Confessions of a Born-Again Pagan Anthony T. Kronman, 2016-10-28 In this passionate and searching book Anthony Kronman offers a third way beyond atheism and religion to the God of the modern world We live in an age of disenchantment The number of self professed atheists continues to grow Yet many still feel an intense spiritual longing for a connection to what Aristotle called the eternal and divine For those who do but demand a God that is compatible with their modern ideals a new theology is required This is what Anthony Kronman offers here in a book that leads its readers away from the inscrutable

Creator of the Abrahamic religions toward a God whose inexhaustible and everlasting presence is that of the world itself
Kronman defends an ancient conception of God deepened and transformed by Christian belief the born again paganism on
which modern science art and politics all vitally depend Brilliantly surveying centuries of Western thought from Plato to
Augustine Aquinas and Kant from Spinoza to Nietzsche Darwin and Freud Kronman recovers and reclaims the God we need
