Race, Class, Parenting and Children's Leisure Utsa Mukherjee, 2023-02-07 Children's leisure lives are changing with increasing dominance of organised activities and screen based leisure These shifts have reconfigured parenting practices too However our current understandings of these processes are race blind and based mostly on the experiences of white middle class families Drawing on an innovative study of middle class British Indian

families this book brings children's and parents' voices to the forefront and bridges childhood studies, family studies and leisure studies to theorise children's leisure from a fresh perspective. Demonstrating the salience of both race and class in shaping leisure cultures within middle class racialised families, this is an invaluable contribution to key sociological debates around leisure, childhoods and parenting ideologies.

Hutchinson, 2019-06-05 BrOkEn FaMiLy shares the fun good and bad of growing up in a large family or even any size of family that does not stay working at togetherness every day. The author's message is from his heart: a personal experience with a wonderful family of lots of activities and full of life become BrOkEn. It covers the fun, joys, adventures, and heartbreak of growing up. Our author grew up in a small town in Iowa. He wants to encourage his readers to stay tight with parents and family members, to not ever assume everything is fine and being taken care of, and be fair to all, to never let a sibling of the family abuse a parent, and to discuss estate matters with parents and family as parents age. Our author wants to help from his experience, if possible, to let other families stay away from becoming BrOkEn.
