## **Families Of Faith An Introduction To World Religions For Christians:**

*Families of Faith* Paul Varo Martinson, 1999 The major world religions once seemed far away but now are in our neighborhoods How can Christians understand them How can we respond in a way that is faithful to Christianity while being respectful of the other religions Martinson writes from his experience as a missionary and as a teacher of world religions He approaches world religions as families of faith Introduction to World Religions Christopher Hugh Partridge, 2005 Objective authoritative and lavishly illustrated with nearly 200 full colour photographs maps and diagrams Introduction to World Religions will be widely welcomed by all those seeking to understand the complexity and diversity of the world's religious landscape **A Study Companion to Introduction to World Religions** Beth Wright, 2013-11-01 The Study Companion is a valuable additional resource for introductory courses in world religions that use Christopher Partridge's Introduction to World Religions Second Edition Thoroughly checked and updated to work flawlessly with the revised second edition of this important text the Study Companion provides biographical information primary source readings bibliographies and many other pedagogical tools to enhance the student's experience **Around the Table** Jonathan P. Case, 2019-06-21 In these days of uncivil public discourse complete with trolling hater comments CAPSLOCKING and generally acting like jerks towards each other talking graciously about anything is becoming a lost art Throw religion into the mix Well my Bible says and you've got one huge toxic mess Is it possible for Christians to become more thoughtful and gracious conversation partners as we talk through our theological disagreements How can we keep from throwing around the term heretic every time someone disagrees with us And remember it's a big world out there If arguing with other Christians isn't difficult enough how do we think about engaging members of other religions What's the point of talking with them They don't know God anyway right Then there are all those agnostics and atheists accusing believers of ignorance and calling for the end of religion Why should we even want to talk with these people Aren't they our enemies What can we possibly learn from them In this book Jonathan Case explores from a Christian theological perspective what's at stake in these conversations and suggests how to keep people talking through their disagreements about that most volatile subject God **The Philosophy of Religion** Michael Palmer, 2008 One of the most notable features of the current philosophical climate is the resurgence of interest at school and university in the Philosophy of Religion With his extensive teaching experience at both these levels Dr Michael Palmer has created another invaluable aid for all students and instructors working in this area This two volume anthology is the most comprehensive compilation of major writings now available to the public while its user friendly structure makes it particularly important for students at differing levels of attainment The book includes comprehensive introductions to each topic detailed analysis of each essay biographical information about individual philosophers wide ranging bibliographies and examination questions The result is the most important aid to study in this area now on the market which will be an invaluable resource for students teachers and the general reader alike *Introducing World*

**Religion and the Family in Africa** M. Christian Green, Faith Kabata, 2021-12-31 The family is a crucial site for the interaction of law and religion the world over including Africa In many African societies the family is governed by a range of sources of law including civil constitutional customary and religious law International law and human rights principles have been domesticated into African legal systems particularly to protect the rights of women and children Religious rites and rituals govern sexuality marriage divorce child rearing inheritance intergenerational relations and more in Christianity Islam and indigenous African custom This book examines the African family with attention to tradition and change comparative law the relation of parents and children to the state indigenous religion and customary law child marriage and child labour and migration diaspora and displacement *Uncovering the Pearl* Amos Yong, Mark A. Lamport, Timothy T. N. Lim, 2023-09-19

Asia is by far the largest continent in the world The global expansion of the church which emanated from the Middle East as explored in the first book in the series moved along various routes to take root in Asia proper Christianity in Asia is extraordinarily diverse with very ancient forms of the faith dating to the time of the apostles The western church will be enlightened by the dynamic multi pronged Asian story of Christianity Asian Christianity is also distinct due to the numerous

non traditional house or cell movements found throughout the region The diversity of Christianity in Asia makes Christians in this region critical for the future of global Christianity

**The Christian Faith** Carl E. Braaten, 2020-05-29 This single volume of dogmatics is an introduction to the Christian faith as such written from an intentionally ecumenical perspective Although this book is written by a Lutheran its aim is to draw from the deep wells of the Christian tradition its creeds and confessions common to all denominations Denominational dogmatics tends to define and defend the teachings of the Christian faith from the perspective of a particular church in distinction from others Ecumenical dogmatics is a relatively new attempt to focus on the beliefs and teachings fundamental to all communities that call themselves Christian Such a project aims to be more irenic than polemical intent on seeking and serving reconciliation and unity in Christ The trinitarian and christological confessions of the first five centuries are foundational for all Eastern Orthodox Roman Catholic and Protestant Reformation churches and despite all their subsequent differences and divisions are quintessential in their journey toward reconciliation and reunion These ancient creeds also suggest the appropriate outline for the organization of the contents of dogmatics even today following the works of the triune God creation redemption and sanctification
