An independent sea captain bent on chasing adventure. A rakish earl hungry for distraction. Together they navigate the tides of scandal and desire. Miss Tassandra Devenport has never had a problem being independent. Raised by her father in Wales, she descends from a line of fishermen. She adores life on the sea and dreams of the day she can sail around the world. With Burnham On Sea starting to become a popular retreat, she has discovered a way to earn some extra blintz by offering daily tours along the Channel. When she's approached by a gentleman looking to impress a lady by improving his sailing skills, she reluctantly takes him on as her pupil. The problem is that he's handsome and arrogant, and she finds herself unwillingly drawn to him. She knows that it would be a disaster to entertain any sort of affair, but when they are forced to engage in a faux betrothal, the heat between them can't be denied. Fraser Castwell, the Earl of Stanton, has always been a man eager to please. A confirmed rake, he sets out to impress one woman but finds himself inexplicably drawn to another. Tassy, the captain of the *Miss Mercury*, is rather intriguing. She eschews ladies' convention in favor of practicality. He's never met anyone like her before, and the more he is around her, the more he wants to deepen their acquaintance. He's convinced that once he seduces her, this yearning will come to an end. However, when her reputation is in jeopardy, he is honor-bound to endure a fake engagement. The problem is that she doesn't know he's an earl. As his heart slowly starts to become attached, he makes the decision to be the man he always yearned to be. But will the lies and deceit be too much to save their love. *Between the Devil and the Deep Blue Sea* Colin Freeman, 2021-03-04

Captivating a John le Carré-esque yarn. Telegraph. A thoroughly good read. Michael Portillo, author of *Portillo's Hidden History of Britain* and presenter of *Great British Railway Journeys*. A compelling story of courage, determination, and skill. Terry Waite, CBE, author of *Taken on Trust*. The true story of a retired British army officer's private Somali hostage rescue mission. During the peak of the Somali piracy crisis, three ships from Malaysia, Thailand, and Taiwan were hijacked and then abandoned to their fate by their employers who lacked the money to pay ransoms. All would still be there were it not for Colonel John Steed, a retired British military attaché who launched his own private mission to free them. At 65, Colonel Steed was hardly an ideal saviour. With no experience in hostage negotiations and no money behind him, he had to raise the ransom cash from scratch, running the operation from his spare room and ferrying million-dollar ransom payments around in the boot of his car. Drawing on first-hand interviews, former chief foreign correspondent of *The Sunday Telegraph*, Colin Freeman, who has himself spent time held hostage by Somali pirates, takes

readers on an inside track into the world of hostage negotiation and one man's heroic rescue mission *The Bobbsey Twins On The Deep Blue Sea* Laura Lee Hope,2023-04-30 The Bobbsey Twins On The Deep Blue Sea is a children's book by Laura Lee Hope and part of the Bobbsey Twins series The book was first published in 1918 The story follows the adventures of the four Bobbsey siblings Bert Nan Freddie and Flossie as they embark on a summer vacation aboard their uncle's steamship the Ocean Queen The twins are excited to be going on such a grand adventure and look forward to exploring the ship meeting new friends and having fun in the sun However things take an unexpected turn when a valuable diamond necklace belonging to a wealthy passenger goes missing The twins who are always eager to solve mysteries take it upon themselves to investigate and find the culprit Along the way they encounter a cast of suspicious characters including a mysterious woman and a shady deckhand As the voyage continues the Bobbsey Twins face other challenges such as rough seas and a dangerous storm Through it all they work together to overcome their fears and solve the mystery of the missing necklace The Bobbsey Twins On The Deep Blue Sea is a fun and exciting adventure story that is sure to delight young readers With its engaging plot colorful characters and nautical setting it captures the thrill of a summer vacation and the excitement of exploring the high seas *Between the Devil and the Deep Blue Sea* Khadijah Queen,2025-08-05 We stay fighting even if we don't call it war Between the Devil and the Deep Blue Sea is a poet's memoir about family survival and one servicewoman's search for autonomy Yanked out of college and torn from her sunny hometown of Los Angeles in the early 1990s Khadijah Queen finds herself sharing a basement apartment with her mother and sister and working two retail jobs in snowy tiny Inkster Michigan Longing to escape the cycle of her family's poverty incarceration and addiction she joins the US Navy determined to earn money to finish college and make it back to L A on her own terms But soon after Queen completes her grueling training and boards a doomed destroyer she finds herself faced with near constant sexual harassment demeaning labor assignments and overt racism Stuck on a ship with nowhere to hide she looks to poetry literature and letters from home to get through the long days and maintain her dignity She keeps her head down until the workplace hostility against women spills over into her dating life and threatens to derail everything she has worked for In trying to break through the unspoken code of silence between sailors Queen must decide where her loyalties lie with the Navy or within herself Unflinching and masterfully penned this memoir questions the promises of service to reveal the true price of being a woman at sea **Summary of Gary Kinder's Ship of Gold in the Deep Blue Sea** Everest Media,2022-05-21T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 At the mouth of the harbor El Morro a massive brown escarpment rose up out of the sea The Central America was the biggest ship in the harbor She was sleek and black her decks scrubbed smooth with holystones and her deckhouses glistened with the yellowed patina of old varnish 2 The final five days of the journey were spent sailing to New York The weather was warm and the passengers spent the time talking about their families and wondering how things had changed since they left their homes in the East 3 Captain Herndon was the head of the captain's
