## **Emerging Issues In Corporate Governance:**

**Emerging Issues in Corporate Governance** James C. Worthy, Robert P. Neuschel, 1984      **Handbook on Emerging Issues in Corporate Governance** Alireza Tourani-Rad, Coral Ingley, 2011 The book highlights emerging topics in key areas of corporate governance with special emphasis on traditionally unexplored issues It also aims to stimulate thinking and debate on vital aspects of practice and approaches to corporate governance The topics covered in this book deal with timely subjects written by eminent academics and renowned professionals with outstanding expertise in their respective fields who bring to fore the latest theories and provide an up to date overview of the extant literature on each topic More importantly they draw readers attention to implications for future research and developments The book not only contributes to the academic literature but also improves the decision making of regulators and investors      **Emerging Issues in the Global Economy** Silvia Cristina Mărginean, Claudia Ogorean, Ramona Orăștean, 2018-01-11 This proceedings volume provides current research on emerging issues in business economics and finance in the global economy with particular emphasis on Eastern Europe Featuring selected papers from the 2017 International Economics Conference in Sibiu IECS organized by the Lucian Blaga University of Sibiu Romania the contributing chapters consider new business models theories practices and instruments from advanced and emerging economies in the context of recent global trends After over 20 years of increasing openness and liberation of the world economy recent events in regions such as Europe USA and Asia have created challenges to the idea of globalization and integration There is a delay between the real world economic changes and the reflection of such changes in the economic research literature The 2017 IECS conference and the enclosed papers aim to fill this gap in the study of globalization covering diverse topics such as business administration sustainability corporate social responsibility finance accounting tourism and business informatics      *Contemporary Issues in Corporate Social Responsibility* Duygu Turker, Huriye Toker, Ceren Altuntas, 2013-12-18 As a result of the industrialization urbanization and population increase during the last two centuries the global landscape has been irreversibly damaged These anthropological pressures have create endless problems on the global level and individuals and organizations are beginning to realize their own ever increasing responsibility to consider the welfare and interests of all stakeholders as a whole Although the improvements in the legal framework at the national and international level can be viewed as an important step to protect society and the natural environment a legal course provides a reactive mode of control rather than a proactive approach Considering its proactive approach and voluntarily basis the concept of social responsibility can provide a significant tool of generating a sustainable future During such a paradigm shift Contemporary Issues in Corporate Social Responsibility presents the significant roles that universities must embrace in order to take charge of the future In parallel to those movements many institutions include a course on social responsibility yet the studies on the education of social responsibility in the literature show that there is no commonly accepted teaching methods and guiding curriculum of CSR This book was

designed based on the outcomes of an Erasmus Intensive Project IP which was organized in Yasar University during June 2012 with the contribution of 9 European universities Based on the interactive feedback of participants during the project this book sheds light on the ongoing discussion of corporate social responsibility from a European perspective
