## **Famous Men Of Rome:**

**Famous Men of Rome** John Henry Haaren, Addison B. Poland (joint author.), 1904      Famous Men of Rome John Henry Haaren, 2015-06-24 Excerpt from Famous Men of Rome The study of history like the study of a landscape should begin with the most conspicuous features Not until these have been fixed in memory will the lesser features fall into their appropriate places and assume their right proportions In order to attract and hold the child s attention each conspicuous feature of history presented to him should have an individual for its center The child identifies himself with the personage presented It is not Romulus or Hercules or C sar or Alexander that the child has in mind when he reads but himself acting under the prescribed conditions Prominent educators appreciating these truths have long recognized the value of biography as a preparation for the study of history and have given it an important place in their schools The former practice in many elementary schools of beginning the detailed study of American history without any previous knowledge of general history limited the pupil s range of vision restricted his sympathies and left him without material for comparisons Moreover it denied to him a knowledge of his inheritance from the Greek philosopher the Roman lawgiver the Teutonic lover of freedom Hence the recommendation so strongly urged in the report of the Committee of Ten and emphasized also in the report of the Committee of Fifteen that the study of Greek Roman and modern European history in the form of biography should precede the study of detailed American history in our elementary schools About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Famous Men of Rome** John Henry Haaren, 1998      **Famous Men of Rome** John H Haaren, A B Poland, 2019-07-25 This book has been considered by academicians and scholars of great significance and value to literature This forms a part of the knowledge base for future generations We have represented this book in the same form as it was first published Hence any marks seen are left intentionally to preserve its true nature      **Famous Men of Rome** John Henry Haaren, 2015-12-04 John Henry Haaren was a late 19th and early 20th century historian who wrote a number of popular histories and biographies particularly about the Roman Empire      Famous Men of Rome John H. Haaren, A. B. Poland, 2017-07-24 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years

ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates
