

ADVANCE PRAISE FOR  
**family and other accidents**

"This novel of brotherly love—of brothers, of their loves, of their lovers—explores the intersection of domestic urgencies and erotic requirements. The dialogue is witty, the sex is constant, and the wounded, small child inside each character is persuasively wrought.

Shari Goldhagen's writing is sympathetic and smart."  
—FREDERICK BUSCH, author of *North* and *The Night Inspector*

"In her touching, funny, and very wise first novel, Shari Goldhagen looks honestly at the relationship between two brothers over twenty-five years as they cope with discovery, loss, and renewal of family and love. *Family and Other Accidents* reassures us that closeness can spring from distance and connection from estrangement. This delightful book reminds us that life is always, in the end, surprising."

—LAN SAMANTHA CHANG, author of *Inheritance*

"Jack and Connor are by turns joyous and sad, wise and foolish, fragile and tough, kind and mean, even cruel—but they are always human, always fresh, always surprising, always lovable even when we least want to love them."

—BILL ROORBACH, author of *The Smallest Color* and *Big Bend*

"Shari Goldhagen has the sharp eye and the keen ear—not to mention the generous heart—to make these characters' stories ours."

—LEE K. ABBOTT, author of *All Things, All at Once* and *Love Is the Crooked Thing*

"Goldhagen illuminates with some of the deftest, unchillingly ironic, emotionally complex, understated, subtly tender, winning writing I have ever read."

—MICHELLE HERMAN, author of *Dog*

## Family And Other Accidents A Novel:

**Family and Other Accidents** Shari Goldhagen, 2006-04-04 Separated by a decade and 200 points on their SAT scores Jack and Connor Reed have a life in the Cleveland suburbs held together by spit and Chinese takeout With his self absorbed over the hill parents dead by his twenty fifth birthday Jack has abandoned his own plans and returned to his parents house where he works marathon hours at his late father s law firm beds young paralegals and throws money and advice at his teenage brother Connor meanwhile wants nothing more than to leave the Midwest start a family early and do everything the way his parents didn t But over the years through the car crashes and bad breakups the illnesses and illicit affairs both realize that while circumstances are sometimes beyond control there are always choices to be made *Family and Other Accidents* tells the story of these brothers from their viewpoints as well as from those of their girlfriends wives and children It is a story of what it means to be a family to love unconditionally in the face of confusion anger and regret Shari Goldhagen s debut is a finely nuanced universally resonant portrait of the ties however strange or awkward that bind families together through the decades

Everybody's Family Romance Gillian Harkins, 2009 In the 1990s a boom in autobiographical novels and memoirs about incest emerged making incest one of the hottest topics to connect daytime TV talk shows the self help industry and the literary publishing circuit In *Everybody s Family Romance* Gillian Harkins places this proliferation of incest literature at the center of transformations in the political and economic climate of the late twentieth century Harkins s interdisciplinary approach reveals how women s narratives about incest were co opted by and yet retained resistant strains against the cultural logics of the neoliberal state Across chapters examining legal cases on recovered memory popular journalism and novels and memoirs by Dorothy Allison Carolivia Herron Kathryn Harrison and Sapphire Harkins demonstrates that incest narratives look backward into the past In these accounts images of incest forge links between U S chattel slavery and the distributive impasses of the welfare state and between decades distant childhoods and emergent memories of the present In contrast to recent claims that incest narratives eclipse broader frameworks of political and economic power Harkins argues that their emergence exposes changing structural relations between the family and the nation and in doing so transforms the analyses of American familial sexual violence

first century texts warrant the designation flaneur literature Mu oz Molina has also contributed to the current decentralization of flaneur literature from Paris to smaller cities including Spanish cities like Granada Córdoba and San Sebastián Reflecting on Poe Baudelaire and Benjamin in these cities his characters update and revise the canon of flaneur literature stretching its discursive boundaries This study examines not only the mobility of his characters but also draws attention to intercultural aspects of his flaneur literature which lie both in a uniquely Spanish perspective on flânerie as well as in engagements with cultural otherness Walking through a Moroccan city or through Chinatown in New York Mu oz Molina's characters broaden the Eurocentric horizon of canonical flaneur literature and the modernist one of his Spanish flaneur precursor Federico García Lorca whose portrait of New York is revisited in Mu oz Molina's longest flaneur text National and literary boundaries blur as intercultural urban spaces transform his characters into transnational subjects This study traces the author's struggle with this globalization a residual rural nostalgia straddles uneasily with forays into filmic flânerie a form of spectatorship that renders the flaneur newly mobile in the mass mediatized environments of postmodernity If Mu oz Molina is generally regarded as an incisive chronicler of Spain's transition from Francoism to democracy and an attentive memorialist of the Spanish Civil War this study bases its portrait of a much more globally engaged Mu oz Molina in his characters' movements from Spain into the urban centers of Euro American postmodernity and its northern African periphery
