Famous For 15 Minutes My Years With Andy Warhol:

Famous for 15 Minutes Ultra Violet, 2015-02-17 One of Andy Warhol's superstars recalls the birth of an art movement and the death of an icon In this audacious tell all memoir Ultra Violet born Isabelle Collin Dufresne relives her years with Andy Warhol at the Factory and all of the madness that accompanied the sometimes violent delivery of pop art Starting with her botched seduction of the shy near blind bald gay albino from Pittsburgh Ultra Violet installs herself in Warhol s world becoming his muse for years to come But she does more than just inspire she also watches listens and remembers revealing herself to be an ideal tour guide to the assembly line for art sex drugs and film that is the Factory Famous for 15 Minutes drips with juicy details about celebrities and cultural figures in vignettes filled with surreptitious cocaine spoons shameless sex and insights into perhaps the most recognizable but least intimately known artist in the world Beyond the legendary artist himself are the throngs of Factory regulars Billy Name Baby Jane Holzer Brigid Polk and the more transient celebrities who make appearances Bob Dylan Jane Fonda Jimi Hendrix John Lennon Delightfully bizarre and always entertaining filled with colorful scenes and larger than life personalities this dishy page turner is shot through with the author's vivid imagery and piercing observations of a cultural idol and his eclectic voyeuristic altogether riveting world **Ultra Violet: Famous** Words to Be Looked At Liz Kotz, 2010-02-26 A critical study of the use of language and the **for 15 Minutes** ,1988 proliferation of text in 1960s art and experimental music with close examinations of works by Vito Acconci Carl Andre John Cage Douglas Huebler Andy Warhol Lawrence Weiner La Monte Young and others Language has been a primary element in visual art since the 1960s in the form of printed texts painted signs words on the wall recorded speech and more In Words to Be Looked At Liz Kotz traces this practice to its beginnings examining works of visual art poetry and experimental music created in and around New York City from 1958 to 1968 In many of these works language has been reduced to an object nearly emptied of meaning Robert Smithson described a 1967 exhibition at the Dwan Gallery as consisting of Language to be Looked at and or Things to be Read Kotz considers the paradox of artists living in a time of social upheaval who use words but chose not to make statements with them Kotz traces the proliferation of text in 1960s art to the use of words in musical notation and short performance scores She makes two works the bookends of her study the text score for John Cage's legendary 1952 work 4 33 written instructions directing a performer to remain silent during three arbitrarily determined time brackets and Andy Warhol's notorious a a novel twenty four hours of endless talk taped and transcribed published by Grove Press in 1968 Examining works by artists and poets including Vito Acconci Carl Andre George Brecht Douglas Huebler Joseph Kosuth Jackson Mac Low and Lawrence Weiner Kotz argues that the turn to language in 1960s art was a reaction to the development of new recording and transmission media words took on a new materiality and urgency in the face of magnetic sound videotape and other emerging electronic technologies Words to Be Looked At is generously illustrated with images of many important and influential but little known works Warhol's Muses Laurence Leamer, 2025-05-06 ONE OF

12 NEW NONFICTION BOOKS YOU NEED TO READ IN 2025 THE OBSERVER A MUST READ BOOK OF SPRING 2025 TOWN COUNTRY ONE OF 25 BOOKS TO READ IN 2025 TORONTO STAR From the New York Times bestselling author of Capote's Women comes an astonishing account of the revolutionary artist Andy Warhol and his scandalous relationships with the ten women he deemed his Superstars Now and then someone would accuse me of being evil Andy Warhol confessed of letting people destroy themselves while I watched just so I could film them Obsessed with celebrity the silver wigged artistic icon created an ever evolving entourage of stunning women he dubbed his Superstars Baby Jane Holzer Edie Sedgwick Nico Ultra Violet Viva Brigid Berlin Ingrid Superstar International Velvet Mary Woronov and Candy Darling He gave several of them new names and manipulated their beauty and talent for his art and social status with no regard for their safety their dignity or their lives In Warhol's Muses bestselling biographer Laurence Leamer shines a spotlight on the complex women who inspired and starred in Warhol's legendary underground films The Chelsea Girls The Nude Restaurant and Blue Movie among others Drawn by the siren call of Manhattan life in the sixties they each left their protected enclaves and ventured to a new world Warhol's famed Factory having no sense that they would never be able to return to their old homes and familiar ways again Sex was casual drugs were ubiquitous parties were wild and to Warhol everyone was transient temporary and replaceable It was a dangerous game he played with the women around him and on a warm June day in 1968 someone entered the Factory and shot him changing his life forever Warhol's Muses explores the lives of ten endlessly intriguing women transports us to a turbulent and transformative era and uncovers the life and work of one of the most legendary artists of all time Warhol's Working Class Anthony E. Grudin, 2017-10-20 This book explores Andy Warhol s creative engagement with social class During the 1960s as neoliberalism perpetuated the idea that fixed classes were a mirage and status an individual achievement Warhol s work appropriated images techniques and technologies that have long been described as generically American or middle class Drawing on archival and theoretical research into Warhol's contemporary cultural milieu Grudin demonstrates that these features of Warhol's work were in fact closely associated with the American working class The emergent technologies Warhol conspicuously employed to make his work home projectors tape recorders film and still cameras were advertised directly to the working class as new opportunities for cultural participation What s more some of Warhol's most iconic subjects Campbell's soup Brillo pads Coca Cola were similarly targeted since working class Americans under threat from a variety of directions were thought to desire the security and confidence offered by national brands Having propelled himself from an impoverished childhood in Pittsburgh to the heights of Madison Avenue Warhol knew both sides of this equation the intense appeal that popular culture held for working class audiences and the ways in which the advertising industry hoped to harness this appeal in the face of growing middle class skepticism regarding manipulative marketing Warhol was fascinated by these promises of egalitarian individualism and mobility which could be profound and deceptive generative and paralyzing charged with strange forms of desire By tracing its intersections with

various forms of popular culture including film music and television Grudin shows us how Warhol s work disseminated these promises while also providing a record of their intricate tensions and transformations The Films of Paul Morrissev Maurice Yacowar, 1993-05-28 The Films of Paul Morrissey is the first appraisal of one of the major figures of American independent cinema An innovator in the narrative cinema that emerged from Andy Warhol's Factory Morrissey as established in this study was also the force who shaped the most important films that have heretofore been attributed to Warhol The director's experiments in the use of non professional actors controversial subject matter and language are demonstrated through analysis of his most accomplished achievements including Mixed Blood 40 Deuce and Spike of Bensonhurst The Films of Paul Morrissey furthermore reveals the director's challenge to the moral social and political values of contemporary Concerning Consequences Kristine Stiles, 2016-03-21 Kristine Stiles has played a vital role in establishing liberalism trauma studies within the humanities A formidable force in the art world Stiles examines the significance of traumatic experiences both in the individual lives and works of artists and in contemporary international cultures since World War II In Concerning Consequences she considers some of the most notorious art of the second half of the twentieth century by artists who use their bodies to address destruction and violence The essays in this book focus primarily on performance art and photography From war and environmental pollution to racism and sexual assault Stiles analyzes the consequences of trauma as seen in the works of artists like Marina Abramovic Pope L and Chris Burden Assembling rich intellectual explorations on everything from Paleolithic paintings to the Bible's patriarchal legacies to documentary images of nuclear explosions Concerning Consequences explores how art can provide a distinctive means of understanding trauma and promote individual and collective healing Blue Gene Baby Fiona Dunbar, 2011-01-20 The Silk sisters are back rescued from their evil uncle by the impossibly glamorous fashionista Nolita Newbuck But could it be that the devil really DOES wear Prada The sisters must continue the dangerous search for their mysteriously missing parents but nothing is ever quite as it seems You Are Beautiful and You Are Alone Jennifer Otter Bickerdike, 2021-08-10 A new definitive biography of the iconic and mysterious singer Warhol superstar Velvet Underground collaborator influential solo artist Nico YOU ARE BEAUTIFUL AND YOU ARE ALONE is a new biography of Nico the mysterious singer best known for her work with the Velvet Underground and her solo album Chelsea Girl Her life is tangled in myth much of it of her own invention Rock and roll cultural historian Jennifer Bickerdike delivers a definitive book that unravels the story while making a convincing case for Nico's enduring importance Over the course of her career Nico was an ever evolving myth art film house actress highly coveted fashion model Dietrich of Punk Femme Fatale Chelsea Girl Garbo of Goth The Last Bohemian Heroin Junkie Lester Bangs described her as a true enigma At age 27 Nico became Andy Warhol's newest Superstar featuring in his one commercial break out hit film Chelsea Girls and garnering the position of chanteuse for the Velvet Underground It wasn t Nico's musical chops which got her the gig it was her striking beauty Her seeming otherworldly and unattainable presence was further amplified by her reputation

for dating rock stars Brian Jones Bob Dylan Jim Morrison among others She became famous for being Nico Yet Nico s talent and her contribution to rock culture are often overlooked She spent most of her career as a solo artist on the road determined to make music seemingly against all the odds enduring empty concert halls abusive fans and the often perilous reality of being an ageing artist and drug addict She created mesmerizing and unique projects that inspired a generation of artists including Henry Rollins Morrissey Siousxie Sioux and the Banshees and Iggy Pop Drawing on the archives at the Andy Warhol Museum and at Nico's record labels various private collections and rarely seen footage and featuring exclusive new interviews from those who knew her best including Iggy Pop and Danny Fields and those inspired by her legacy YOU ARE BEAUTIFUL AND YOU ARE ALONE reveals the complicated often compromised self destructive and always head strong woman behind the one dimensional myths Andy Warhol's Mother Elaine Rusinko, 2024-11-19 While biographers of Andy Warhol have long recognized his mother as a significant influence on his life and art Julia Warhola's story has not yet been told As an American immigrant who was born in a small Carpatho Rusyn village in Austria Hungary in 1891 Julia never had the opportunity to develop her own considerable artistic talents Instead she worked and sacrificed so her son could follow his dreams helping to shape Andy s art and persona Julia famously followed him to New York City and lived with him there for almost twenty years where she remained engaged in his personal and artistic life She was well known as Andy Warhol s mother even developing a distinctive signature with the title that she used on her own drawings Exploring previously unpublished material including Rusyn language correspondence and videos Andy Warhol s Mother provides the first in depth look at Julia s hardscrabble life her creative imagination and her spirited personality Elaine Rusinko follows Julia s life from the folkways of the Old Country to the smog of industrial Pittsburgh and the tumult of avant garde New York Rusinko explores the impact of Julia s Carpatho Rusyn culture Byzantine Catholic faith and traditional worldview on her ultra modern son the guintessential American artist This close examination of the Warhola family s lifeworld allows a more acute perception of both Andy and Julia while also illuminating the broader social and cultural issues that confronted and conditioned them Who is Andy Warhol? Bread and Roses Dee Michell, Jacqueline Z. Wilson, Verity
Archer, 2015-06-26 Bread and Roses is an Australian first a collection of stories from academics who identify as coming from working class backgrounds At once inspiring and challenging the collection demonstrates how individual narratives are both personal and structural in that they illustrate the ways in which social forces shape individual lives Central themes in the book are generational changes in university education provision in Australia the complexities of coming from a working class background and being female or coming from a working class background and being female and a recent migrant and the particular challenges facing students and staff from rural and regional areas An essential read for anyone interested in widening participation programs in higher education including administrators academics past and present students Bread and Roses is both a map for those who want to undertake a similar journey and a community for those who want to join

Art Books Wolfgang M. Freitag, 2013-10-28 First published in 1997 For this second edition of Art Books A Basic Bibliography of Monographs on Artists the vast number of new books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles. These selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities. The selections of the first edition have been reviewed errors have been corrected and important new editions and reprints have been noted. The second edition contains 278 names of artists not represented in the first edition One-of-us J. Elliott Goldwyn, 2005-09 War is hell and never has it been more hellish than in this moving collection of poetry by Viet Nam War veteran Jim Soular Few today can deny that the war was a horrific tragedy resulting in the deaths of 60 000 Americans and millions of Vietnamese Laotians and Cambodians The first section In Country assaults the reader with all the charm of a meat grinder as the poet serves up image after violent image of the indiscriminate carnage of war and the gruesomeness of death in the triple canopy jungles of Viet Nam The second section Back in the World returns us to the States but not necessarily to sanity as Soular wades through the psychological aftereffects of the war for both the veterans and their families With vivid and carefully chosen imagery this section portrays the mind numbing consequences of exposure to war its accompanying PTSD and the tremendous guilt sorrow and despair that many veterans and their families live with to this day These poems are a raw new look at war vignettes of horror guilt and sorrow in what many consider America's longest and most brutal conflict as well as its most *The Trip* Deborah Davis, 2016-08-30 From the author of Strapless and Guest of Honor a book divisive since the Civil War

about a little known road trip Andy Warhol took from New York to LA in 1963 and how that journey and the numerous artists and celebrities he encountered profoundly affected his life and art *It's Not Rocket Science* Clive Whichelow, Hugh Murray, 2014-02-06 Over last thirty years new technology fashion and social set ups have spawned new cliches galore Everything on the Internet is available at the click of a mouse TV presenters ask the audience to give it up when they want them to applaud call centres tell us we value your call even though all our operators are busy And if you re gobsmacked by all this you may be told to get a life chill out or whatever It s Not Rocket Science sifts through all aspects of modern life to find the most prevalent ubiquitous and downright irritating cliches of our age This high octane caffeine fuelled dictionary of cliches highlights the freshly hackneyed phrases we re being subjected to 24 7 So how good is that And what s not to like
