*Truth Versus Man's Religious Systems* Terry W. McHenry, 2018-01-27 The book in overview is historical and instructional in content with the focus being on the Biblical text in terms of its original form and language and in consideration of its full and proper context linguistically textually historically culturally and literarily It stresses the importance of moving from a knowledge of the Bible to an understanding of its life giving instructions being studied in its entirety as a gift to mankind from a loving creator Elohim The thrust of the book is accordingly threefold An indictment of two of man's religious systems Judaism and Christianity for syncretism corruption of Elohim's written Word of truth and abuses of religious authority plus promulgation of religious traditions not aligned with the whole truth of Elohim's Word A call to return to the one source of truth the written Word of Elohim understood in its originally written form and in its full and proper context Providing the equipping and study tools necessary to move from a mere knowledge of the Word to an understanding of its life giving instructions how to live a redeemed life as Elohim intended for all mankind      **500 Year Journey** Corey Piper, 2023-09-12 500 Year Journey examines historical and scriptural evidence to identify the date Christ was born which wasn't December 25th For more than two thousand years Christians and skeptics have sought the truth of Jesus' birth with many looking in the wrong places One group studied the stars and astrology for answers to determine what the Magi might have seen but that only created more questions Others looked to mathematical calculations and tradition but mistaken variables led them astray Both of these approaches have contributed to the modern version of Christmas but they have also obscured God's truth Corey Piper's 500 Year Journey makes the case that God revealed exactly when the Messiah would be born The answer is in his Law foreshadowed with biblical and historical events and confirmed by what the Magi saw This resource will take readers from the exile in Babylon to the manger in Bethlehem to a stunning encounter with God's elaborate plan      **Unbroken Cord** D.

H. Withers,2016-08-23 Integrating Bible stories that stretch across the centuries from each other along with a background of secular history and current events Unbroken Cord uncovers the link that ties them all together This book is what many believers have been looking for an easily understood synthesis between Old and New Testaments past and present Combining a tourist s enthusiasm for exploration along with a love for detail and scripture the author provides information that includes today s news ancient prophecy and a good bit of backstory Each of the twelve chapters is written with the goal of distilling its specific topic into an explanation that makes sense to the average person Even if the reader lacks background regarding Biblical History or the current geopolitical situation subjects that have previously seemed overly complicated or fuzzy begin to fall into place Since most everyone has fallen through the scholastic cracks at some point each chapter is presented as an opportunity for some much needed catch up information The book is a personal tutoring session and survey approach to understanding Israel s place within the context of a modern Christian worldview It turns out that the Bible is full of mystery Unbroken Cord unlocks secrets about God s Calendar fleshes out origins of the Middle East conflict examines prophecies concerning Israel s future population boom and explores Jerusalem from her distant past and into the age to come

Holy Cow! Hope Egan,2005-05      **Cracking the Timeline** Ruth Rosemary,2023-03-10 History versus science history versus history or history with science who has it right In this book you will be challenged to think differently about BC history Discover a calendar that is over five thousand years old and how the younger calendars go with it in this timeline Discover a reason why different dates are assigned to the same event Explore why the Second Temple of Judaism which stood partly BC and partly AD for about 420 years can have a start date in the 500s BC and 300s BC Discover concurrent event reading of the Bible as it relates to history Discover the accuracy preserved by forefathers and more With the use of the Gregorian calendar beginning in the 1500s we read BC history with dates that go backward as events move forward This is exactly the opposite of our current dates where the dates move forward as events move forward In this book there is a BC to AD timeline of the Bible some history and some prophesied events As you read you will go on a journey through history and put together past and present through what was written down about events and prophesied events 157      **The Wonder and Majesty of**

**God's Festivals and Holy Days** Thomas Thorne,2021-05-24 The Wonder and Majesty of God s Festivals and Holy Days demonstrates God s love for these special days the history associated with them as well as how they declare His plan for mankind Come and join me on this incredible journey into our Creator s marvelous festivals and holy days Your faith will be strengthened and a more intimate relationship with Jesus will be developed      *The Yada Yada Prayer Group Gets Rolling* Neta Jackson,2023-08-22 A devastating fire wakes up the Yadas to a new reality God is on the move What I d like to know is why does God keep rearranging my comfort zone It could have something to do with my Yada Yada prayer sisters who aren t afraid to get in each other s faces and tend to expect big things from God But to move forward sometimes we have to let go of what s behind In spite of the loss of two dear friends In spite of the breakup of a teenage love In spite of the curse of HIV In

spite of prison time hanging over the head of a beloved child In spite of fire consuming the hopes of those who have nothing  
Yet out of the ashes God is doing a new thing It s time for the Yadas to press on pray on and get rolling
