**Families of Eden** Judson Jerome, 1974      Breaking the Spell Robé, Chris, 2017-05-01 Breaking the Spell offers the first full length study that charts the historical trajectory of anarchist inflected video activism from the late 1960s to the present Two predominant trends emerge from this social movement based video activism 1 anarchist inflected processes increasingly structure its production distribution and exhibition practices and 2 video does not simply represent collective actions and events but also serves as a form of activist practice in and of itself from the moment of recording to its later distribution and exhibition Video plays an increasingly important role among activists in the growing global resistance against neoliberal capitalism As various radical theorists have pointed out subjectivity itself becomes a key terrain of struggle as capitalism increasingly structures and mines it through social media sites cell phone technology and new flexible work and living patterns As a result alternative media production becomes a central location where new collective forms of subjectivity can be created to challenge aspects of neoliberalism Chris Rob s book fills in historical gaps by bringing to light unexplored video activist groups like the Cascadia Forest Defenders eco video activists from Eugene Oregon Mobile Voices Latino day laborers harnessing cell phone technology to combat racism and police harassment in Los Angeles and Outta Your Backpack Media indigenous youth from the Southwest who use video to celebrate their culture and fight against marginalization This groundbreaking study also deepens our understanding of more well researched movements like AIDS video activism Paper Tiger Television and Indymedia by situating them within a longer history and wider context of radical video activism

*Contemporary Families and Alternative Lifestyles* Eleanor D. Macklin, Roger Harvey Rubin, 1983-02 Single parent families reconstituted families and dual earner families this monumental effort synthesizes research and explores theories about such alternatives to traditional family life Leading scholars were asked to write chapters about the new family forms They review what is already known about their particular topic its historical context its impact on individuals and society and suggestions for future directions They also deal with such key issues as the reaction of religion to these changes      **The Publishers**
