Family Encyclopedia of American History Bernard--chief consultant Weisberger, 1979 *The Reader's Digest family encyclopedia of American history*, 1975 The Social History of the American Family Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of *The Social History of the American Family* explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual's development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader's Guide Chronology of American Families Resource Guide Glossary and thorough index *The Social History of the American Family* is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions Key Themes Families and Culture Families and Experts Families and Religion Families and Social Change Families and Social Issues Problems Crises Families and Social Media Families and Social Stratification Social Class Families and Technology Families and the Economy Families in America Families in Mass Media Families Family Life Social Identities Family Advocates and Organizations Family Law and Family Policy Family Theories History of American Families **Family Encyclopedia of American History** Reader's Digest Staff, 1975-04 **Family Encyclopedia of American History**, 1975 Family Encyclopedia of American History, 1975 *The Reader's Digest Family Encyclopedia of American History*, 1975 **The Social History of the American Family**, 2014 **Family Encyclopedia of American History** Reader's Digest Association, 1975 *The Family in America* Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers *Family in America* offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention

most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change *Donkey Cons* Lynn Vincent, Robert Stacy McCain, 2006-04-02 There is a double standard for Democrat and Republican criminals An irresistible book that reminds us what the New York Times wants us to forget David Horowitz Publisher FrontPage Magazine Shameless bribery Illicit sex Sweeping corruption The Democratic Party is like the Gambino mob but with matching federal funds In this raucous head spinning look at the follies and felonies of today s most famous and infamous liberals journalists Lynn Vincent and Robert Stacy McCain chronicle for the first time the rampant crime sex and corruption of the Democratic Party Donkey Cons reveals How corrupt Democrats in Congress outnumber corrupt Republicans by as much as three to one How Franklin Roosevelt Harry Truman and John F Kennedy were elected with the help of the Mob What two eyewitnesses said about JFK s obsession with hookers How union operatives take from working families to deliver millions of dollars to Democrats How Democrats in the 1990s covered up a conspiracy one expert called the largest incidence of obstruction of justice in American history Why Democrats ignore crime victims and take the side of rapists robbers and cop killers then stump for the right of felons to vote From bribery kickbacks and sex scandals to espionage terrorism and rape what was once the Party of the People has become a party with an appallingly long rap sheet And this hard hitting sad but funny expos of the crimes of the Democratic Party finally puts all their misdeeds into perspective Thoroughly researched using outrageous anecdotes and intimate details Donkey Cons shows that the serial corruption of the Clinton presidency wasn t an anomaly but a developing unnerving pattern in the modern Democratic ethos These are the stories the Democrats don t want you to read **United States History** James Warren Oberly, 1995 **The History of the Drake Family and the Times They Lived** Terry W.
