*Stage 2 - Nurture* Stephen Cottrell, 1996-09-30 Emmaus is a course designed to welcome people into the Christian faith Contact is a practical hands on booklet that helps churches make the most of their connections with those outside the church as the first step in running an Emmaus course      **Evangelism - Which Way Now?** Mike Booker, Mark Ireland, 2010 Fully updated 2nd edition of this guide to today's evangelistic techniques designed to help churches find the most appropriate strategy for evangelism in their community      **The Justifying Judgement of God** Justyn Terry, 2008-02-01 This monograph argues that the doctrine of atonement may be presented more coherently by recognizing judgement as the principle metaphor of the reconciling work of Christ Judgement understood not only as condemnation but as the whole process of bringing about justice provides the pattern to which victory redemption and sacrifice may be compared and to which they should be related The first section is a study of twentieth century British atonement theology to understand the assumptions that give rise to the difficulties in proclaiming the atonement The second section examines Karl Barth's account of reconciliation in terms of the judgement of Jesus Christ and its relationship to victory redemption and sacrifice The proposal is made that judgement is the paradigmatic metaphor of the doctrine of atonement The implications of this claim are then considered for the response to the work of Christ and how repentance baptism Eucharist and holiness are related to judgement      The Living Church, 2000-07      *Emmaus: Stage 2* Morehouse Publishing, John Finney, 2000-03 A guide to leading both nurture and growth groups of the Emmaus course this book lays a biblical framework for group leadership using Jesus as the example and model It examines practical issues such as the role of leader in the group how to make newcomers feel welcome how to prepare for each session and how to use shared meals and retreats to help a group grow      *Evangelism* Mike Booker, Mark Ireland, 2005 This book will help church leaders lay and ordained locally and nationally to choose selectively from the resources available to develop a coherent and effective strategy for evangelism within the whole mission of the church Back cover      **Emmaus** Stephen Cottrell, 1996      **The Church of England Year Book 2004** Church House Publishing, 2003-12      Emmaus Stage 1 Contact 2nd Ed Stephen Cottrell, 2003 Contact is a practical hands on booklet that helps churches make the most of their connections with those outside the church Most churches find that setting up a course for non churchgoers to explore Christianity is not the most difficult task getting them to come is the real test Here's where Contact steps in Contact builds on insights from recent research and case studies and provides helpful advice for churches on making contact with those outside the church making the most of existing contacts such as occasional attendees toddler groups connecting with people's spirituality how to set up a nurture group encouraging your church to be involved in evangelism and outreach This second edition builds upon the experience of those who have used the Emmaus material since it was first published and also the considerable amount of statistical research which has been done in recent years      *The Church of England Yearbook*, 2003      Gottes Sehnsucht in der Stadt Philipp Elhaus, Christian Hennecke, 2011-10-12 Was
