EMERSON AND SELF-RELIANCE

GEORGE KATEB

Emerson And Self Reliance Modernity And Political Thought By

Ruth Lane

Emerson And Self Reliance Modernity And Political Thought By:

Emerson and Self-Reliance George Kateb, 2002-04-09 Ralph Waldo Emerson was a great moral philosopher. One of his principle contributions is the theory of self reliance, a view of democratic individuality. During much of his life Emerson was considered a radical thinker and his opposition to established religious opinion was scandalous. Emerson's deep commitment to individualism was at the root of his critique and his articulation of individualism was constant, whether aimed against the group mind or against institutional constrictions. Nietzsche was Emerson's best reader and George Kateb provides an accessible reading of Emerson that is friendly to the interests of Nietzsche and to later Nietzscheans such as Weber, Heidegger, Arendt and Foucault.

Emerson and Self-reliance George Kateb, 2002 This reprint is distinguished by a new preface reconsidering Emerson's *Nature*, a work that goes undiscussed in the text. Properly, Kateb moves toward the notion that Emerson's divinization of humanity renders the balance with nature lost; its mute appeal denied. Nonetheless, Kateb, politics Princeton U views Emerson as a radical for his commitment to individualism as an ideal suitable for democracy. Emerson calls it self reliance and Kateb distinguishes between the mental and active kinds, suggesting Emerson elevates intellectual independence above independence of character and practical achievement. Nietzsche is held up as Emerson's best reader. Kateb, aspiring to a reading of Emerson friendly to Nietzsche's interests. Annotation copyrighted by Book News Inc. Portland, OR.

Aquinas and Modernity Shadia B. Drury, 2008-05-16 In this startling book Drury overturns the long standing reputation of Thomas Aquinas as the most rational exponent of the Christian faith. She reveals that Aquinas, as one of the most zealous Dominicans, Domini Canes or Hounds of the Lord. The book contains incisive criticisms of Aquinas's reconciliation of faith and reason, his defense of papal supremacy, his justification of the Inquisition, his insistence on the persecution of Jews, and his veneration of celibacy. Far from being an antiquarian exercise, Drury shows why the study of Aquinas is relevant to the politics of the twenty first century, where the primacy of faith over reason has experienced a revival. The current pope, Benedict XVI, relies heavily on Aquinas when prescribing cures for the ills of modernity. For Drury, religion is as incompatible with political moderation and sobriety in our time as it was in the thirteenth century. This is why she defends a secular version of Aquinas's theory of natural law, a theory that he betrayed in favor of what she calls the politics of salvation.

William James Kennan Ferguson, 2007 William James is known today strictly as a philosopher of pragmatism. Williams James, *Politics in the Pluriverse*, challenges this understanding. Kennan Ferguson argues that James should instead be known as the progenitor of pluralism, one of the most influential and durable American political philosophies of the twentieth century. James contended that engagement with the foreign, the difficult, and the uncomfortable makes us who we are. Rather than mitigating differences or attempting to resolve conflicts, he embraced them wholeheartedly, advocating the opportunity to be transformed. Pluralism in the mind of the thinker who popularized the term led to a more complex, more contentious, and far more interesting world. Ferguson traces the historical importance and contemporary possibilities of

pluralism's original political insight In this important work he examines the trajectory of pluralism in the United States and England the mutual influences of turn of the century American and European philosophical traditions and the relationship between pluralism and James's active anti imperialism James's unexpected political concepts and commitments both illuminate political philosophy of the 20th century and challenge contemporary assumptions about the desirability of unanimity Pluralism not unity should be the goal of both politics and philosophy *Edmund Burke* Stephen K. White, 2002

Edmund Burke Modernity Politics and Aesthetics examines the philosophy of Burke in view of its contribution to our understanding of modernity Stephen K White argues that Burke shows us how modernity engenders an implicit forgetfulness of human finitude White illustrates this theme by showing how Burke's political thought his judgment of the modern system of morality and policy and its taste for a false sublime are structured by his aesthetics *Michel Foucault and the Politics of Freedom* Thomas L. Dumm, 2002-04-03

What is freedom In this study Thomas Dumm challenges the conventions that have governed discussions and debates concerning modern freedom by bringing the work of Michel Foucault into dialogue with contemporary liberal thought While Foucault has been widely understood to have characterized the modern era as being opposed to the realization of freedom Dumm shows how this characterization conflates Foucault's genealogy of discipline with his overall view of the practices of being free Dumm demonstrates how Foucault's critical genealogy does not shrink from understanding the ways in which modern subjects are constrained and shaped by forces greater than themselves but how it instead works through these constraints to provide not simply a vision of liberation but a joyous wisdom concerned with showing us in his words that we are much freer than we feel Both as an introduction to Foucault and as an intervention in liberal theory Michel Foucault and the Politics of Freedom is bound to change how we think about the limits and possibilities of freedom in late modernity *Impressions of Hume* Davide Panagia, 2013-08-22

Davide Panagia's Impressions of Hume Cinematic Thinking and the Politics of Discontinuity is volume fifteen of Modernity and Political Thought the Rowman Littlefield series in contemporary political theory Through close attention to Hume's theories of sensation Davide Panagia conceptualizes the modern even more radically though also more literally than many of the previous authors in this series While devoting attention to how a historical thinker such as Hume is read and misread used and abused in the modern intellectual world Panagia also focuses on developing a theory of Humean perception and by so doing emphasizes the contemporaneity of Hume's thought In what at first seems to be an anachronistic as well as wildly curious claim about a philosopher of the eighteenth century Panagia holds that Hume was a cinematic thinker **The Reluctant Modernism of Hannah Arendt** Seyla Benhabib, 2003

Interpreting the work of one of the most influential thinkers of the 20th century The Reluctant Modernism of Hannah Arendt rereads Arendt's political philosophy in light of newly gained insights into the historico cultural background of her work Arguing against the standard interpretation of Hannah Arendt as an anti modernist lover of the Greek polis author Seyla Benhabib contends that Arendt's thought emerges out of a double legacy German

Existenz philosophy particularly the thought of Martin Heidegger and her experiences as a German Jewess in the age of totalitarianism This important volume reconsiders Arendt s theory of modernity her concept of the public sphere her distinction between the social and the political her theory of totalitarianism and her critique of the modern nation state including her life long involvement with Jewish and Israeli politics Thoreau's Nature Jane Bennett,2002-04-03 Thoreau s Nature Ethics Politics and the Wild explores how Thoreau crafted a life open to the Wild a term that marks the startling element of foreignness in every object of experience however familiar Thoreau s encounters with nature Bennett argues allowed him to resist his all too human tendency toward intellectual laziness social conformity and political complacency Bennett pursues this theme by constructing a series of dialogues between Thoreau and our contemporaries Foucault on identity and power Haraway on the nature culture of division Hollywood celebrities on the Walden Woods Project the National Endowment for the Humanities on politics and art and Kafka on the question of political idealism The pertinence to the late 20th century of Thoreau s pursuit of independent judgment ecological foresight and moral nobility becomes apparent through these engagements Jean Jacques Rousseau Tracy B. Strong,2002 Rousseau is most often read either as a theorist of individual authenticity or as a communitarian In this book he is neither Instead Rousseau is understood as a theorist of the common person In Strong s understanding Rousseau s use of common always refers both to that which is common and to that which is ordinary vulgar everyday For Strong Rousseau resonates with Kant Hegel and Marx but he is more modern like Emerson Nietzsche Eitgegenstein and Heidegger Rousseau s democratic individual is an ordinary self paradoxically multiple and not singular In the course of exploring this contention Strong examines Rousseau s fear of authorship though not of authority his understanding of the human his attempt to overcome the scandal that relativism posed for politics and the political importance of sexuality **Thomas Hobbes** Richard E. Flathman,2002 In his unconventional reading of the political philosophy of Thomas Hobbes Flathman political science Johns Hopkins U suggests a liberal reading of Hobbes that is skeptical of ethical and metaphysical arguments that claim to know God or God s moral requirements This leads to a view that the preferred political order is one in which disagreement and disturbance are to be privileged over an imposed homogeneity or uniformity The foregoing suggests that we cannot do well without government but we should chasten our expectations for government to provide the conditions necessary for the pursuit of our individual happiness Annotation copyrighted by Book News Inc Portland OR *The Augustinian Imperative* William E. Connolly,2002-04-11 An entirely new interpretation of one of the most seminal and widely read figures in the history of political thought The Augustinian Imperative is also an archaeological investigation into the intellectual foundation of liberal societies Drawing support from Nietzsche and Foucault Connolly argues that the Augustinian Imperative contains unethical implications its carriers too often convert living signs that threaten their ontological self confidence into modes of otherness to be condemned punished or converted in order to restore that confidence With a lucidity and rhetorical power that makes it readily accessible The

Augustinian Imperative examines Augustine's enactment of the Imperative explores alternative ethico political orientations and subsequently reveals much about the politics of morality in the modern age *Reading "Adam Smith"* Michael J. Shapiro, 2002 In a Foucauldian analysis of the power of the discourse of Adam Smith to shape the way modernity defines the self and subjectivity Shapiro political science U of Hawaii examines how Adam Smith's moral philosophy and political economy are now textualized and institutionalized He argues that Smith's writings legitimize contentious realities by seeming purely descriptive monumentalizing arbitrary victories of power in persons such as the individual and collectivities such as the nation Annotation copyrighted by Book News Inc Portland OR *G.W.F. Hegel* Fred Reinhard Dallmayr, 2002 This revised edition interprets Hegel's postmodern as the dissemination of the liberating spirit in the capillaries of democratic lifeworlds **Merleau-Ponty and Modern Politics After Anti-Humanism** Diana Coole, 2007-08-28 In this book Diana Coole shows how existential phenomenology illuminates and enlivens our understanding of politics With breadth of vision and penetrating insight Coole demonstrates that political questions were always central to Merleau-Ponty's philosophical project She also shows how Merleau-Ponty's concern with contingency anticipated arguments by thinkers such as Derrida Foucault and Deleuze while sustaining a robust sense of politics as the domain of collective life Jacket **African American Political Thought and American Culture** Alex Zamalin, 2015-10-07 This book demonstrates how certain African American writers radically re-envisioned core American ideals in order to make them serviceable for racial justice Each writer's unprecedented reconstruction of key American values has the potential to energize American citizenship today *Carl Schmitt and the Intensification of Politics* Kam Shapiro, 2008 *The Game of Justice* Ruth Lane, 2008-01-03 Argues in favor of viewing justice as a political contest that everyone has a stake in *Deleuze's Political Vision* Nicholas Tampio, 2015-08-06 French philosopher Gilles Deleuze and the psychiatrist activist Félix Guattari's 1980 book *A Thousand Plateaus* is widely recognized as a masterpiece of twentieth century Continental philosophy Until now however few scholars have dared to explain the book's political importance Deleuze's *Political Vision* reconstructs Deleuze's conception of pluralism human nature the social contract liberalism democracy socialism feminism and comparative political theory Unlike scholars who read Deleuze as a Marxist author Nicholas Tampio argues that Deleuze was a cutting edge liberal concerned about protecting difference from what John Stuart Mill called the tyranny of the majority The book brings Deleuze into conversation with other contemporary political theorists such as Hannah Arendt William E Connolly Jürgen Habermas Bruno Latour Charles Mills Martha Nussbaum Carole Pateman Abdolkarim Soroush Leo Strauss and Charles Taylor Deleuze's *Political Vision* translates Deleuze's ideas into popular vernaculars to realize his political vision and reveal his work as essential to modern discussions of political theory and philosophy *A Political Companion to Ralph Waldo Emerson* Alan Levine, 2011-09-16 From before the Civil War until his death in 1882 Ralph Waldo Emerson was renowned and renounced as one of the United States most prominent abolitionists and as a leading visionary of the nation's liberal democratic future

Following his death however both Emerson's political activism and his political thought faded from public memory replaced by the myth of the genteel man of letters and the detached sage of individualism In the 1990s scholars rediscovered Emerson's antislavery writings and began reviving his legacy as a political activist *A Political Companion to Ralph Waldo Emerson* is the first collection to evaluate Emerson's political thought in light of his recently rediscovered political activism What were Emerson's politics *A Political Companion to Ralph Waldo Emerson* authoritatively answers this question with seminal essays by some of the most prominent thinkers ever to write about Emerson Stanley Cavell George Kateb Judith N Shklar and Wilson Carey McWilliams as well as many of today's leading Emerson scholars With an introduction that effectively destroys the pernicious myth about Emerson's apolitical individualism by editors Alan M Levine and Daniel S Malachuk *A Political Companion to Emerson* reassesses Emerson's famous theory of self reliance in light of his antislavery politics demonstrates the importance of transcendentalism to his politics and explores the enduring significance of his thought for liberal democracy Including a substantial bibliography of work on Emerson's politics over the last century *A Political Companion to Ralph Waldo Emerson* is an indispensable resource for students of Emerson American literature and American political thought as well as for those who wrestle with the fundamental challenges of democracy and liberalism
