current interest Engaging students with real life examples and practical exercises centered on hot issues will induce excitement in the classroom and subsequently evoke a passionate response to the material covered in lecture. Instructors choose Family Law for Paralegals because this thoughtful and carefully written textbook offers paralegal students the nuts and bolts of the law while also providing a relevant historical framework and exposure to some of the most dynamic issues in family law today. Short historical overviews in each chapter give students a meaningful understanding of family law. Comprehensive in coverage, the book covers basic coverage of the issues of marriage and divorce as well as cutting edge issues such as non-marital families, child abuse and neglect, and same sex marriage. Helpful real life examples enhance the textual discussions while sample forms show students what they will encounter in practice. Clear pedagogy including summaries, key terms, and review and discussion questions helps students better understand the material and develop their critical thinking and writing skills. A range of assignments in each chapter provides students with the opportunity to practice different skills including research, analysis, memo writing, and argumentation. The Instructor's Manual includes teaching tips and a Test Bank. Exciting changes to this Fourth Edition include new cases that keep the book fresh in its Fourth Edition. Internet references in each chapter, updated topical coverage with important new developments, particularly in the areas of gay, lesbian rights, and non-traditional families. Family Law for Paralegals Fourth Edition uses clearly written text and well-crafted pedagogy to make the material easily accessible to students while a comprehensive educational package supports the instructor's efforts to give their students a thorough understanding of family law as it applies today.
