The Thought Bubble Gopal Gandhi ,2025-08-29 We live in a world that is constantly trying to get better at something than us Fast demands to be more successful Amidst this pressure Our brain goes into overdrive It analyzes everything Weighs every situation And tries to protect us from every possible danger In this process It makes us overthink Worry Trapping you in an endless cycle of self doubt and stress We become prisoners of our own thoughts I wrote this book because I have been in that prison I know what it is like to live under the weight of your own thoughts And I also know that there is a way out of that prison This book does not promise you a magic mantra or an overnight solution I will not tell you to just think positive and everything will be fine Because we both know it's not that easy Instead of This book is like giving you a

map and a torch in your hand Together we will explore the labyrinthine world of your mind We will understand how it works Why does it trap us and most importantly How can we get out of this We will discover a very simple yet revolutionary idea Your thoughts are not facts They are the clouds that come and go in your mind There are words running across the screen Or trains passing through the station Those are not true They re just thoughts *Depths of Darkness* Gino

Gammaldi,2021-09-01 This book takes us into realms that will ignite the fire and zeal of the younger generation to act or be left behind by the moving train of life But this is also an inspiring educating thought provoking fictional novel that will have appeal to all age groups Real life believable characters help in relating to the story An early plot that can actually happen entangled with a plot that could happen all filled with narrative twists and turns which will keep the reader hooked onto every word Most of all the story possesses a good theme expressed vividly that ultimately offers important insights into life and the boundless realm of fertile imaginations The double plot is intriguing in that the author initially offers us an insight into the desperation endured by a teenage boy We are then thrust into situations which see this character and his best friend being confronted by challenges which can only be described as transcendental For anyone who enjoys the stimulation of a multifaceted novel which evokes the senses and conjures up all the expectations of an odyssey this book is a must read
