## **Famous Americans Of The 20th Century Story Of Dwight D Eisenhower:**

**American History of the 20th Century** Richard Rubin, 2010-07-23 This book deals with American history since 1880 a period when the United States was transformed from a relatively small remote and isolated outpost to the planet's richest most powerful and most influential nation It is also not coincidentally a period that produced some of the world's most unforgettable characters and some of its best stories History is not fixed not two dimensional not black and white it is always open to interpretation always subject to speculation always riddled with mystery Only one thing is certain about history All of it was essential to creating the world we live in today In that regard every story you will read in this book and any other history book is your story too What happens to you today has a great deal to do with what happened to other people a century ago what you do tomorrow is influenced whether you know it or not by what other people did yesterday In learning about history we invariably learn a lot about ourselves too *The Eisenhower Years: a Social History of the 1950's* Richard T. Stanley, 2012-06-15 The Fabulous Fifties were America's Happy Days The Eisenhower Years produced amazing contributions to our American culture and to other cultures around the world In so many ways Americans innovated and the world imitated from Elvis Presley and rock n roll to the Salk anti polio vaccine America's contributions to the world included motion pictures and the Broadway stage radio and television amateur and professional sports jazz the blues country and Western music traditional ballads and popular songs and rock n roll domestic and international business and trade public and private educational opportunities and a rich and varied literature While Americans did not invent all these categories they nevertheless took each to new heights during the Eisenhower Years and shared their bounty with the world The Eisenhower Years generally speaking were happier more stable more prosperous more optimistic and simpler times than the preceding decades of the 1930's and 40's and the increasingly turbulent 1960's and 70's that followed In fact America's exuberance in so many areas of the arts and everyday life was omnipresent As for political and military achievements President Eisenhower kept us safely out of war and was wise enough to stay out of the way of America's artists and entrepreneurs As a result the Eisenhower Years should forever be remembered as those Happy Days *A Humorous Account of America's Past* Richard T. Stanley, 2011-04 In 1945 the United States was the most powerful nation in the world But an Iron Curtain soon surrounded Eastern Europe and by 1950 Americans were fighting in Korea In 1952 I Like Ike swept the nation and the Fabulous Fifties began GM sold the most cars gas was 29 cents a gallon and a new house cost 9 000 In 1955 following President Eisenhower's mild heart attack America's favorite sick joke had Vice President Dick Nixon greeting Ike at the White House by saying Welcome back May I race you up the stairs The Fabulous Fifties of Marilyn Monroe and Elvis Presley gave way to riots Hippies and The Beatles during the Radical Sixties The 1960's began with JFK's New Frontier grew into LBJ's Great Society and the Vietnam War and ended with Nixon's Silent Majority and men on the moon Soon Nixon resigned Ford stumbled Carter's brother sold Billy Beer and the star of Bedtime for Bonzo led the popular Reagan Revolution In 1989 Reagan's Evil
