Family Guide To Homeopathy The Safe Form Of Medicine For The Future:

The Family Guide to Homeopathy Andrew Lockie,1989 **Homoeopathy for Women** Rima Handley,1993 **Natural Sleep** Anthea Courtenay,1990 Insomnia is one of the most distressing health complaints and one which has many different causes The most obvious remedies sleeping pills are among the most dangerous drugs on prescription and can be habit forming The aim of this book is to help the sufferer to identify the causes and contributory factors in their own case and to suggest a variety of solutions from relaxation to natural therapies **The Practical Handbook of Homeopathy** Colin Griffith,2012-01-01 Increasingly people are turning to homeopathy and they re eager to know more about what s safe and effective They ll find the trustworthy comprehensive and user friendly advice they re seeking in this supremely practical handbook It answers all the most frequently asked questions explaining exactly how homeopathic remedies work which to choose for specific ailments and when to call a professional A huge section is devoted to different aspects of health starting with accidents and emergencies and proceeding through every facet of physical and psychological care Of special interest a list of 50 commonly needed remedies for acute conditions that can be safely kept in the house and how to store them With information on diagnosis treatment prevention and cure this is an invaluable addition to every home **Complementary Medicine Index** ,1990 **The British National Bibliography** Arthur James Wells,1999 Passionate Medicine Robin Shohet,2005 *Passionate Medicine* is a compelling record of the journeys of five doctors and two veterinary surgeons from conventional medicine to homeopathy The contributors challenge the shortcomings of conventional medical training and methods in particular the notion that effective clinicians should be objective and emotionally detached **Complementary Medicine, Beauty and Modelling** A. Listowska,Mark A. Nicholson,2011-03-23 *Complementary Medicine Beauty and Modelling* offers readers the knowledge to naturally improve their appearance slow the ageing process and experience increased physical and emotional security By understanding and applying some basic principles of complementary medicine readers should be able to strengthen their physical bodies improving upon the individual qualities that they appreciate most whilst also improving upon those that they feel they might be lacking Beauty is often considered a commodity reserved for the young and slim and modelling the domain of the impossibly attractive As a result the majority of both men and women may never envisage themselves possessing the physical criteria for a career spent posing in front of cameras or strutting the worlds catwalks However it is important to remember that each person possesses individual characteristics and personal attributes that make them unique Addressing these attributes will improve their appearance and often result in improved temperament and appreciation of individual strengths The beauty that a woman expresses in her daily life is a declaration of herself and the person she wishes to present to the world whether it is while caring for children and family managing a business studying or spending time with friends and family This is no less so for men who often see physical appearance and strength as a means to establish their relationship with their body and declare their presence This book offers an insight into

concepts of physical beauty and photographic modelling and encourages the reader to view the body from a different perspective Physical features aside the book delves into the body mind relationship and draws upon the wisdom of philosophies such as naturopathy nutrition traditional Chinese medicine Bach flower remedies acupuncture mineral therapy iridology yoga meditation and natural remedies without ignoring skin care cosmetics perfume and paramedical tattooing With even a basic knowledge of the principles of complementary medicine readers can begin to understand and improve upon perceived flaws in their physical features and gain the confidence to recognise the personal attributes that make them each individuals We encourage readers to appreciate the unique beauty that is within each of us and recognise that a nutritious diet healthy lifestyle and positive view of themselves are the keys to maintain emotional stability and emphasise their appearance
