Family And Population In East Asian History:

Family and population in East Asian history Susan B. Hanley, 1985 **Family and Population in East Asian History** Susan B. Hanley, Arthur P. Wolf, Joint Committee on Chinese Studies (U.S.), Joint Committee on Japanese Studies, 1985 Based on a conference sponsored by the joint committees on Chinese Studies and Japanese Studies of the American Council of Learned Societies and the Social Science Research Council **Family Business in China, Volume 1**

Ling Chen, Jian An Zhu, Hanqing Fang, 2020-11-30 Unlike other economies family businesses in China are greatly affected by the derived Confucian culture excessive marketization as well as the seemingly endless institutional supervision by a transitional Chinese government China has a strong historical legacy devoted to patriarchal values and strong family centered traditions This volume explores the social foundations and historical legacies of families business families and family businesses in China It begins with an overview of a household family and clan in ancient China before an examination of the economic social and cultural functions that the family system served in Ancient China as well as the four unique features that distinguish the family system in ancient China from those in western societies It later discusses the evolution of the family system and the rise of family business before the establishment of the People's Republic of China in 1949 Finally it evaluates the family system before and after the Open up and Reform in 1978 This interdisciplinary work incorporating sociological anthropological and institutional contexts pertaining to China offers researchers the first advanced perspective of the development of family firms in China *A Cultural History of Marriage in the Age of Empires* Paul

Puschmann, 2021-11-18 During the age of empires 1800 1900 marriage was a key transition in the life course worldwide a rite of passage everywhere with major cultural significance This volume presents an overview of the period with essays on Courtship and Ritual Religion State and Law Kinship and Social Networks the Family Economy Love and Sex the Breaking of Vows and Representations of Marriage Using this framework this volume explores global trends in marriage In nineteenth century Western Europe marriage was increasingly regarded as the only way to reach happiness and self fulfilment In the United States former slaves obtained the right to marry leading to a convergence in marriage patterns between the black and white populations In Latin America marriage remained less common but marriage rates were nevertheless on the rise In African and Asian societies European colonial powers tried to change indigenous marriage customs like polygamy and arranged marriages but had limited success Across the globe in a time of turbulent political and economic change marriage and the family remained crucial institutions the linchpins of society that they had been for centuries *The Stem Family in Eurasian Perspective* Antoinette Fauve-Chamoux, Emiko Ochiai, 2009 Is the Asian stem family different from its European counterpart This question is a central issue in this collection of essays assembled by two historians of the family in Eurasian perspective The stem family is characterized by the residential rule that only one married child remains with the parents This rule has a direct effect upon household structure In short the stem family is a domestic unit of production and reproduction

that persists over generations handing down the patrimony through non egalitarian inheritance In spite of its ambiguous status in current family typology as something lurking in the valley between the nuclear family and the joint family the stem family was an important family form in pre industrial Western Europe and has been a focus of the European family history since Fr d ric Le Play and more recently Peter Laslett However the encounter with Asian family history has revealed that many areas in Asia also had and still have a considerable proportion of households with a stem family structure The stem family debate has entered a new stage In this book some studies that benefited from recently created large databases present micro level analyses of dynamic aspects of family systems while others discuss more broadly the rise and fall of family systems past and present A main concern of this book is whether the family type in a society is ethno culturally determined and resistant to changes or created by socio economic conditions Such a comparison that includes Asian countries activates a new phase of the discussion on the stem family and family systems in a global perspective

Chinese History in Economic Perspective Thomas G. Rawski, Lillian M. Li, 2024-07-26 This volume marks a turning point in the study of Chinese economic history It arose from a realization that the economic history of China as opposed to the history of the Chinese economy had yet to be written Most histories of the Chinese economy whether by Western or Chinese scholars tend to view the economy in institutional or social terms In contrast the studies in this volume break new ground by systematically applying economic theory and methods to the study of China While demonstrating to historians the advantages of an economic perspective the contributors comprising both historians and economists offer important new insights concerning issues of long standing interest to both disciplines Part One on price behavior presents for the first time preliminary analyses of the incomparably rich and important grain price data from the imperial archives in Beijing and Taipei during the Qing Dynasty 1644 1911 These studies reveal long term trends in the Chinese economy since the seventeenth century and contain surprising discoveries about market integration the agricultural economy and demographic behavior in different regions of China The essays in Part Two on market response deal with different aspects of the economy of Republican China 1912 49 showing that markets for land labor and capital sometimes functioned as predicted by models of economic rationality but at other times behaved in ways that can be explained only by combining economic analysis with knowledge of political regional class and gender differences Based on new types of data they suggest novel interpretations of the Chinese economic experience The resulting collection is interdisciplinary scholarship of a high order which weaves together the analytic framework provided by economic theory and the rich texture of social phenomena gathered by accomplished historians This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1992

Family, Ties and Care Hans Bertram, Nancy Ehler, 2011-11-29 Families international the

new milestone How may care be secured particularly in ageing societies how may families relatives and friends support each other and live together beyond market reasons How can social welfare be secured How do different countries and different cultures solve the problems they may or may not now or in days to come share with other countries and cultures Families as is found in this publication by internationally renowned experts are the base and well of society s fortune in a humane paradigm Furthermore it is the very backbone of lifelong solidarity in inter generational relations and the very place where the readiness of taking on care and responsibility are experienced and learned The publication s underlying idea opens up two perspectives on the one hand differences and similarities in family life forms are chiselled out on the base of an international cooperation Simultaneously the international authors are called upon to express their ideas about their own country s future more distinctly and clearly thus distinctions and similarities of the respective paths of development are rather easily perceived

World History Encyclopedia [21 volumes] Alfred J. Andrea Ph.D.,2011-03-23 An unprecedented undertaking by academics reflecting an extraordinary vision of world history this landmark multivolume encyclopedia focuses on specific themes of human development across cultures era by era providing the most in depth expansive presentation available of the development of humanity from a global perspective Well known and widely respected historians worked together to create and guide the project in order to offer the most up to date visions available A monumental undertaking A stunning academic achievement ABC CLIO s World History Encyclopedia is the first comprehensive work to take a large scale thematic look at the human species worldwide Comprised of 21 volumes covering 9 eras an introductory volume and an index it charts the extraordinary journey of humankind revealing crucial connections among civilizations in different regions through the ages Within each era the encyclopedia highlights pivotal interactions and exchanges among cultures within eight broad thematic categories population and environment society and culture migration and travel politics and statecraft economics and trade conflict and cooperation thought and religion science and technology Aligned to national history standards and packed with images primary resources current citations and extensive teaching and learning support the World History Encyclopedia gives students educators researchers and interested general readers a means of navigating the broad sweep of history unlike any ever published

Voices of Early Modern Japan Constantine Nomikos Vaporis,2020-11-27 In this newly revised and updated 2nd edition of Voices of Early Modern Japan Constantine Nomikos Vaporis offers an accessible collection of annotated historical documents of an extraordinary period in Japanese history ranging from the unification of warring states under Tokugawa Ieyasu in the early seventeenth century to the overthrow of the shogunate just after the opening of Japan by the West in the mid nineteenth century Through close examination of primary sources from The Great Peace this fascinating textbook offers fresh insights into the Tokugawa era its political institutions rigid class hierarchy artistic and material culture religious life and more demonstrating what historians can uncover from the words of ordinary people New features include An expanded section on religion morality and ethics A new selection of maps and visual

documents Sources from government documents and household records to diaries and personal correspondence translated and examined in light of the latest scholarship Updated references for student projects and research assignments The first edition of *Voices of Early Modern Japan* was the winner of the 2013 Franklin R Buchanan Prize for Curricular Materials This fully revised textbook will prove a comprehensive resource for teachers and students of East Asian Studies history culture and anthropology

Fertility and Pleasure William R. Lindsey, 2006-11-30 As their ubiquitous presence in Tokugawa artwork and literature suggests images of bourgeois wives and courtesans took on iconic status as representations of two opposing sets of female values Their differences both real and idealized indicate the full range of female roles and sexual values affirmed by Tokugawa society with Buddhist celibacy on the one end and the relatively free sexual associations of the urban and rural lower classes on the other The roles of courtesan and bourgeois housewife were each tied to a set of value based behaviors the primary institution to which a woman belonged and rituals that sought to model a woman's comportment in her interactions with men and figures of authority For housewives it was fertility values promulgated by lifestyle guides and moral texts which embraced the ideals of female obedience loyalty to the husband's household and sexual activity aimed at producing an heir Pleasure values by contrast flourished in the prostitution quarters and embraced playful relations and nonreproductive sexual activity designed to increase the bordello's bottom line What William Lindsey reveals in this well researched study is that although the values that idealized the role of wife and courtesan were highly disparate the rituals symbols and popular practices both engaged in exhibited a degree of similitude and parallelism *Fertility and Pleasure* examines the rituals available to young women in the household and pleasure quarters that could be employed to affirm transcend or resist these sets of sexual values In doing so it affords new views of Tokugawa society and Japanese religion Highly original in its theoretical approach and its juxtaposition of texts *Fertility and Pleasure* constitutes an important addition to the fields of Japanese religion and history and the study of gender and sexuality in other societies and cultures

Chinese Families in the Post-Mao Era Deborah Davis, Stevan Harrell, 1993-10-02 This collection of essays concerns both urban and rural Chinese communities ranging from professional to working class families The contributors attempt to determine whether and to what extent the policy shifts that followed Mao Zedong's death affected Chinese families

A Tender Voyage Ping-chen Hsiung, 2005 *A Tender Voyage* is the first full length study of the history of childhood and children's lives in late imperial China The author draws on an extraordinary range of sources to analyze both the normative concept of childhood literary and philosophical and the treatment and experience of children in China The study begins with the history of pediatrics and newborn care and their evolution over time The author moves on to the social environment of the child including models of upbringing and expected behavior and the treatment of different kinds of children including the rebellious and the gentle child She examines the role of the mother notably her close and complex relations with her sons and the broader emotional world of children their relationships with the adults around them and the destructive power of

death The last section discusses concepts of childhood in China and the West Throughout the study keeps in view the issue of representation versus practice the role of memory and the importance of listening for what is not said

The Family in Roman Egypt Sabine R. Huebner, 2013-07-04 This study captures the dynamics of the everyday family life of the common people in Roman Egypt a social strata that constituted the vast majority of any pre modern society but rarely figures in ancient sources or in modern scholarship The documentary papyri and above all the private letters and the census returns provide us with a wealth of information on these people not available for any other region of the ancient Mediterranean The book discusses such things as family composition and household size and the differences between urban and rural families exploring what can be ascribed to cultural patterns economic considerations and or individual preferences by setting the family in Roman Egypt into context with other pre modern societies where families adopted such strategies to deal with similar exigencies of their daily lives

Population and Economy Tommy Bengtsson, Osamu Saito, 2003-04-03 Malthus s Essay on the Principle of Population has for the past two centuries been a constant source of inspiration and debate for scholars working on relationships between population and economy in historical perspective This book of collected essays an outcome of an A session held at the 12th International Congress of Economic History in Madrid 1998 sets a new standard in this active and influential field of research The contributors go beyond the conventional European and North American geographical boundaries bringing out new empirical findings and developing new arguments The volume is divided into three parts The first section takes up classical issues the positive and the preventive checks and their determinants raised by Malthus himself and examines the issues against fresh evidence from Europe America and Asia These issues are also themes of the second part devoted to short term fluctuations in mortality and fertility in relation to prices wages and other economic indicators The final set of chapters is a coherent collection of technically sophisticated articles from an on going international joint project concerned with how households respond to economic stress in different economic social and cultural settings in traditional China Japan Sweden Belgium and Italy With a brief but well organized introduction this collection of scholarly essays offers both demographers and economic historians a wealth of exciting findings and stimulating insights

Chinese History Endymion Porter Wilkinson, 2000 Endymion Wilkinson s bestselling manual of Chinese history has long been an indispensable guide to all those interested in the civilization and history of China In this latest edition now in a bigger format its scope has been dramatically enlarged by the addition of one million words of new text Twelve years in the making the new manual introduces students to different types of transmitted excavated and artifactual sources from prehistory to the twentieth century It also examines the context in which the sources were produced preserved and received the problems of research and interpretation associated with them and the best most up to date secondary works Because the writing of history has always played a central role in Chinese politics and culture special attention is devoted to the strengths and weaknesses of Chinese historiography

The Oriental, the Ancient and the Primitive Jack Goody, 1990-02-08 Continuing the

comparative survey of pre industrial family formation undertaken in *The Development of Family and Marriage in Europe* 1983 Professor Goody looks in depth at kinship practice in Asia His findings cause him to question many traditional assumptions about the primitive East and he suggests that in contrast to pre colonial Africa kinship practice in Asia has much in common with that prevailing in parts of pre industrial Europe Goody examines the transmission of productive and other property in relation both to the prevailing political economy and to family and ideological structures and explores the distribution of mechanisms and strategies of management across cultures The book concludes that notions of western uniqueness are often misplaced and that much previous work on Asian kinship has been unwittingly distorted by the application of concepts and approaches derived from other inappropriate social formations

Women, Gender and Labour Migration Pamela Sharpe, 2002-01-31 New and original research which fills a gap in the market of migration studies Covers a broad range of topics Clearly and accessibly written

The Inner Quarters Patricia Buckley Ebrey, 1993-12 Opening up questions about women s lives about gender about why we read history at all and how we write it Patricia Buckley Ebrey has made *The Inner Quarters* a place we need to enter from the Foreword

Fenjie David Wakefield, 1998-09-01 The division of household property in agricultural societies lies at the centre of the transmission of economic control from one generation to the next In assembling a body of data concerned with fenjie household division in Qing and Republican China this text investigates one of the central topics in understanding how Chinese society functioned and continues to function In his presentation of case studies of household division the author determines that equal division was the rule yet living parents and single siblings had property rights as well Variations in inheritance orientations had dramatic effects on landownership patterns lineage property patterns lineage strength class formations and even on state efficiency and its influence on village society The text explores social class women and the nuclear family family documents and law in order to weave the different traditions into a vision of how inheritance family lineage and state interacted over the course of Qing and Republican China

Concubinage and Servitude in Late Imperial China Hsieh Bao Hua, 2014-06-18 In the long course of late imperial Chinese history servants and concubines formed a vast social stratum in the hinterland along the Grand Canal particularly in urban areas *Concubinage and Servitude in Late Imperial China* is a survey of the institutions and practice of concubinage and servitude in both the general populace and the imperial palace with a focus on the examination of Ming Qing political and socioeconomic history through the lives of this particular group of distinct yet associated individuals The persistent theme of the book is how concubines appointed by patriarchal polygamy and servants laboring under the master servants hierarchy experienced interactions and mobility within each institution and in associating with the other While reviewing how ritual and law treated concubines and servants as patriarchal possessions the author explores the perspectives available for individual concubines and servants and the limitations in their daily circumstances searching for their positional powers and privilege of the inferiors in the context of Chinese culture during the Ming Qing time period For a list of the book s tables and

Family And Population In East Asian History Introduction

In the digital age, access to information has become easier than ever before. The ability to download Family And Population In East Asian History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Family And Population In East Asian History has opened up a world of possibilities. Downloading Family And Population In East Asian History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Family And Population In East Asian History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Family And Population In East Asian History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Family And Population In East Asian History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Family And Population In East Asian History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Family And Population In East Asian History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Family And Population In East Asian History Books

1. Where can I buy Family And Population In East Asian History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
