Family Law And Society Cases And Materials

Rebecca M. Salokar, Mary Volcansek

Family Law And Society Cases And Materials:

Family Law Frances Burton, 2003-02-15 A reader friendly guide to the basic family law topics The book also includes indications of where the law may be going in practice for example following the implementation of the Human Rights Act Major academic and practitioner issues are flagged *The Family, Law and Society* Brenda M. Hoggett, David Pearl, 1983

Cases and materials on family law K. Kusum, 2010 Law's Families Alison Diduck, 2003-07 Examining the diversity of perspectives and approaches in family law scholarship and drawing upon this work this book provides an analysis of recent trends in family law from a socio legal and feminist perspective and questions the nature of the nuclear family **Justice for Everyone** Rosemary Hunter, Erika Rackley, 2022-05-26 Featuring original research this collection celebrates the remarkable career of former Supreme Court President Brenda Hale Family Law, Gender and the State Alison Diduck, Felicity Kaganas, 2012-02-07 The third edition of this work on family law comprising text cases and materials provides not only an explication of legal principle but also explores primarily from a feminist perspective some of the assumptions about and constructions of gender sexual orientation class and culture that underlie the law It examines the ideology of the family and in particular the role of the law in contributing to and reproducing that ideology Structured around the themes of equality welfare and family privacy the book aims to offer the benefits of a textbook while also giving students a wide ranging set of materials for classroom discussion As well as providing a firm grounding in family law the text sets the law in its social and historical context and encourages a critical approach by students to the subject It provides an ideal introduction to family law for undergraduates but will be equally helpful for postgraduate students of family law for whom it provides a challenging selection of materials set within a theoretical framework rich in ideas and arguments Review of the second edition Diduck and Kaganas examine legal developments to shed light on society principally by investigating the ways in which family law constructs and regulates family life and responsibilities Theirs is an important and ambitious book that aims ultimately at a feminist restatement of family law The book is written and referenced in such depth that it is a useful resource for legal as well as social science researchers at all levels whether looking for theoretical inspiration or drawing up a literature review The range of diverse sources that Diduck and Kaganas draw on is impressive they seem to have included every bit of material that helps feminists make sense of family law There is a well pitched selection of further reading of such material at the end of each chapter What s more they undersell themselves by describing their book as Text Cases and Materials because they have woven by far the largest proportion of the cases and materials into the text Helen Reece Times Higher Education May 2007 Reviews of first edition A stimulating work which attempts to situate family law in its social historical and political context Its appeal should not be confined to family law students as its commitment to a critical and analytical approach offers insights and ideas with broader significance Mary Childs Child and Family Law Quarterly September 2002 The arguments are provocative the analysis is stimulating and the materials amassed strongly support the

authors aim to question the axiomatic status of what is traditionally designated as the family Fiona E Raitt *Infant and Child Development* September 2002 It is not often that one can say of a textbook in Law that it makes interesting reading with quite the enthusiasm that can be expressed for this text This new publication offers something that few textbooks seem to offer a book you CAN open up virtually anywhere and find an interesting piece on almost any aspect of the broad family law spectrum Penny Booth *The Law Teacher* September 2002 All the major themes in feminist and constructionist perspectives in family law are presented together with a wealth of readings and extensive references As a teaching manual it is excellent a coherent feminist perspective across the entire range of family law Marty Slaughter *Feminist Legal Studies* July 2003

Text, Cases and Materials on Medical Law and Ethics Marc Stauch, Kay Wheat, John Tingle, 2011 Divided into two parts this text examines both the general principles that permeate medical law and issues which arise in relation to specific areas of medical treatment **Cases & Materials on Constitutional & Administrative Law** Brian Thompson, Michael Gordon, 2017 Cases Materials on Constitutional Administrative Law provides students with a comprehensive selection of legal resources to accompany their studies Extracts from leading cases academic works and political documents are drawn together with incisive author commentary and thought provoking questions to highlight the historical debates and ongoing development of the subject The authors take a critical look at the doctrines of constitutional law and the principles of administrative law showing how the constitution operates in relation to Parliament the Executive and the citizen Online Resource Centre This book is supported by an Online Resource Centre providing a wide range of extra resources to further support students in their studies including Updates in constitutional and administrative law An extensive range of web links An interactive timeline of significant public law events throughout history Oxford News Now a live feed on topical public law issues sourced from news websites such as the BBC and Guardian **An Unfortunate Coincidence** Didi Herman, 2011 This book examines the depiction of Jews and Jewishness in modern English law revealing the role of racial and religious understandings in legal decision making It challenges both assumptions about tolerance and neutrality in English law and any simple narrative of anti-Semitism charting the ambivalent status of Jewish identity in the law **Text, Cases & Materials on Medical Law** Marc Stauch, 2017-07-05 Lucid and logical in structure this new edition previously entitled Sourcebook on Medical Law draws together a wide range of essential material including extracts from statutes cases and academic commentary from medical law an area which is fast becoming an important part of undergraduate syllabuses Fully updated to take account of recent developments in this dynamic area of law it examines two major pieces of legislation the Mental Capacity Act 2005 and the Human Tissue Act 2004 as well as a significant amount of new case law including the House of Lords decisions in *Chester v Afshar* and *Gregg v Scott* and the Court of Appeal decision in *R on the application of Burke v GMC* and others Divided into two parts it covers the general principles that permeate medical law exploring illness and the ethics of care and healthcare in England and Wales and consent to treatment confidentiality and medical malpractice issues

which arise in relation to specific areas of medical treatment including infertility treatment and surrogacy pregnancy and abortion treating the incompetent the mentally ill medical research organ transplants and euthanasia This textbook is an invaluable reference tool for all those studying medical law as well as those studying medicine

Cases and Materials on Constitutional and Administrative Law Brian Thompson, Michael Gordon, Adam Tucker, 2021 Cases and Materials on Constitutional and Administrative Law provides an essential collection of key primary and secondary materials with incisive commentary from the authors

Tackling Domestic Violence: Theories, Policies and Practice Lynne Harne, Jill Radford, 2008-07-16 This accessible text takes a multi disciplinary approach to exploring issues surrounding domestic violence It draws on contemporary research findings policy developments innovative practice and case studies to explore new directions in professional and voluntary sector responses to domestic violence Centred on the United Kingdom but located in a context of global change the book discusses and critically evaluates new criminal justice and multi agency initiatives such as domestic violence courts and risk assessment conferences as well as assessing how far these initiatives improve the safety of women and children Harne and Radford aim to disseminate ideas about best practice in relation to dealing with this sensitive and still controversial issue They use real life case studies from professionals including the police health services and Women s Aid and are inclusive of the experiences of a wide range of survivors in order to enable an understanding of the need for appropriate responses depending on different survivor needs Tackling Domestic Violence provides an informed background for professionals in the police probation health and social care services the legal system and voluntary sector with a remit to respond to domestic violence It is also highly relevant to those undertaking courses on domestic violence at undergraduate and postgraduate level

Cases and Materials on Constitutional and Administrative Law Michael Allen, Brian Thompson, 2011-05-26 Filling a need for a case and materials book on constitutional and administrative law this textbook reflects the latest thinking particularly in relation to the European Communities

Family Law, Sex and Society Peter De Cruz, 2010-02-25 Comparative in both approach and framework Family Law Sex and Society provides a critical exposition of key areas in family law exploring their evolution and development within their historical cultural political and legal context Cross referencing to English law throughout this comparative textbook pays particular attention to the transformation of marriage the development of divorce laws matrimonial property the legal recognition of unmarried heterosexual and same sex cohabitants the universal adoption of the best interests standard for children in domestic and international legislation and the impact of the Human Rights Act 1998 on family law in a variety of jurisdictions Divided into different sections Family Law Sex and Society includes coverage of a jurisdictional and historical survey of some of the main themes in Family Law as well as consideration of the evolution of the Western family the English law relating to divorce marital property and children and a comparison with the equivalent law in the civil law jurisdictions of France and Germany family law developments in other common law countries such as Australia and New Zealand selected American jurisdictions parts of Africa and some Far

Eastern countries and hybrid jurisdictions like Japan and Russia an analysis of the law relating to unmarried cohabitation and domestic partnerships in civil law jurisdictions such as France Germany and Sweden in comparison to Anglo American law a comparative analysis of the laws relating to domestic violence Family Law Sex and Society offers valuable socio legal and socio cultural insights into the practice of family law and is the only textbook that provides a unified coherent and comparative approach to the study of family law as it operates in these particular jurisdictions **Ethics, Law and Society** Jennifer Gunning, 2017-07-28 This key collection brings together a selection of papers commissioned and published by the Cardiff Centre for Ethics Law Society It incorporates contributions from a group of international experts along with a selection of short opinion pieces written in response to specific ethical issues The collection addresses issues arising in biomedical and medical ethics ranging from assisted reproductive technologies to the role of clinical ethics committees It examines broader societal issues with particular emphasis on sustainability and the environment and also focuses on issues of human rights in current global contexts The contributors collect responses to issues arising from high profile cases such as the legitimacy of war in Iraq to physician related suicide The volume will provide a valuable resource for practitioners and academics with an interest in ethics across a range of disciplines **Bowker's Law Books and Serials in Print**, 1993

Prenuptial Agreements and the Presumption of Free Choice Sharon Thompson, 2015-08-27 This book provides an alternative perspective on an issue fraught with difficulty the enforcement of prenuptial agreements Such agreements are enforced because the law acknowledges the rights of spouses to make autonomous decisions about the division of their property on divorce Yet this book demonstrates that in the attempt to promote autonomy other issues such as imbalance of power between the parties become obscured This book offers an academic and practical analysis of the real impact of prenuptial agreements on the relationships of those involved Using a feminist and contractual theoretical framework it attempts to produce a more nuanced understanding of the autonomy exercised by parties entering into prenuptial agreements This book also draws on an empirical study of the experiences and views of practitioners skilled in the formation and litigation of prenuptial agreements in New York Lastly it explores how the court might address concerns regarding power and autonomy during the drafting and enforcement processes of prenuptial agreements which in turn may enhance the role that prenups can play in the judicial allocation of spousal property on the breakdown of marriage **Women in Law** Rebecca M. Salokar, Mary Volcansek, 1996-09-24 Forty three women who have made major contributions to the law through their work in the legal profession scholarly legal research and political activism directed at socio legal reforms are profiled in this bio bibliographical sourcebook The women featured are from countries and regions with a Western legal tradition including North America Europe Israel Japan the Philippines and Africa Each profile contains extended biographical information and details significant achievements and contributions to the law made by each woman followed by references Forty three women who have made major contributions to the law through their work in the legal profession scholarly legal

research and political activism directed at socio legal reforms are profiled in this bio bibliographical sourcebook The women featured are from countries and regions with a Western legal tradition including North America Europe Israel Japan the Philippines and Africa Each profile contains extended biographical information their family backgrounds education and career development and their significant achievements and contributions to law The women featured include a number of those who were path breakers like Sandra Day O Connor the first woman justice of the U S Supreme Court and Bertha Wilson the first woman to sit on the Canadian Supreme Court Scholars like Margaret Somerville Canada and Beverly Blair Cook U S and political activists like Helene St Docker Germany and Leah Tsemel Israel are also included The introduction to the work presents a comprehensive and historical overview of the role of women as citizens scholars lawyers judges office holders and activists and also provides a review of the scholarship on women in law

Encyclopedia of Law and Society David S. Clark, 2007-07-10 This work will be very valuable for academic and public libraries supporting prelaw law social and cultural studies Summing Up Highly recommended Upper level undergraduates through professionals practitioners general readers CHOICE There are two aspects of scholarship about the legal systems of our day that are especially salient one being for the first time there is a fair amount of genuine research on legal systems and two that this research is increasingly global As soon as you cross a jurisdictional line even if it separates countries that are very similar you enter a different legal system It cannot be assumed that any particular rule doctrine or practice is the same in any two jurisdictions regardless of how close these jurisdictions are in terms of history and tradition The Encyclopedia of Law and Society is the largest comprehensive and international treatment of the law and society field With an Advisory Board of 62 members from 20 countries and six continents the three volumes of this state of the art resource represent interdisciplinary perspectives on law from sociology criminology cultural anthropology political science social psychology and economics By globalizing the Encyclopedia s coverage American and international law and society will be better understood within its historical and comparative context

Key Features Includes more than 700 biographical entries that are historical comparative topical thematic and methodological Presents the rich diversity of European Latin American Asian African and Australasian developments for the first time in one place to reveal the truly holistic interdisciplinary virtues of law and society Examines how and why legal systems grow and change how and why they respond or fail to respond to their environment how and why they impact the life of society and how and why the life of society impacts in turn these legal systems With borders more porous than ever before this Encyclopedia reflects the paradoxical reality of modern life including legal life This valuable resource aims to present research along with the theories on which it is grounded fairly and comprehensively and is a must have for all academic libraries

Family Law Rob George, Joanna Miles, Sharon Thompson, 2023-07-13 An unrivalled collection placing key judgments and expert commentary at your fingertips Family Law Text Cases and Materials presents everything the undergraduate student needs in one volume The authors offer a detailed and authoritative exposition of family law illustrated

Family Law And Society Cases And Materials Introduction

In the digital age, access to information has become easier than ever before. The ability to download Family Law And Society Cases And Materials has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Family Law And Society Cases And Materials has opened up a world of possibilities. Downloading Family Law And Society Cases And Materials provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Family Law And Society Cases And Materials has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Family Law And Society Cases And Materials. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Family Law And Society Cases And Materials. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Family Law And Society Cases And Materials, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Family Law And Society Cases And Materials has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Family Law And Society Cases And Materials Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Family Law And Society Cases And Materials is one of the best book in our library for free trial. We provide copy of Family Law And Society Cases And Materials in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Family Law And Society Cases And Materials. Where to download Family Law And Society Cases And Materials online for free? Are you looking for Family Law And Society Cases And Materials PDF? This is definitely going to save you time and cash in something you should think about.
