a global nondenominational spiritual movement He has personally written and used these meditations for years as a foundation for inspiration in his own daily work Tranquility of thoughts and stillness of spirit

during times of work are priceless gift s for readers of this inspirational book You can start reading today because One Minute Meditations at Work is timeless the meditations are uplifting every day of every year **Religion and the Antebellum Debate Over Slavery** John R. McKivigan,Mitchell Snay,1998 Essays discuss proslavery arguments in the churches the urge toward compromise and unity the coming of schisms in the various denominations and the role of local conditions in determining policies **Sacrifice in Greek and Roman Religions and Early Judaism** Royden Keith Yerkes,2010-09-01 **New Perspectives on Early Social-Cognitive Development** ,2020-08-26 New Perspectives on Early Social Cognitive Development Volume 258 in the Progress in Brain Research series highlights new advances in the field with this new volume presenting interesting chapters on topics such as Dynamics of Coordinated Attention Investigating the Role of Neural Body Maps in Early Social Cognitive Development New Insights from Infant MEG and EEG Motion tracking in developmental research Methodological considerations and social cognitive developmental applications Early maturation of the social brain How brain development provides a platform for the acquisition of social cognitive competence Getting a grip on early intention understanding The role of motor cognitive and social factors and much more Provides the authority and expertise of leading contributors from an international board of authors Presents the latest release in the Progress in Brain Research series Includes the latest information on New Perspectives on Early Social cognitive Development

Infrastructural Lives Stephen Graham,Colin McFarlane,2014-10-10 Infrastructural Lives is the first book to describe the everyday experience and politics of urban infrastructures It focuses on a range of infrastructures in both the global South and North The book examines how day to day experience and perception of infrastructure provides a new and powerful lens to view urban sustainability politics economics cultures and ecologies An interdisciplinary group of leading and emerging urban researchers examine critical questions about urban infrastructure in different global contexts The chapters address water sanitation and waste politics in Mumbai Kampala and Tyneside analyse the use of infrastructure in the dispossession of Palestinian communities explore the pacification of Rio s favelas in the run up to the 2014 World Cup describe how people s bodies and lives effectively operate as infrastructure in many major cities and also explores tentative experiments with low carbon infrastructures These diverse cases and perspectives are connected by a shared sense of infrastructure not just as a thing a system or an output but as a complex social and technological process that enables or disables particular kinds of action in the city Infrastructural Lives is crucial reading for academics researchers students and practitioners in urban studies globally
